Under articles 486 & 524 (6)

of the Civil Service Regulations (3rd Edition),

His Excellency the Governor in Council is

pleased to grant to Kamur Agh Khan,

late Agh Khan, Kamur Taluk office,

an invalid pension

Please see para 2. of the Acctt. Genl's report.

When there is any doubt regarding the date of birth of an applicant for pension, the date given in the service register is taken as correct, the service register being an official record, and in most cases of this kind the best evidence available; and unless there is reason to question the correctness of the entry, this rule has been adhered to. In the present case the Collector says that the year of the applicant's birth as given originally in the service register viz. 1840 is wrong, but that the date and year now given in it as well as in the pension application and in the annual returns from 1880 to 1898 viz. 26th Decr. 1838 is correct. So the alteration made, may, it is submitted, be accepted, as recommended by the Board.

But how did the date in service register get changed?

From the Acctt Gm. dated 8 March 1897, No. 497
Board of Rev. L.R. 1/16 Mar. 99 No. 18.

Order 1/8 June 1899 No. 326

It is observed that the date

of the applicant's birth viz. 26 Decr. 1840 as original
(Apparently in 1892)
by given in the service book was afterwards altered
into 26 Decr. 1838, but the sanction of Govt. as re-

quired in art. 55(6) of the Civil Account Code was
not obtained. Without ^{Govt.} sanction of Govt., no pen-
sion will be admissible, as the applicant, an inferior
servant, was not 60 years of age at the date of his
retirement viz. 25 Decr. 1898. The Collector is

accordingly requested to order the applicant to ap-
pear before the St. Surgeon with a view to obtaining
that officer's opinion as to his fitness for further
service. Should the ^{officer} ~~applicant~~ certify that the

applicant is ^{not} incapacitated by disease or other cause
for further employment, the applicant should be
reinstated in his appointment till he completed

60 years of age i.e. till the 25 Decr. 1900, the period
of absence being treated as leave without allowance
if he is entitled to no other kind of leave.

Art. 578(6) requires that the entries on the opening
page of the service book should be renewed or reattest-
ed at least every five years. In the applicant's
case these entries seem to have been reattested on
the 9 Augt 1892, and as in the annual returns
from 1880 to 1891 the applicant's date of birth was
shown as 26-12-38, the entry of date of birth in
the service book was also corrected, under his initials,
to 26-12-38.

But does this not need the
sanction of the Govt.?

M. 7/4/99

Sir.

Yes; please see art. 55(6) of the Civil Account
Code. The date can only be altered, except in the case of a
clerical error, under the orders of the Local Govt.

The attention was made
unauthorized, & should
be sanctioned
should sanction be refused

No pension will be admissible
as the applicant an inferior
servant was not 60 at the date
of his retirement 25-12-98. So the

Collector may be asked either to
send the man before the surgeon
for examination as to his physical
fitness for further service or to
discontinue him till he has
completed 60 years of age
i.e. till 25-12-1900. The period of
absence may be treated as leave

no other kind of leave)
