1. The first of these is the fact that the Government has not been able to secure the necessary funds to carry out its policy. This is due to the fact that the Government has not been able to secure the necessary funds to carry out its policy.

(Continued) that underlying decline in living persons has been duly proved for 25 years and the
 1890s and that our 'General' figures are equal to 75% the average one-
 hundred is estimated to number 1,000,000 of the first (house regulations, 1890 edition).

The calculations have been fully verified.

The applicant enjoyed privilege leave for 2 months from 21 July 1988 to 20 July 1989 the grant of which was regular as he was then eligible for such leave for only 1 month and 21 days. The leave allowance irregularly allowed amounted to Rs. 8, 400 and with reference to section 84(1) of the Railways Service Rules, 1955, it is obvious that no money need to made as that amount

3. In accordance with Rule 3 under District 2946 (b), the attention of Government is respectfully directed to article 516 of the Regulations.

I Attention is drawn to No. 20 of the
printed Memo. of Instructions from this office regarding

up to 8th instant, has now applied for further leave on loss of pay for a year, & having been offered the appointment of a 4th Class Inspector of Police in the Cuddalore District on probation, I have the honor to recommend the grant of six months leave, and to request that the Board will be pleased to obtain the sanction of Government to the same, pending which I have permitted Ramachandrarao to take up the appointment.

object to the system of allowing men long
terms of so called "leave" without pay, to
enable them in fact, to do duty in

the work, or how their men employers are
satisfied with them, the result being seriously
to disorganize establishments in which
the system is allowed free play.
3. The Government desire that the Board
of Revenue will issue instructions that
leave is not to be given or sought on
such pretences, but that men may be allow-
ed to act in posts of higher pay for
temporary.

their substantive posts; or on probation for
terms of not more than three months in their
departments in which permanent vacan-
cies had to be filled, at the end of which
period, if not confirmed in their new
posts, they will revert to their substantive
employment.
4. The application for the services of
the individuals will be made by the
heads of the offices or departments in
which it is desired to employ them, or
list their qualifications to their respective
immediate superiors, and will not
be received by the latter from the
