Thro the Executive Engineer Tanjore Dn & thro' proper channels

Respected Sir

I beg to submit my petition case for the orders of Government with a hope that a kind consideration may be given to it.

2 That I have rendered a faithful service of 17 years, 9 months and 20 days in the P.W.D & discharged my duties satisfactorily

3. That I was appointed to the last post of Superintendent leaving Vennar Regulators on the 1st October 1886 in which I continued to discharge my duties satisfactorily till 10th February 1899. on which date I was declared by the District Surgeon Tanjore as unfit for further service owing to diabetes.

4. That I partly owing to urgent private affairs & partly to ill-health applied in May 1898 for privilege leave for 2 months & odd which was admissible to me. The Executive Engineer refused to grant it as I had been taking privilege leave in two

9
7
307

preceding years & ordered me to put in a Medical certificate if I wanted the leave at all. I asked him in person who happened to be at the Grand Anicut if the medical certificate would be necessary to grant me furlough which was admissible to me; he told me it would be good thing for him to grant the leave if the certificate is produced & subsequently ordered me to appear before the District Surgeon Tanjore for examination Accordingly in June 1898, I appeared before him who after necessary examination recommended me for six months leave which I availed myself of from 20th July 1898

5 Just before the expiry of my leave & in a report made by me to the Executive Engineer about some reference, I was informed that I should produce a medical certificate declaring me fit for duty before I could be allowed to resume charge

6. I appeared accordingly before the District Surgeon Tanjore again on the 16th January 1899 & asked him for extension of leave which on reconsideration, I thought I should have. He examined my urine & sent me away without telling me anything. On the 20th February 1899 when I went to Division office to know about my leave, I was to my surprise & misfortune informed that the District Surgeon has instead of recommending extension of leave sent a medical certificate dated 10th February 1899 pronouncing me unfit for further service for reasons that I was weak on account of diabetes & unfit to do the work of Superintendent Grand Anicut which necessitates exposure to wet cold & wind

7. It is true I was ~~sick~~ weak on that date of re-examination, but that weakness was mostly due to the strong fever, I suffered from for about 20 days in December 1898 just before my return to duty. The S. G. of my urine which was 1030 degrees in June 1898 (Vide medical certificate) & 1034 in January 99 was only 1015 on the 28th February 99 when I got it tested in Karuntatangudy Municipal dispensary. This shews that the rise in the S. G. from 1030 to 1034 degrees was due to the attack of fever I had in December 1898.

8. From the above, I beg to submit the diabetes I have been suffering is subject to being cured if rest is given; according to the rule furlough for one year is due to me & I therefore request that Government be pleased to direct me as per civil Service regulations article 486 (a) to appear another medical officer or before the Medical Board at Madras
