Mr. Bowie was recommended to me, in the strongest terms, for employment in this office by the late Col. Carpendale R.E. Secy. to Govt. He is very diligent and accurate in his work, methodical in his habits, and of unexceptionable private character — During Mr. A. H. Hart's recent absence on privilege leave, Mr. Bowie had charge of the Book and other Depts:, and gave me the highest satisfaction — Mr. Bowie is worthy of a much better position than he now holds, and I feel sure that, if Mr. Hart receives the advancement to the higher grades of which he is eminently deserving, no more suitable successor to Mr. Hart can be [redacted]

Copy of letter from H. F. Clogstoun Esqr. Accountant-General to the Government of Madras, to the Examiner of Public Works Accounts, Madras, No $\frac{I.A.E}{389}$ dated 15th December 1882.

In returning herewith the Service Book of Mr J. W. Bowie, received with your letter No 290 P dated the 8th December 1882, I have the honor to state that his services from 1st October 55 to October 1868 as detailed in the Service Book have been verified partly from the Annual returns and partly from the Audit Registers on record in this office and found to be correct, with the exception of the period of Service for 1862 in the Annual return of which year neither the List of Establishment of the Stamping Department nor the applicant's name in the Mint Office Establishment List is traceable. But the Service may be admitted, as it is borne out by the Audit Register of that year.

The whole of Mr Bowie's

Service

Service was rendered in Grades eligible for pension. He does not appear to have enjoyed leave of absence of any kind affecting his service for pension.

The object of the present reference is not understood. If a detailed verification of service be considered necessary I would suggest that a reference be made to Government with whom the records of the late Mint office are lodged.
