Honourable Mr.A.T.Arundel C.S.I. I.C.S.

I think as a matter of business that as all three Members of Government have to sign a despatch it is as well to ensure their assent to all except routine despatches, so as to avoid delay and expense of printing in case of objection. But I am not an advocate for more rules if they can be avoided, and am content to leave the matter to the Chief Secretary's discretion.

G.O., No. 330, Political, dated 13th May 1885.

Abstract.—Informing Moulvie Obedulla Sáhib, Kazi of Madras, that Government is unable to comply with his request for either a continuance to him of a portion of his late father's stipend or an increased allowance therefrom to his mother.

G.O., Mis. No. 143, Political, dated 11th February 1899.

Read—the following paper :—

Proceedings of the Board of Revenue (Land Revenue), Mis. No. 3476, dated 7th December 1898.

Read—endorsement of J. N. ATKINSON, Esq., Collector of Madras, dated 19th July 1898, Ref. No. 238 (Petition), and reference thereon, No. 133 (Petition), dated 31st August 1898.

Read—letter from the same officer, dated 5th November 1898, Ref. on No. 628-G & B.

Resolution—Mis. No. 3476, dated 7th December 1898.

The petition from Moulvie Obedulla Sáhib, which is addressed to Government and has been forwarded with the Collector's endorsement first read above, will be submitted for the orders of Government.

2. The petitioner, who is the Kazi of the Sunis in Madras, appointed by Government under section 2 of India Act XII of 1880, urges that he has been rendering gratuitous service to public officers as well as to private individuals by giving them advice on difficult questions of Muhammadan Law and replying to their references on questions of marriage, divorce, inheritance, endowment, &c., besides discharging his legitimate duties as Kazi under the Act. He states that he once before applied to Government for the recognition of his services and the continuance in his name of a portion of the monthly stipend of Rs. 350 drawn by his deceased father, but that the Government disallowed his claim on the ground that his father's pension was only a life-grant. He now asks for a reconsideration of his case and the grant of a reasonable allowance "not necessarily from the lapsed stipend."

3. The Collector, Mr. Atkinson, while forwarding the petition to the Board, observed that although no stipend could be attached to the office of Kazi, the present incumbent (*i.e.*, the petitioner) had "considerable claims to a personal grant." On this the Board desired further information as to the number and nature of the references made to the petitioner by public officers and the extent of gratuitous work involved in replying thereto. The Collector now submits a tabular statement furnished by the petitioner himself on the subject. According to this statement, which the Board has no means of verifying, the references in 1896 and 1897 amounted to 452 and 443, respectively. Of these, 330 and 332, respectively, were from both Civil and Criminal Courts, 119 and 110 were from private individuals for private purposes, and 3 and 1 from Government officers, such as the Collector, the Paymaster of Stipends and the Protector of Emigrants. The petitioner has since admitted that of the number of "references" shown as having been made by the Courts, the majority were from "vakils of parties under orders from the Civil and Criminal Courts." The Collector observes that as most of the items comprised in the statement appertain to suits in Courts of Law, the Kazi does not seem entitled to compensation on account of them from Government. It may be added that the Kazi is at liberty to demand a fee from private parties or their vakils who may require his opinion as that of an expert in Muhammadan Law; and if he is called upon to give evidence in the same capacity in Court, he should look to the Court for his allowances. The Collector also points out that in the file of original papers submitted by the petitioner himself he has found only six references made from Government officers, one in each of the years 1882, 1886, 1887, 1893, 1894 and 1896.

4. The Board is of opinion that the occasions on which the petitioner has been consulted by Government officers have been so few and far between that it is not necessary to consider the question of paying him a regular stipend for this addition to his ordinary duties; but if Government pleases, it may prescribe a fee which shall be paid to the Kazi by Government officers who may require his expert opinion in matters relating to Muhammadan Law and Custom.

Reference of the Board of Revenue (Land Revenue), No. 132, dated 7th April 1899.

With reference to G.O., No. 143, Political, dated 11th February 1899, the Collector of Madras reports that it is not possible to draw up any scale of fees to be paid to the Kazi on occasions when his expert opinion is sought by Government officers. Mr. Bradley considers, however, that in view of the Kazi's social position in the Mussalman community and of the paucity of references to him on questions of Muhammadan Law and Custom, a minimum fee of Rs. 25 may be fixed for every such reference with the proviso that the officer making it may, in special cases and for reasons given, propose a higher fee. The Board agrees with the Collector.

Letters from the Government of Bombay, Nos. 5723 and 823, dated respectively, the 14th December 1898 and 17th February 1899.

Resolution—The values of the stock and of the receipts and issues of the three Stationery Offices in 1897–98 compare as follows with those recorded in 1896–97 :—

	1896-97.	1897-98.
	RS.	RS.
Value of stores in hand at the beginning of the year (at the valuation of the year)	14,51,881	12,25,977
Value of stores received or credited during the year	33,02,451	41,86,002
Total ..	47,54,332	54,11,979
Value of stores issued during the year	35,03,018	41,41,906
Balance at the close of the year	12,51,314	12,70,073

2. These values are distributed between the three Stationery Offices as follows :—

—	Opening Balance.		Receipts.		Issues.		Closing Balance.	
	1896-97.	1897-98.	1896-97.	1897-98.	1896-97.	1897-98.	1896-97.	1897-98.

---

3. The following figures for the nine years ending 1897–98 show a progressive increase in the aggregate value of stores issued by the three Stationery Offices except in the years 1893–94 and 1896–97 :—

	RS.
1889–90	27,18,551
1890–91	29,30,276
1891–92	30,99,696
1892–93	32,01,557
1893–94	31,82,246
1894–95	32,93,229
1895–96	36,78,131
1896–97	35,03,018
1897–98	41,41,906

4. The increases during the four years ending 1892–93 were almost entirely confined to the Calcutta Office. Since that year there have been increases in all three offices :—

—	Calcutta.	Madras.	Bombay.
	RS.	RS.	RS.
1892–93	24,15,430	4,49,681	3,36,446
1893–94	23,75,259	4,63,174	3,43,813
1894–95	22,81,561	5,75,866	4,35,802
1895–96	25,97,305	6,48,940	4,31,886
1896–97	24,75,017	6 04,781	4,23,220
1897–98	29,41,253	7,18,621	4,82,032

The increase in the year under review was largely in the Calcutta Office, where the value of the issues was higher by Rs. 4,66,236 than in the preceding year. The value of stores issued by the Madras and Bombay Offices was higher by Rs. 1,13,840 and Rs. 58,812, respectively. The net result is an increase of Rs. 6,38,888.

5. The value of stores issued by the Calcutta Office to the Local Governments increased by Rs. 1,76,006, namely, Rs. 62,033 in issues to Bengal, Rs. 21,495 to the North-Western Provinces and Oudh, Rs. 26,601 to the Punjab, Rs. 35,586 to the Central Provinces and Rs. 31,198 to Lower Burma. In the value of stores issued to Officers and Departments of the Government of India there was an increase of Rupees 2,09,276, and in the issues to Postal and Telegraph Offices of Rs. 28,843. The increase generally is attributed to larger demands from the Government Presses and the greatly augmented requirements of the Military Department in connection with the operations on the North-West Frontier. The Governor-General in Council trusts that the Local Governments will continue to impress upon their officers the necessity for economical arrangements in the use of stationery.

6. The value of stores of Indian origin purchased during the last five years is stated in the following table which shows a satisfactory increase in 1897–98 :—

—	1893-94.	1894-95.	1895-96.	1896-97.	1897-98.
	RS.	RS.	RS.	RS.	RS.
Calcutta	18,50,817	17,70,657	19,62,036	18,50,176	21,80,300
Madras	2,53,363	2,88,668	3,36,910	3,09,125	3,60,357
Bombay	2,66,976	3,44,456	2,67,224	2,92,548	3,39,340
Total ..	23,71,156	24,03,781	25,66,170	24,51,849	28,79,997

7. The saving effected by the substitution of Indian for imported stores in each of the last three years is estimated to have been :—

	RS.
1895–96	3,80,038
1896–97	4,09,516
1897–98	2,87,701

8. These stores consist mainly of paper made at the Indian mills. The value of such paper has been as follows in the last five years :—

—	Calcutta.	Madras.	Bombay.
	RS.	RS.	RS.
1893–94	17,14,772	2,21,991	2,46,862
1894–95	16,26,630	2,51,741	3,37,421
1895–96	17,96,650	3,28,843	2,42,992
1896–97	17,17,347	3,00,379	2,72,597
1897–98	20,07,719	3,66,603	3,10,534

9. The fact that there was a reduction in the saving effected by the substitution of Indian for imported stores while there was an increase in the purchases of articles of Indian manufacture is explained by the loss (Rs. 1,22,816) caused by the use of paper of the particular descriptions known as white printing, blotting, white cartridge, cream-wove, and azure-laid.

10. The large stocks in hand at the end of 1896–97 at the Stationery Offices in Madras and Bombay were noticed in paragraph 4 of the Resolution reviewing the stationery reports of that year. The Governor-General in Council observes with satisfaction that efforts have been and are being made to reduce the stocks to a lower level.

11. In consequence of representations that the prices paid for newspapers and periodicals by the Calcutta Stationery Office were unnecessarily high, tenders were invited for the supply of newspapers and periodicals, and the tender of Messrs. H. S. King and Company was accepted for 1899 although their rates were in the aggregate a little higher than those tendered by other firms, in consideration of the fact that they had until then been doing the business well. The question of future supplies has been reserved for further consideration.

12. The Governor-General in Council is pleased to observe that the working generally of all three Stationery Offices is satisfactory.

Order—Ordered, that the foregoing Resolution be communicated to the Governments of Madras, Bombay, and Bengal.

From H. BRADLEY, Esq., I.C.S., Acting Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 13th May 1899, Dis. No. 1166.

I have the honour to invite attention to the unnecessary expenditure of stationery, both writing paper and covers, and of postage at present incurred on short and unimportant official communications which might without any inconvenience be made on service post-cards. The Government has directed their use for "Nil" returns and reminders, and I venture to think that they might be used much more largely without detriment to the public service.

Para 8.—If the present Sub-Magistrate were to be put on the Commission, his habits of activity and energy would prove most valuable and he would take a pride in looking after the cleanliness of the Town; the ordinary objection could not apply in his use as the offences against Municipal Bye-Laws are tried by Honorary Magistrates.

I have, &c.,

Acting Senior Asst. Collector.

SHIKARGANGE, *Sunday.*

JAGANNADHA RAO,

I have written strongly to Mr. Master in your favor, forwarding the application, and also wrote to Mr. Grahame. I hope you will be successful: but I shall be sorry to lose you.

Yours,
(Signed) C. F. MACCARTIE.

Has given continual satisfaction during the time I have acted here. Should be very pleased to see him promoted to the rank of Tahsildar which he thoroughly deserves and for which he is fit in every way.

(Signed) C. F. MACCARTIE,
Acting Senior Asst. Collector.

October 11th, 1876.

GUNTOOR, K. D., *23rd Sept.* 1876.

JAGANNADHA ROW,

I was glad to get your letter yesterday. I have not forgotten you: if I have an opportunity of helping you on I will do so. I do not know of any Tahsildarships likely to become vacant soon in this District, certainly not in the Sub-Division. You had better let me know from time to time of any change in your station or post.

Yours faithfully,
(Signed) B. HORSBRUGH.

To
JAGANNADHA ROW.

I have just had a letter from Mr. Master, in which he says that he has been obliged to attend to the claims of employés in his own district in disposing of the Berhampore appointment.

DILLI JAGANNADHA RAO is now, and has for the past three months been, acting as Tahsildar and Taluq Magistrate of Sarvasiddhi. He has given me satisfaction.

Acting P. A. Collector.

NARSIPATAM, 29*th August* 1879.

D. JAGANNATHA RAO served under me as Sub-Magistrate and Deputy Tahsildar of Vizianagram for about 4 years during which term he managed his taluq to my complete satisfaction in every way. He was promoted to the Tahsildarship of Yellamanchili in consequeuce of the excellent name he made for himself while at Vizianagram and subsequently to the Sub-Division Sheristadarship. I have much pleasure in testifying to the high opinion I have formed of him both as an official and in his private charactor.

(Signed) W. A. WILLOCK,
Dy. Commr., Salt Revenue.

WALTAIR, 14*th January* 1880.

DEAR JAGANNADHA RAO,

I can quite understand your wishes that I should record something to explain the motive which induced you to apply for the Sub-Sheristadarship where you had a comfortable berth an equal salary. You share with many others the false belief that a Sub-Sheristadar has necessarily higher claims upon the Huzur Sheristadarship than a Tahsildar. Though I cannot at all agree with you on this point, this will not prevent my expressing the hope that you may get the next vacancy, becauae I think you thoroughly competent to hold it with credit

(Signed) Yours sincerely
J. LEE WARNER.

D. JAGANNADHA RAO was Sheristadar during my short tenure of the post of Principal Assistant Collector. He is a man of excellet abilities and he gave me every reason to be satisfied with his work.

LETTER OF GOVERNMENT

Ootacamund
10th June 1881.

Pilli Jagannadharau Pantalu Garu.

I seem to have left nothing on record in your Service Register.

In 1874 I made your acquaintance when I was appointed as Agent in Vizagapatam. Your character and conduct during 1874-79 were well known to me. The former was above suspicion and the latter most exemplary and I testified to my sense of both by giving you the promotion which you merited.

You were most careful of the walfare of the people of your Taluq in the very trying times of 1878. Your magisterial work was disposed of with despatch and with good sense as well as with careful regard for Law.

Do not be quite sure that you are leaving the District. I have asked as a favor that you may remain. My friend ××× is a very respectable good man, but he is physically utterly unfit for your Division, whereas you are the right man in the right place. ××××

You have been most valuable to
me in every respect since you
took charge. You have kept the

shewn much activity and real

active personal habits. A man who

suited for that I exerted myself to get him back but, is a severely trying one. Jagannadha Rau is one of the few men fit for it. He possesses a degree of bodily activity and moral firmness and straightforwardness rare among our native officials.

He is a gentleman in appearance, manners and habits. He is a good horseman. No native gentleman that I have met is so satisfactory a companion on a ride through a rough country. He does not complain. One of his merits. but I hope he will before very long get a change from Cumbum, after my successor has had time to get acquainted with him and his Division.

My dear Jagannadh Rao.

I am very sorry to hear that I am likely to lose your services, but I shall certainly not stand in your way; as I think you have fully earned a transfer to a healthier charge. I have been much pleased with the energy you have displayed in combating the Cholera in your Division; and which you seem to have infused into your Markapur Tahsildar. Your efforts have met with a very good measure of success so far and I hope you may succeed in keeping down the epidemic until
