Official Memorandum to the Surgeon-General, dated 15th March 1899, No. 22.

From the Surgeon-General with the Government of Madras, dated 29th March 1899, No. T. 8/52.

Order—No. 253, Pension, dated 3rd May 1899.

The applicant has been incapacitated for further service in consequence of *double hydrocele*, and the medical authorities are of opinion that the disease can be radically cured by a surgical operation, but this the applicant has refused to submit to. In the circumstances, the Government declines to admit him to any retiring allowance, and the application is accordingly rejected.

NOTES CONNECTED WITH G.O., No. 253, PENSION, DATED 3rd MAY 1899.

From the Inspector-General of Police, dated 2nd February 1899, No. 339-P.R.

From the Accountant-General, dated 3rd March 1899, No. 664/I.A.E.

The applicant is incapacitated for duty by a disease (double hydrocele) which, in the opinion of the invaliding surgeon, could be radically cured by a surgical operation, but this the applicant refuses to submit to, although the Inspector-General of Police pointed out to him that he would not be eligible for pension in case he refused to undergo an operation. The Accountant-General reports that under the circumstances no pension is admissible under the rules, and that the case is similar to that disposed of in G.O., No. 932, dated 21st September 1891. The case disposed of in G.O., No. 347, dated 30th April 1884, seems also in point. Orders are solicited as to whether the pension in the present case should also be refused.

K. Srikanta Iyer.
7–3–99.

Secretary—

There seems no other alternative.

N. E. Marjoribanks.
9–3–99.

Ask the Surgeon-General whether he endorses the opinion of the District Medical Officer that double hydrocele can be radically cured by operation, and that if the patient submitted to the operation he would be radically cured and so capable of continuing in Government service.

G. S. Forbes.
10–3–99.

From the Surgeon-General, dated 29*th March* 1899, *No. T.* 8/52.

The Surgeon-General endorses the opinion of the District Medical Officer that double hydrocele can be radically cured by operation, and that if the applicant submitted to the operation he would most probably be radically cured and thereby be capable of continuing in the Government service.

K. Srikanta Iyer.
5–4–99.

Secretary—

For these reasons (to be stated) the application may, it is submitted, be refused. The man will probably then think the better of it and get himself operated on.

GOVERNMENT OF MADRAS,

To

THE ~~HON'BLE THE CHIEF~~ SECRETARY TO GOVERNMENT,

SIR,

With reference to Official Memorandum No. 22 of the 15th instant, I have the honor to state that I endorse the opinion of the District Medical and Sanitary officer that double hydrocele can be radically cured by operation and that if the patient submitted to the operation he would most probably be radically cured and thereby be capable of continuing in the Government service. I would also point out that the Invaliding Certificate should have been sent for my countersignature prior to its submission to Government. vide Article 486 (b) Civil service Regulations

FOR ORDERS.

The applicant is incapacitated for duty by a disease (double Hydrocele), which in the opinion of the Invaliding Surgeon could be radically cured by a surgical operation, but this the applican refuses to submit to, although the Inspr. Genl. of Polic pointed out to him that he would not be eligible f pension in case he refused to undergo an operat The Acctt. Genl. reports that under the circumstan no pension is admissible under the rules, and the case is similar to that disposed of in G.O. 932/21-9-91. The case disposed of in G.O. 347 (B) d/30-4-8 seems also in point. Orders are solicited as to the pension in the present case should also be r

Please see OM. No 22 d/15-3-99 & the Surgn. Genl's. reply to A - C No. 279. The Surgn. Genl. endorses the opinion of the Dt. For these reasons (to be noted) the application may it is submitted be refused. The man will probably then think the better of it & get himself operated on.
