CERTIFICATE AND REPORT OF THE AUDIT OFFICER.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ / superior} grades has been duly proved for 25 years 8 months + 27 days; and that an Invalid {Pension / ~~Gratuity~~} not exceeding Rs. 50-a-a per mensem, equal to 30/60 average emoluments, is admissible under Articles 485 + 518(b) 5th Edition of the Civil Service Regulations.

The pension is debitable to Provincial Revenues and Berar Revenues according to the Rule of proportions. Vide Article 426 of the Civil Service Regulations.

It will be seen from the marginally× noted papers connected with the applicant's degradation in October 1883, and dismissal in October 1885 that his character and past conduct have not been satisfactory. It rests therefore with Government to make such reduction in the amount of pension that may be sanctioned to him as it may deem proper with reference to Article 514 (b), of the Regulations.

× G.O 4227 Mis dated 19th October '83, Rev: Proceedings of the Commissioner of Salt No: 10199 dated 2d October 1885.

8. Disease or cause of Disability. Chronic catarrhal inflammation of the stomach & intestines
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

Statement of case submitted on 28.10.97 Leave recommended three months.

He is suffering from atonic dyspepsia and poverty of blood. The latter is the result of long standing ulceration of the rectum and constant attacks of dysentery. His appetite is very poor. As it is necessary that he should be under treatment for a considerable length of time, I have recommended him leave for three months.

Mr. Firth has been under treatment since October 1897 and has improved considerably. A change of climate to Bangalore is in my opinion highly necessary for his complete recovery.

Mr. Firth has derived little if any benefit by the change to Bangalore though he had his last leave extended by another month. His complaints have become worse. He has lost much flesh and his health is much shattered. I am of opinion that if his health is not decidedly improved on the expiry of the period now recommended, he should be brought before a Bd. for long leave or invalid.

Ten months' leave recommended in the certificates referred to above has further been extended by three months at the request of Mr. Firth. Notwithstanding the long rest and change of climate he had, there has not been any improvement in his condition. He still suffers from chronic gastro-intestinal catarrh. His eye sight is also gradually failing.

Salt Department.

No.10199.

Proceedings of the Commissioner of Salt and Abkari Revenue.

Dated 2nd October 1885.

Read letter from the Deputy Commissioner of Salt Revenue, Southern Division, No.3144, dated September 20, 1885, bringing to notice a series of instances of misconduct on the part of Assistant Inspector Mr.Firth.

The letter read above is a general report on Mr.Firth's work since March last, when he was informed, in accordance with Government Order No.1178, dated March 6 1885, that a clerk's post would be found for him on Rs.100 as soon as possible, but that in the meantime he should continue to work as an Assistant Inspector on Rs. 150.

2. From March until June Mr.Firth remained in the Tuticorin Circle. During that time it is clear(1) that he bullied the licensees at Levingepuram station by deliberately misinterpreting the Deputy Commissioner's orders about remnant heaps; (ii) that it was his habit to checkweigh so late in the afternoon as to put the salt traders to great inconvenience; and (iii) that he grossly insulted the most influential licensee in the Circle-a most respectable man and the Agent for all the Levingepuram licensees in the conduct of their business with Government.

3. As to the first of these charges it is clear that Mr.Firth went out of his way to interfere with and to bully the licensees. Notwithstanding instructions from the

Assistant Commissioner, and though the meaning of the words "remnant heaps" is perfectly well understood, he pretended to believe it to be his duty to treat as remnant heaps all the heaps of salt from which one maund samples had been taken, and to insist on their being sold off before he allowed any other heaps to be opened. The effect of this was to put an entire stop to the salt trade for three days. It is noticeable that the person chiefly affected by Mr.Firth's conduct had presented a petition against him. In this matter Mr.Firth appears to have also disregarded the orders of the Inspector by addressing the Assistant Commissioner in the Inspector's name during the absence of the latter on circuit.

4. The second and third charges are practically admitted by Mr.Firth. There is no doubt that he insulted the licensee in question most grossly.

5. Pending a local and personal enquiry into these charges by the Deputy Commissioner, and as it was evident that the Inspector of the Tuticorin Circle was unable to keep Mr.Firth in order, he was transferred to the Kayalpatnam Circle. This was in June. He had hardly been there a week when a petition was presented against him by the salt traders. This may have contained some exaggerations, but it is clear that the charge of late checkweighing preferred in it was well founded. This was almost the first complaint received from Kayalpatnam since 1880, things having, with a single exception, always worked smoothly there until Mr.Firth's arrival.

6. On the 6th August, the Assistant Commissioner received a petition from some of the peons stating that Mr.Firth was in the habit of abusing and otherwise ill-treating the peons generally, and that on the 13th July he had cut the coats of the petitioners with a penknife. Mr.Firth admits having cut the coats and says he did it to induce the men to be more smart in their dress. He denies generally ill-treating the men, but from one or two admissions of his and from his other proved misconduct the Commissioner does not consider that there is any reason to believe this complaint to be other than substantially true.

7. On the 9th August the Deputy Commissioner received a complaint from a salt trader that he had paid Rs.500 for salt but that Mr.Firth had refused to issue it to him. There is no doubt that the man paid his money a little late on a Saturday, but as the shroff had received the money, and as the following Monday was a holiday, Mr.Firth obviously abused his powers in refusing to issue the salt. He seems to have been actuated by spite, for the trader was one of the chief movers in the petition referred to in para 5.

8. The Inspector, Mr.Scott, has always been able to manage the Kayalpatnam Circle quietly until Mr.Firth joined it. In fact the Deputy Commissioner so far ascribed the trouble that had occurred to Mr.Firth that he at once ordered that officer out into camp, until further orders, to keep him out of mischief in the

factory.

9. It may here be remarked that Mr. Firth's explanations in the case of many of the charges against him are clearly untrue, as from his previous character the Commissioner expected to find them.

10. In 1883 the Commissioner recommended the dismissal of Mr. Firth, but Government ordered his reduction to the post of Assistant Inspector, Second grade (Government Order Mis. No. 4227, Revenue, dated 19th October 1883). It was also ordered that a report upon Mr. Firth should be submitted at the end of April 1884.

11. In August 1884, the Commissioner requested to be allowed to postpone this report until the end of the year and Government, in their order No. 4257, dated 30th September 1884, consented to this course. The Commissioner's report was dated December 12, 1884 and the Government Order thereon has already been quoted in para 1. It was then shown that Mr. Firth was thoroughly lazy and incompetent.

12. The present charges against Mr. Firth follow too closely upon the many previous reports against him for the Commissioner to treat them as other than most serious matters. It was expected that an officer who had already narrowly escaped dismissal would not misbehave himself while temporarily engaged on executive duty, pending transfer to the clerical duty for which he was presumed to be better fitted; but this expectation has not been fulfilled. Mr. Firth has shown himself so grossly insulting and violent both to the licensees and to his own subordinates, both of whom were entitled at least to civil treatment at his hands, that his retention in the service is out of the question. The work of the Department cannot be carried on if officers are to insult and ~~to~~ bully the licensees and their subordinates, with both of whom they should be on terms of friendly confidence, and the former of whom it is their duty to assist and counsel, not to insult and harass. Mr. Firth is therefore dismissed from the public service with effect from the date on which he may be relieved.

13. The following telegram will be sent to the Tinnevelly Assistant Commissioner:-

"Firth dismissed. Discharge him immediately and pay to date of discharge".

"Government on a consideration of the papers in this case resolve, though they are of opinion that his conduct has shown him to be utterly unfit for an executive post, to give Mr. Firth a last chance.

2. They therefore direct, in modification of the Commissioner's orders, that Mr. Firth be reduced to the position of a clerk, that he be most severely reprimanded and that he be warned that, if any further complaint is made against him, he will be immediately dismissed.

Routine No. 369.

Resolution.

The information called for by the Ac countant-General in the first of the letters read above is given below.

(i) The applicant's furlough expired the 20th November 1898 and although he declared by the Surgeon 2nd District for further service on the following the medical certificate was not

already stated in the last para of Board's Proceedings Mis: No. 145, dated 12th January 1899, received Countersigned by the Surgeon-General till the 17th December 1898 or just before the Commencement of the Christmas Holidays, hence the delay in the submission of his pension application.

(ii) The provisions of Article 408 of the Civil Service Regulations have been fulfilled in the applicant's case. He was permanently transferred from he post of Second Clerk, Berar Secretariat, to that of a Probationary Inspector in the Salt Department (Vide Notification No. 188 on page 569 Part I of the Fort St. George Gazette dated 3rd October ~~1892~~ 1882). No other officer has counted service in the latter appointment. The post of Probationary nspector in the Salt, Abkari and Customs Department which was in xistence until 1896 was a distinct grade itself and officers who held such ppointments counted service therein for pension; e.g. Mr. Rodrigues who was appointed Probationary Inspector on the 1st April 1890 held it till his retirement from the service in April 1895. His service in that grade was held to be qualifying service and his pension was sanctioned in Government Order No. 1044, dated 6th September 1895.

(iii) The omission has been supplied.

IV. A memorandum of calculations showing the proportionate debit of the applicant's pension to "Madras" and "Berar" is sent herewith as requested.

V The date (29th September 1882 given in the annual return for 1883 is that of the notification in the Fort St. George Gazette above referred to while the date 17th October 1882 given on the second page of the pension application is the date on which the applicant actually reported himself for duty in the Salt Commissioner's office.

2. An application for the grant of an anticipatory pension from Mr. Firth is herewith forwarded to the Accountant-General in original and recommended to be granted.
