PENSION DEPARTMENT.

Read—the following paper :—

No. A.D.J./40.

Certificate and Report.

Submitted to Government.

In 1862 the applicant commenced service as headmaster of the Government taluk school at Dhárápuram and was afterwards transferred on promotion to Pollachi. In April 1883 the school with the staff was transferred to the Local Fund Board, Coimbatore, and under article 849 (2) of the Civil Service Regulations the applicant still continued to count service for pension from Government revenues. On the 22nd March 1886 he was made an inspecting schoolmaster. This is a Local Fund appointment unconnected with the school, and is non-pensionable in the case of officers who entered the Local Fund service after the 20th May 1881. The Director of Public Instruction holds that article 849 (2) still applied to the applicant in his new appointment, but this view does not seem to be correct.

If the service was to count for pension, applicant's appointment as inspecting schoolmaster from 22nd March 1886 should have been treated as a transfer to foreign service of the second kind for which contribution for pension should have been paid as required by 84 (*a*) of the Local Fund rules embodied in G.O., No. 1874 L., dated 7th August 1891. As this was not done, however, the period has to be regarded as non-qualifying, and this period being rejected the whole of the pensionable service amounts to only 22 years, and as he has not reached the age of 55 he is entitled to no pension.

The delay in the submission of this application is explained by the President in paragraph 4 of the letter quoted above.

NOTES CONNECTED WITH G.O., No. 252, PENSION, DATED 3rd MAY 1899.

[Subject.—*Pension application of C. V. Ramachandra Aiyar, late Inspecting Schoolmaster, Coimbatore District.*]

Local and Municipal Department.

For the Secretary—

In this case one Ramachandra Aiyar was employed as headmaster of the Government Middle school at Pollachi at the time of its transfer to the Local Fund Board of Coimbatore on the 1st April 1883. He was subsequently employed as headmaster of the Local Fund Middle school at Pollachi and as second master of the Normal school at Coimbatore up to 21st March 1886, when he was appointed as an inspecting schoolmaster in the Coimbatore taluk. From this place he retired on the 4th November 1897.

2. The Accountant-General holds that under clause 2 of article 849 of the Civil Service Regulations, Ramachandra Aiyar can count towards pension from Provincial revenues the period of service rendered by him as a schoolmaster, although he drew his pay from Local Funds, but that his service as inspecting schoolmaster, which does not appertain to the regular school staff, cannot be admitted as pensionable under that authority. The Accountant-General is therefore of opinion that from the date of his transfer to the appointment of inspecting schoolmaster, Ramachandra Aiyar should be regarded as an officer transferred from a pensionable to a non-pensionable appointment and should be required to pay to Government contribution on account of pension in respect of the service rendered therein and that not having paid any such contribution, his service from 22nd March 1886 cannot be recognised as pensionable.

3. The Director of Public Instruction, however, says that teachers originally employed in a Government school and subsequently transferred with it to local bodies carry with them their pensionary rights to all the schools to which they may be transferred whether under Local Boards or Municipalities—*vide* (*a*) letter No. 3560, dated 20th November 1888, from the Accountant-General recorded in G.O., No. 238 L., dated 25th January 1889; (*b*) paragraph 2 of G.O., No. 1472, Pension, dated 7th December 1889, printed in G.O., No. 19 L., dated 8th January 1890; and (*c*) No. 83 (*b*) of the Local Fund rules in G.O., No. 1874 L., dated 7th August 1891. Dr. Duncan adds that as the office of inspecting schoolmaster is pensionable under No. 80 of the rules issued in the last of the Government Orders quoted above, Ramachandra Aiyar, who continuously served the Board in some appointment under its control, seems eligible for the concession granted in article 849 (2) of the Civil Service Regulations. The Pension department has referred the papers to this department for remarks. The Director's view is supported by G.O., No. 2988 L., dated 27th November 1891, in which it has been held that servants of Local Boards holding one or other of the appointments named in No. 80 of the Local Fund Rules and appointed before the 20th May 1881, will on subsequent promotion to any higher appointment referred to in that rule not lose their claims to pension, provided that they continue to be paid from

In this case the teacher served continuously as a teacher in Municipal or Local Fund schools.

the same funds. It is therefore submitted that the papers may be returned to the Pension department with the remark that the Director's opinion, which is supported by G.O., No. 2988 L., dated 27th November 1891, is concurred in.

Secretary—

The Accountant-General seems, it is submitted, to be right. The man was a teacher in a Government school till April 1883 when the school with its staff was transferred to the Local Board. Under article 849 (2) of the Civil Service Regulations he is to be held to be still rendering service qualifying for pension. But in 1886 he accepted the appointment of inspecting schoolmaster. Rule 80 of the rules in G.O., No. 1874 L., dated 7th August 1891, declares the exception to the general rule that service under a Local Fund is not pensionable. The rule is thus explained in the Government Order, clause 3, paragraph 1:—

> "The object of rule 80 was to secure the rights of those who had been led to expect a pension for Local Fund service under the old rules. Since the date mentioned therein, viz., 20th May 1881, it has always been clearly laid down that such service is not pensionable, and consequently any person who accepts promotion in such service is or ought to be perfectly well aware that he is thereby engaging to perform the duties of a post the incumbents of which are not entitled to pension."

Now, as the applicant did not enter Local Fund service before 20th May 1881, he is not entitled to the benefit of rule 80. Therefore by accepting the non-pensionable post of inspecting schoolmaster in 1886 he seems to have forfeited the claim to pension he undoubtedly had when he entered Local Fund service as having previously been in Government service.

The case quoted in the Local and Municipal note above does not seem to support the Director of Public Instruction's view, for in that case the man was *in* Local Fund service on 20th May 1881.

Under Secretary—

Please speak about this on Monday.

G. S. Forbes.
2-7-98.

Secretary—

This file has been mislaid, it is regretted, in a somewhat inexplicable manner.

* * * * *

I have gone through the papers again. The case may be more clearly put as follows:—

Under rule 80 of the Local Fund Rules in G.O., No. 1874 L., dated 7th August 1891, certain classes of Local Fund servants who entered Local Fund service *prior to the 20th May 1881* are declared to be entitled to pension. Under G.O., No. 2988, L. & M., dated 27th November 1891, it was ruled that a servant of this class *appointed before 20th May 1881* retained his pensionary privileges *if subsequently promoted to an appointment of any of the classes named in Rule 80.*

Now the applicant in this case was transferred with his school to Local Fund service in *1883*. So, I submit, he cannot claim the benefit of rules meant specially and solely for those who entered Local Fund service before 20th May 1881. But under the special rules sanctioned by the Government of India and contained in Article 849 of the Civil Service Regulations "teachers then" (*i.e.*, August 1882) "employed in Government schools which might hereafter be transferred to local bodies should be held to be *still rendering* service qualifying for pension".

Article 849 (2) of the Civil Service Regulations.

The applicant therefore by the transfer to Local Fund service in 1883 did not cease to render pensionable service so long as he continued to be a teacher. But in 1886 he accepted promotion as an inspecting schoolmaster—an appointment in the Local Fund service unconnected with his school and non-pensionable. His subsequent service from 1886 (22nd March) cannot, it is submitted, be treated as qualifying for pension. His service up to 22nd March 1886 amounts to 22 years only (*vide* Accountant-General's certificate) and does not entitle him to any pension.

Vide Accountant-General's certificate.

In these circumstances the Accountant-General seems, I submit, to be right in holding that no pension is admissible.

The Director of Public Instruction seeks to give the applicant the benefit of the concession allowed by article 80 of the Local Fund Rules to Local Fund servants appointed *before* 20th May 1881 (into which category the applicant does not come) as well as that allowed by article 849 of the Civil Service Regulations to teachers transferred with their schools. This seems clearly inadmissible.

Most Respected Sir,

I C. V. Ramachandra Iyya retired Inspecting-School-Master of Palladam Taluq Coimbatore District, beg to bring with humble submission and respect, the following few lines to your honor's favourable consideration and recommendation on the review petition submitted herewith.

Send 1/11

Although the rule that Inspecting-School-Masters employed after 20th May 1881 might have been in force at the time of transfer in March 1886, there have been at the same time or before 1891, several concessions shown in the Local Fund Rules then in force that in case of person having long service in Government, the Local Government may as a special case sanction the grant of pension ~~This rule has even without~~ even without contribution. This rule has been entirely ignored by the Accountant-General and the rule wherein all concessio were deprived and revised and embodied in G. O. No. 1874. L. dated 7th August 1891 some years after, have been quoted in the Accountant-General's recommendation on my application for pension. His Excellancy may see how much injustice has been done

in my case.

2. There is a rule that arrears of contribution cannot be received; cannot this rule be transgressed as a special case and order made to pay the necessary contribution in arrears in consideration of the petitioners 22 years Government Service.

3. As long as I applied for a retiring pension, after a service of 35 years, how the thought of age or medical certificate could have entered into my head. Under article 991c. of the Civil Service regulations there is a provision made to submit Medical certificate subsequently if it had not been submitted already along with the original application. Cannot this concession be shown to the petitioner and order made to produce the required Medical certificate.

4. The petitioner was really afraid whether I could put forth these requests in the Review application submitted and left them to be considered by my superiors or the Government themselves

The petitioner most respectfully begs to request your honors will be pleased to have full sympathy on ~~me~~ the petitioner (an unfortunate being) and strongly support him with your honor's ~~favourable~~ favourable recommendation to Government.

SIR,

In returning herewith the Pension application of C. V. Ramachandra Aiya, late Inspecting schoolmaster of Palladam Taluk, and the connected papers received with your Endorsement 2614 of the 10th Instant, I have the honour to invite attention to the service history detailed on the 2nd page of the application from which it will be seen that up to 31st March 1883, the applicant was employed in a Government school, which was afterwards transferred with the staff to the Local Fund Board. Under clause 2 of article 849 of the Civil Service Regulations, he can count towards

pension

pension from Provincial Revenues, the period of service rendered in the appointment of a Schoolmaster, although he drew his pay from Local Funds. But the service rendered in the appointment of Inspecting Schoolmaster, which appertains to the Inspecting staff and not to the regular school staff of the Educational Department, cannot be admitted as pensionable under that authority. From the date of his transfer to that appointment, the applicant should be regarded as an officer transferred from a pensionable to a non-pensionable appointment and should be required to pay to Government contribution on account of pension in respect of service rendered therein. Not having paid any such contribution, his service from 22nd March 1886 cannot be recognized as pensionable. In the circumstances, I beg to enquire whether you are still of opinion that the applicant is eligible for the concession granted in article 849 of the Civil Service Regulations. If you agree with me that he is not entitled to the concession, he would become disqualified for a retiring pension, for which he has been recommended by the President District Board, Coimbatore.

The

The favour of an early reply is solicited as the case has been pending disposal in this office for some time.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government.

In 1862 the applicant commenced service as Head Master of the Government Taluk school at Dharapuram and was afterwards transferred on promotion to Pollachi. In april 1883, the school with the staff was transferred to the Local Fund Board, Coimbatore, and under article 849 (2) of the Civil Service Regulations the applicant still continued to count service for pension from Government Revenues. On the 22nd March 1886, he was made an Inspecting school Master. This is a Local Fund appointment unconnected with the school, and is non-pensionable in the case of officers who entered the Local Fund Service after the 20th May 1881. The Director of Public Instruction holds that article 849 (2) still applied to the applicant, in his new appointment but this view does not seem to be correct.

If the service was to count for pension, applicant's appointment as Inspecting school Master from 22nd March 1886 should have been treated as a transfer to Foreign service of the 2nd Kind for which contribution for pension should have been paid as required by 84 (a) of the Local Funds rules embodied in G. O. No. 1874 L. d/ 7th August 1891. As this was not done however, the period has to be regarded as non qualifying, and this period being rejected, the whole of the pensionable service amounts to only 22 years and as he has not reached the age of 55 he is entitled to no pension.

The delay in the submission of this application is explained by the President in para 4 of the letter quoted above.

SUBJECT.

Pension Application of C.V. Rama Chandra Aiyar, late Inspecting School Master— Coimbatore District.

FOR ORDERS.

In this case, one Ramachandra Aiyar was employed as Head master of the Government Middle school at Pollachi at the time of its transfer to the Local Fund Board of Coimbatore on the 1st April 1883. He was subsequently employed as Head master of the Local Fund Middle school at Pollachi and as second master of the Normal School at Coimbatore up to 21st March 1886, when he was appointed as an Inspecting School master in the Coimbatore Taluk. From this place he retired from the ~~forenoon of the~~ 4th November 1897.

2. The Accountant-General holds that under clause 2 of Article 849 of the Civil Service Regulations, Ramachandra Aiyar

Aiyar can count towards pension from Provincial Revenues the period of service rendered by him as a school master, although he drew his pay from Local Funds, but that his service as Inspecting Schoolmaster, which does not appertain to the regular school staff, cannot be admitted as pensionable under that authority. The Accountant-General is therefore of opinion that from the date of his transfer to the appointment of Inspecting Schoolmaster, Ramachandra Aiyar should be regarded as an officer transferred from a pensionable to a non-pensionable appointment and should be required to pay to Government contribution on account of pension in respect of the service rendered therein and that not having paid any such contribution, his service from 22nd March 1886 cannot be recognised as pensionable.

3. The Director of Public Instruction, however, says that teachers originally employed in a Government school and subsequently transferred

transferred with it to local bodies carry with them their pensionary rights to all the schools to which they may be transferred, whether under Local Boards or Municipalities - vide (a) letter No. 3560 dated 20th November 1888 from the Accountant-General recorded in G.O. No. 238 L., dated 25th January 1889; (b) para. 2 of G.O. No. 1472 Pension, dated 7th December 1889 printed in G.O. No. 19 L., dated 8th January 1890, and (c) No. 83 (6) of the Local Fund rules in G.O. No. 1874 L., dated 7th August 1891. Dr. Duncan adds that as the office of Inspecting school master is pensionable under No. 80 of the rules issued in the last of the G.O's quoted above, Ramachandra Aiyar who continuously served the Board in some appointment under its control seems eligible for the concession granted in Article 849 (2) of the Civil Service Regulations. The Pension Department has referred the papers to this Department for remarks. The Director's view is supported by G.O. No. 2988 L., dated 27th November 1891, in which it has been held that servants of Local Boards holding one or other of the appointments named in No. 80 of the Local Fund Rules and appointed before the 20th May 1881, will on subsequent promotion to any higher appointment referred to in that Rule, not lose their claims to pension, provided that they continue to be paid from the same funds. It is therefore submitted that the papers may be returned to the Pension Department with the remark that the Director's opinion, which is supported by G.O. No. 2988 L., dated 27th November 1891, is concurred in.

Secy

The Acct Genl seems, it is submitted to be right. The man was a teacher in a Govt School till April 1883 when the school with its staff was transferred to the Local Board. Under Art 849(2) of the C.S.R he is to be held

to be still rendering service qualifying for pension. But in 1886 he accepted the appt of Inspecting Schoolmaster. Rule 80 of the Rules in G.O. No 1874 L. d. 7 Augt 91 declares the exception to the general rule that service under a Local Fund is not pensionable. The rule is thus explained in the G.O. cl 3 para 1

R.

"The object of Rule 80
" was to secure the rights of those
" who had been led to expect
" a pension for Local Fund
" service under the old Rules.
" Since the date mentioned
" therein viz. 20 May 1881 it
" has always been clearly
" laid down that such
" service is not pensionable,
" and consequently any
" person who accepts promotion
" in such service, is or ought to
" be perfectly well aware that
" he is thereby engaging to
" perform the duties of a post, the

"incumbents of which are not
"entitled to pension".

Now, as the applicant did not enter L. F. service before 20th May 1881 he is not entitled to the benefit of ~~that~~ Rule 80. Therefore by accepting the non pensionable post of Mofussil school master in 1886 he seems to have forfeited the claim to pension he undoubtedly had when he entered L.F. service as having previously been in Govt service.

The case quoted in the L&M note above ~~rather~~ does not seem to support this the D.P.I's view ~~than otherwise~~. For in that case the man was in L.F. service on 20th May 1881

This file has been mislaid it is regretted in a somewhat inexplicable manner.

It was sent u.o. to the L&M Dept in May last; on its return in June last I noted on it apparently in the tappal before it passed thro' the office. It was then submitted to the Secy at Ooty & the Secy then wrote his note of 2.7.98 on the preceding page. The file then seems to have disappeared.

The current was shown against the L&M Dept in the Pension arrear list for some time but enquiries being made & the details of the case being ascertained, I remembered it had come back & that I had noted on it. This was just before we went down to Madras.

Search was made for

the file in Madras but it couldn't be found & it was concluded that it had been left behind at Ooty. (It was not with the Secy) When clearing out my room at Madras however I found the file together with a bundle of spare copies (used for cutting up) & other miscellaneous papers (not current). Apparently it had got mixed up with these in packing from Ooty last year.

But what I don't understand & cannot make out is where the file was between July & October last

The pension Dept is wholly in Madras & therefore no clerk at Ooty had any ~~[illegible]~~ business with the file. All deny having seen it.

~~Moreover~~ I have gone through the pp again. The case may be more clearly

put as follows.

Under Rule 80 of the L. Fund Rules in
R G.O. 1874 L & 7 August 91 certain classes of L. Fund servants who entered L. Fund service prior to the 20th May 1881 are declared to be entitled to pension.
S Under G.O. 2988 L & M & 27 Nov 91 it was ruled that a servant of this class appd before 20th May 1881 retained his pensionary privileges if subsequently promoted to an appt of any of the classes named in Rule 80.

Now the applicant in this case was transferred with his school to L.F. service in 1883 So, I submit, he cannot claim the benefit of rules meant specially & solely for those who entered L.F. service before 20th May '81

But under the special rules sanctioned by the Govt of India, & contained in Art 849 of the C.S.R. "teachers then" (18 Augt 1882) "employed in Govt schools "which might hereafter "be transferred to local "bodies should be held "to be still rendering "service qualifying for "pension".

Art 849 (2) of the C.S.R.

The applicant therefore by his transfer to L.F. service in 1883 did not ~~[illegible]~~ cease to render pensionable service ~~tile~~ so long as he continued to be a teacher. But in 1886 he accepted promotion as an Inspecting Schoolmaster - an appt in the L.F. service unconnected with his school & nonpensionable. His subsequent service commencing from 1886 (22 March) cannot it is submitted be treated as qualifying for pension. His service

Vide A.G.s certificate

up to 22 March 1886 amounts to 22 years only (Vide A.G.s certificate) & does not entitle him to any pension.

In these circumstances the Acct Genl seems, I submit to be right in holding that no pension is admissible.

The Director of Public Instruction seeks to give the applicant the benefit of the concession allowed by Art 80 of the L.F. Rules to L.F. servants appd before 20th May 1881 (into which category the applicant does not come) as well as that allowed by Art 849 of the C.S.R. to teachers transferred with their schools. This seems clearly inadmissible.
