3rd grade Head Constable 707 Memsami nader

This Head Constable heard on the 5th December of injuries received by HOS through the explosion of gunpowder he had illicitly manufactured. He ^{reported} briefly the injury sustained by the Constable but made no inquiry into the matter and when called on for a report, and to report to Magistrate, said he had forgotten the source of his information and had made no entry in his note book.

He has intentionally suppressed information which might lead to the Constable's prosecution, as it can not be believed for an instant that he forgot how he received the information, or that he did not see the remains of the explosion when he went to the Constable's hut. He was warned for reduction under P.O.
