7. Sick leave granted during the service. *6 months*

8. Disease or cause of disability. *Defective vision.*

9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This constable has been sent by the Superintendent of Police Hissar with his letter no 322 dated 13th February 1899 for examination in respect to his fitness or otherwise for further service. History. He states that 2 years ago he noticed a defect in his eye sight & that it has been gradually increasing since then. At present he is able to distinguish objects fairly well during day but at night he experiences a difficulty in distinguish persons or objects unless within a yard or two. Present condition. A weakly looking individual visible mucous membranes anemic - tongue coated with a white fur & indented at the edges. There is cataract in both eyes but that in the left eye is more developed than in the right. Considering the nature of his duties & the present state of his health I am of opinion that he is unfit for further service of any kind.
