OFFICE OF THE BOARD OF RE
(LAND REVENUE),

Madras, 13th May 1899

READ— Report of the Accountant-General, A.D.J/46 dated May 1899, on application of the Collector of Salem, dated 17th April 1899.

Reference No. 35 dated 13th May 1899

The Board submits to Government the Accountant-General's report read above on the application of the Collector of Salem, dated 15th April 1899, for a superannuation pension of Rs. 7-8-0 on behalf of Krishnagiri Chennakesava Rao, late gumasta, Uttankarai taluk office.

2. With reference to para 2 of the Accountant-General's report the Board requests the orders of Government as to whether any reduction should be made in the applicant's pension. The records submitted by the Collector and the remarks recorded by him against item 2 on page 3 of the pension application show that the applicant was suspended on two occasions:—

Firstly— for three months from 23rd December 1879 for omitting to show certain land in his landed property statement and falsely stating that he was not aware that the land belonged to him till a notice of demand for arrears of assessment was served on him; and

Secondly— for three months from 30th January 1894 for a mistake in issuing notices in regard to the collection of the value of standing growth on certain lands darkhasted for.

3. The Collector, however, notes against item 1 on 3 of the application that the character and past conduct of the applicant were "good" and against item 5 character, conduct and past services of

to entitle him to the favourable consideration of Government.
and observes further that in connection with the offence for
the applicant was suspended in 1894, the Collector at the time
ded the opinion that the "clerk's mistake does not present any
ous features as it seems to have been simply a mistake". Under the
umstances the Board recommends that no reduction be made in the
applicant's pension.

With reference to para 3 of the Accountant-General's report
the Board submits for the orders of Government the question whether any
very should ^{now} be made on account of the leave allowance amounting
.9-10-10, irregularly drawn by the applicant from 7th to 26th May
when he was granted Privilege leave to which he was not eligible
ing that he had not completed 11 months' service after return from
s last leave on loss of pay which ~~he~~ expired on the 14th July 1885.
