Certificate and report from the Accountant-General, dated 29-3-1899, No. A.D.J./529

ORDER THEREON, 1st May 1899 No. 249.

Under articles 465 & 518 (b) of the Civil Service Regulations (3rd Edition), His Excellency the Governor in Council is pleased to grant to Kombebail Padmanabhaya, late Stock Inspector, Civil Veterinary Department, a compenst. pension of Rupees (15-3-2) Fifteen, annas three & pies two per payable at Mangalore from 2nd February 1897 in consideration of his qualifying Supr. service of 11 years, " months and 4 days.

2. It is observed that no explanat. appears or is offered for the delay between Feby 1897 & July 1898 in the submission of this application.

Character - Good.

Please see para. 2 of the Acct. Genl's report. The Acct. Genl. has decided that no recovery be made on account of the leave allowances irregularly drawn by the applicant in 1885 and 1886.

The applicant was thrown out of employ on reduction of establishment on the 1st Feby. 1897, but his pension papers were received by Govt. on the 30th March 1899, or over two years afterwards. In his letter d/7 Feby 1898 B the applicant complained to the Board that "while all his brother Inspectors, whose services were dispensed with, got their pensions several months ago, his case was still left unsettled though a full year had passed". The Board then asked him to submit his application through the Supdt. Civil Veterinary Dept. This application was received in July 1898, and the delay from July to Decr. 1898 is ascribed by the Board to further information having had to be obtained from the Acct. Genl. and the Collector.

3. Of 13 Stock Inspectors, 6 have already been served with notice of discharge and have presumably been relieved and it is proposed to retain the remaining 7 in employment chiefly in connection with the Bacteriological survey. The Inspector-General of the Civil Veterinary Department and the Board of Revenue, however, recommend the retention of the officers who have received notice in order that they may be placed in charge of Veterinary dispensaries to be started at selected places. The question has been carefully reconsidered and the Government has come to the conclusion that, apart from the feasibility of establishing such dispensaries

applicant in the present case is one of them

a measure which is in any case for the present inexpedient for financial reasons, it would be undesirable to place them in charge of Stock Inspectors who have been pronounced to be unfit for the post of Senior Veterinary assistant; and whose inferiority might prejudice the success of an experiment in that direction. As the Inspector General and the Board are agreed that not more than 7 inspectors are really required for the Bacteriological party and the other Veterinary work now requiring attention, it follows that there is no sufficient reason for the reinstatement in the public service of the 6 Inspectors whose services have been dispensed with and the Notice of discharge which they have received cannot therefore be withdrawn.

Resolution No. 6239 Mis. d 22-10-98

The pension application of Kombrebail Padmanabhaya, late Stock Inspector, Civil Veterinary Department, received with the letter read above will be returned to the Superintendent, Civil Veterinary Department for revision with reference to the following remarks:—

1 The house or country name of the applicant's father should have been specified in full in the Service Register and in the pension application (Vide rule 30 in Board's Proceedings No 7 dated 5th January 1897). The father's name is spelt as 'K. Vasudeva Iyah' in the Service Register, whereas it is spelt as 'K. Vasudevayya' in the pension application

2 In the statement of average emoluments, the period of service from 6th January 92 to 7th June 95 is stated to be 3 years 5 months and 3 days, whereas it is only 3 years 5 months and 2 days.

3 Both in the Service Register and in the pension application, the date of the applicant's birth is entered as 1859. Under G. O. No 1013 Pension dated 26th October 96 communicated in Board's Proceedings No 6249 Mis dated 7th December 96, the date of birth should have been shown as 1st July 1859.

4 Item 18 of the pension application has been left blank

Return in the copy of G.O. 237, Press, dated
26th April 97 furnished by the Superin-
tendent along with the pension
application the expression 'disposed with'
is a mistake for 'dispensed with'.

6 The grant of privilege leave to the
applicant on two occasions Viz for
one month and 14 days from 21st May
85 to 4th July 85 and for 45 days
from 1st July 86 to 14th August 86 was
irregular, the former because he was not
eligible for it under article 291,
Civil Service Regulations, as had only
10 months and 5 days' service counting
towards leave and the latter because
the leave granted was in excess
of what was admissible. The Superin-
tendent will explain the irregularity
and report the name of the officer res-
ponsible therefor and the amount of
allowances

allowances overdrawn (Vide rule
20 in Board's Proceedings No 7 of 1897).

7 In page 2 of the Service Register
the entry 19th July 86 has been scored out
but the alteration has not been ini-
tialled.

8 The applicant's service as Stock
Inspector is shown to have ended on
1st February 97, and no explanation
is given as to why the submission of his
pension application has been delayed
for one year and eight months (Vide
rule 11 in Board's Proceedings No 7/1897)

9. The applicant's finger prints
should have been recorded in the pen-
sion application (Vide rule 2 in
Appendix A to G.O. 918 Pension dated
4th December 97, communicated in
Board's Proceedings 79, Press, dated
14th

Returned in

Read again also the following Board's Proceedings No 7260, Mis, dated 19th December 1898:—

Read the following letter from Veterinary Lieutenant W.B. Edwards, Superintendent, Civil Veterinary Department Madras, No 1019, dated 3rd December 1898.

I have the honor to submit the pension application of K. Padmanabhayya revised in reference to particulars to which attention has been drawn in Board's Proceedings 6239 Mis. dated 22d October 1898.

As regards paragraph 6 of the said Proceedings, it will be observed, that the order requiring to omit, the period of the Inspector's training, from service qualifying for pension and leave was passed in 1888 (Vide true copy of the order attached) and the leave on the two occasions was before the date of the order.

Further it would appear that the leave was sanctioned by the Board.

A statement explaining the delay in submitting the pension application is herewith attached.

Resolution No. 72 [illegible] of 17-12-98

The papers relating to the pension application of M. R. Ry K. Padmanabhayya, late Stock Inspector, Civil Veterinary Department, received with the letter read above, will be again returned to the Superintendent, Civil Veterinary Department, ~~Civil Veterinary Department~~ for revision with reference to the following remarks.

2. In the opening page of the pension application the 'length of service including interruptions' is stated to be 13 years 7 months and 16 days, whereas in the 3rd page, it is shown as 13 years 7 months and 15 days. The latter entry seems to be incorrect, as the period of Service from 21st December 95 to 1st February 97 (both inclusive) is there taken as 1 year 1 month and 11 days instead of 1 year 1 month and 12 days

3

3. Again, in the opening page of the Pension application, the average emoluments and proposed pension are shown as Rs 82-14-1, and Rs 15-3-1, respectively, whereas in the revised statement of average emoluments now submitted, they are shown as Rs 82-14-8 and Rs 15-3-3 respectively.

4. In the revised statement of average emoluments, the entry Rs 82-14-8 is incorrect. It should be altered into Rs 82-14-9.

5. In the pension application and in the Service Register, the applicant is shown to have been on privilege leave for one month and fourteen days from 21st May 85 to 4th July 85, whereas it does not appear that more than 6 weeks leave was granted to him (Vide letter from the Inspector of Cattle Diseases No 796 B dated 15th May 1885) the discrepancy

should be explained and the amount overdrawn by the applicant for the period during which he overstayed the leave granted, if any, should be stated.

6. In the Service Register and in the Pension application, as originally submitted by the Superintendent, the date of the applicant's birth was entered as simply '1859'. It has now been altered into '2nd November 1859'. The alteration was irregular, as it should not have been made without the sanction of Government. The date of birth should, under the circumstances, be treated as '1st July 1859' on the authority of G. O. No 1013 Pension dated 26th October 96, communicated in Board's Proceedings No 6249 Mis, dated 7th December 96.

7. The transmission of the Service Register to the applicant, for the correction of entries therein, as stated in the paper of explanation for delay was irregular (Vide articles 67 of the Civil Account Code and 881 of the Civil Service Regulations) The Superintendent might have sent the Service Register to the Collector of South Canara, as he did the pension application, in order to get the necessary corrections made.

~~And~~ read also the following letter from Veterinary Lieutenant W. B. Edwards, Superintendent, Civil Veterinary Department, Madras, No 121, dated 27th January 1899:—

With reference to Board's Proceedings No 7260 Mis, dated 17th December 1898, I have the honor to return herewith the pension application of K. Padmanabhayya with other papers connected with it and state that the errors pointed out in paragraphs 2, 3 and 4 have been duly corrected and attested.

As regards paragraph 5, I beg to submit that it is not clear how the leave was extended; however, as the applicant is observed to have been eligible for two months privilege leave at that time, I recommend that the period of overstay may be treated as privilege leave.

Again as to paragraph 6 I have the honor to state that the exact date of birth was not entered in the Service Register before, but only the year was mentioned and when subsequently a reference was made to the applicant to give the exact date of his birth or assume 1st July, he ~~stated~~ informed this office that 2nd November was the exact date of his birth. Thus it will be seen

that

that no alterations have been made as at first there existed no entry at all and the proper date having been ascertained was entered in lieu of 1st July.

The instructions conveyed in paragraph 7 have been noted for future guidance.

Resolution, No. 849 Mis of 8.2.99.

The papers read above relating to the pension application of K. Padmanabhayya, late Stock Inspector, Civil Veterinary Department, will be submitted to Government thro' the Accountant General.

2. The grant of privilege leave to the applicant on two occasions, viz. for one month and fourteen days from 21st May 85 to 4th July 85 and for 45 days from 1st July 86 to 14th August 86, was irregular as he was in neither

case eligible for the leave. The head of his office seems to have granted the leave under the impression that the applicant's probationary period would count as service qualifying for leave, but it has since been decided by Government in G.O. No 2359 dated 21st April 88 that such period should not count. The grant of the leave was however prior to this order and the Board recommends that the irregularity may be excused as the leave seems to have been granted in good faith.

Accountant-General's Office,

From

THE ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To

THE Secretary to the Commissioner
of Revenue Settlement & Director of the
Dept of Land Records & Agriculture,
Madras.

SIR,

I have the honour to inform you that the application for pension ~~gratuity~~ of K. Padmanabhaya, late Stock Inspector, Civil Veterinary Department. is being delayed for want of the information noted below. Where possible your answer should be written opposite to each point to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,
Your most obedient Servant,
Muller
Asst: Accountt: General
~~Chief Superintendent.~~

I Attention is drawn to No. 45 of the printed Memo. of Instructions from this office.	The Necessary entry has been made.
II. With reference to the concluding sentence of para 3 in the copy of G.O. No 237 Press dated 6th April 1897 enclosed, information is requested as to the No and date of the Govt. order under which the notice of discharge was served on the Stock Inspector. A true copy of the order sanctioning the abolition of his appointment should be furnished as the one above quoted bears a date subsequent to that of the applicant's retirement viz	True-copy of G. O. No 3891 Mis. Rev. dated 29th September 1896 is here with attached.

viz, 1st February 1897.

III. The verification certificate recorded in the Service Book should be brought up to the date of the applicant's retirement.		Carried out.
IV. The amount of leave allowances irregularly drawn by him during the marginally noted periods of privilege leave should be definitely stated.	21-5-85 to 4-7-85 1-7-86 to 14-8-86.	From 21st May to 4th July 85 at Rs 50/- per mensem. Rs 74„3„1. In the second case the irregularity only concerned the days from 3rd August 86 to 14th August 86. for which period he drew Rs 29„0„6 at Rs 75 per month.
V. It should be explained why the applicant's name was not shewn in the annual return for 1887 either for the Kurnool or the North Arcot Civil Veterinary Establishment.		No copy of the return referred to is ~~not~~ available in the office. From correspondence on record it appears that he was temporarily doing duty in Kurnool & was ordered to return to North Arcot in July 1887.
VI. In the annual return for 1890 the applicant is shewn to have been doing duty in the North Arcot District instead of in the South Canara District as will appear from the 2nd page of the application. The discrepancy should be explained.		The Inspector was at the time posted to North Arcot, but till 6th April 1890 he was temporarily on duty in South Canara.

× In these circumstances and in view of the fact that the annual report goes to show that several of these officers turn out a quantity of work which is incommensurate with their pay, the Government considers that the Board should no longer delay giving the usual three months' notice of discharge to those among them who are unfit for employment as Veterinary Inspecting officers and cannot be suitably provided for otherwise. × × ×

Proceedings of the Board of Revenue

Dated 23rd February 1898.

No. 1291 Mis.

READ — the following application from M.R.Ry K. Padmanabhaiya, Late Stock Inspector, Mangalore, dated 7th February 98.

In December 1896 when B.P. No 27 of 96 giving notice that our services will be dispensed with was communicated, I made an appeal showing all my grievances, and on which an order was passed that my pension will be considered in due course.

2. Again in February 1897 I appealed against the order passed about the stoppage of 27 days' pay in November 1895 while on duty at Subramania, for which also I received no reply till now.

3. I regret very much to bring to the kind notice of the Board that while all my brother Inspectors, whose services were dispensed with, got their pension several months ago, my case is still left unsettled though a full year has passed.

4. I therefor humbly request that an early order may be passed about my two applications named above

Resolution

With reference to para 2 of his letter K. Padmanabhaya is informed that the Board, in its Proceedings 3034 Mis dated 30th April 1897, declined to reconsider its former order, a copy of which Proceeding was sent to him.

2. As regards para 3, he is directed to submit his application for pension through the Superintendent Civil Veterinary Department.
