READ— again Board's Proceedings No. 1182 Misc., dated 6th April 1899, dismissing petition from M.R.Ry.C.Vedachala Aiyar, late Local Audit Clerk, Collector's office, North Arcot, appealing against his retirement from the service on an invaliding certificate.

Reference No. E. 20 dated 18th April 1899 ~~189~~

The Board submits for the orders of Government

A.B.C ~~three~~ three memorials from C.Vedachala Aiyar, late Local Audit clerk, Collector's office, North Arcot, on Rs.65 per mensem. The memorials are dated 24th January[A] 1899, 26th January[B] 1899 and 12th February[C] 1899 respectively and in them the memorialist prays for the grant of a pension of Rs.32-8-0 being a moiety of his last pay, and requests that the pension may also be continued to his son till the latter is able to support himself.

E 2. In Government Order No.840 Pension dated 2nd November 1898 the memorialist was granted an invalid pension of Rs.19-12-5, the full amount of pension to which he was entitled under the rules.

A 3. The memorialist alleges that his retirement on an invaliding certificate was the result of a conspiracy in which the Deputy Collector, M.R.Ry.T.Gopalan Nayar Avargal, and certain officials under him were concerned, and that to the same end the Deputy Collector used ~~him~~ his influence with the Civil Surgeon, M.R.Ry. M.Thammon Sing Hazari ~~Rava~~ Rao Sahib and the District Medical and Sanitary Officer, Lt.Col.Lancaster I.M.S. The Board can trace no foundation for these extraordinary allegations. On the contrary the Collector reports that the memorialist was sent for medical examination in consequence of behaviour pointing to mental derangement, and that the Deputy Collector's action in the

matter was taken with the full knowledge and approval of the Collector.

4. The grant of the memorialist's prayer for an increased pension for two lives would require the sanction of the Secretary of State under Section 1005 Civil Service Regulations. The memorialist's case, however, does not present any features which would warrant an application to that authority for a special pension to him, and the Board has no recommendation to make on his behalf.

5. The memorialist's appeal to which he refers in para VIII of his memorial has since been dismissed by the Board in the Proceedings read again above.

No. XII

To

His Excellency the Governor in-Council
Fort Saint George
Madras

The most humble petition of C. Vedhachalla Iyer, the late Local Chief Audit clerk, North arcot Collector's Office

Most respectfully Sheweth:–

i That petitioner having been entitled to a month's privilege leave from 19th May 1898, he put in an application for the same to the Collector on the 11th idem on the plea of ordinary illness, viz Dyspepsia, and the marriages of his two daughters, which had been fixed for the 10th June following, and were celebrated accordingly.

ii That petitioner was thereupon sent up for Medical Examination to the Civil Surgeon, Chittoor, who then Certified, "that petitioner's complaint was of a trivial nature, and that he had been admitted as an out-patient without prejudice to his duties."

iii That as petitioner, however, felt the severity of the disease (Dyspepsia) to be daily increasing, and leave was therefore necessary, he renewed his application for the leave after the inspection of the Local Fund accounts was over, as per orders of the Collector.

iv That petitioner was then again compelled to undergo a Second Medical Examination in which the Same Medical officer, viz the Civil Surgeon, Chittoor, furnished a certificate, incapacitating him for further Service, with the counter-signature of the District Medical Officer.

That the above was simply the result of a conspiracy, formed by the Treasury Deputy Collector, under whom petitioner was working, and some of the officials under that Officer, who were all in inimical terms with the petitioner for apparent reasons* best known to themselves.

*. appeal petition to the Board referred to in para VII infra

VI That this fact has been revealed by the said Medical Officer himself, viz, the Civil Surgeon, Chittore, to one of his friends employed in the same Department, who has informed it to the petitioner.

VII That petitioner, on 30th September 1898, presented an appeal to the Honorable Board of Revenue, praying to restore him to his appointment in case of his producing a certificate of fitness for duty, and to transfer him to any other District, under Article 574 of the Civil Service Regulations, or to recommend him for full pension treating his case as a special one under Article 1005 (c) of the Civil Service Regulations as he had been compulsorily retired as stated above.

VIII That the above appeal having been returned for submission through the Collector, with Board's Proceedings No 2499 dated 7th October 1898, it was accordingly re-submitted by the petitioner on 14th October 1898, and petitioner has not yet been informed of the result of the appeal; He has since sent ~~many~~ reminder petitions to the Honorable Board and the Collector, requesting to arrange for the disposal of the appeal at an early date, as it has been already too long pending.

IX That, in G. O. No 842 dated 2d November 1898, petitioner has been granted an Invalid pension of Rs 19-12-5 per mensem.

X That the said pension is quite inadequate for the maintenance of his large family, consisting of half a-dozen children, an orphan wife, who is further destitute of even brothers and every other kind of relations to take any care of her, and also an old aunt, (mother's sister), who was widowed in her childhood, and who having joined the family in his father's life time, has brought him up from his infancy and is solely dependent on him.

XI That petitioner's total service comes up to the long period of 27 and half years nearly, during which he had been most faithfully serving Government and throughout been very honest in the discharge of his duties.

XII That petitioner being unable to understand the reason as to why his pension has been fixed so low as Rs 19-12-5, he has requested the Collector to favour him with particulars as to how it was arrived at, which have not however been furnished to him as yet.

XIII That as petitioner, besides being honest, had held only small appointments throughout his official career, he was unable to save anything or to acquire landed or property of any other kind; The monthly salary drawn by him being itself insufficient for the maintenance of his family, and he having had to incur large debts for other expenses, required for the marriages of his children etc. which remain yet to be cleared.

XIV That, amongst the six children, petitioner has got an only minor son, aged 8 years, who is now in his alphabets, and has to be fully educated.

XV That the said appeal petition to the Honorable Board of Revenue and all the records connected with the case, if called for and perused, will throw much light on the case, and further show that petitioner has during his official career performed some works deserving the merit of Government.

XVI That the petitioner, therefore, most earnestly pr

on

[illegible] case, more [illegible]

that His Excellency would be graciously pleased to call for a detailed report of the case, together with all the records connected therewith, and on consideration of the serious injustice done to the petitioner by his compulsory retirement, order* the grant of full pension to him, with the Sanction of the Government of India, if necessary. The said pension to be continued for two lifes, (viz myself and my minor son,), the latter to be continued only till he attains a self-supporting condition.

* Vide Article 1005 C of the Civil Service Regulations or any other Article which may be applicable to petitioner's case.

XVII For this act of kindness and generosity, petitioner shall, as in duty bound, ever pray for His Excellency's long life, sound health, and prosperity.

N. Arcot. Collector's office

P.S. That the above boon will ever be remembered by all the members of the family in this and all the future generations, and the name of His Excellency always adored in the family for years and years to come, daily.

That the hardships and difficulties, to which petitioner has been put ever since he was bereft of his appointment on 27-8-98, may better be imagined than described.

That petitioner in fine, most respectfully begs to be excused for this intrusion upon His Excellency's most precious moments, fully trusting that his prayer would be accepted.

His Excellency The Governor

The most humble petition of C. Vathachala Iyer, the late Chief Local Audit Clerk on Rs 65 per mensem N. Arcot Collector's office.

Most Respectfully sheweth.

(1) That petitioner having been entitled to a month's privilege leave from 19th May 1898, he put in an application for the same to the Collector on the 11th idem, on the plea of very ordinary illness, i.e. Dyspepsia, and the marriage of his two daughters, which had been fixed for the 10th June following, and were celebrated accordingly.

(2) That petitioner was thereupon sent up for medical examination to the Civil Surgeon Chittoor, who then certified that petitioner's complaint was of a trivial nature, and that he had been admitted as an outpatient, without prejudice to his duties.

(3) That, as petitioner however felt the severity of the disease, i.e. Dyspepsia,

be daily increasing, and leave was therefore necessary, he renewed his application for the leave, after the inspection of the Local Fund Accounts was over, as per orders of the Collector.

(4) That petitioner was then again compelled to undergo a second medical examination, in which the same medical officer, i.e. the Civil Surgeon Chittoor, furnished a certificate, incapaciating him for further service with the countersignature of the District Medical officer.

(5) That petitioner having thereupon been directed* by the Treasury Deputy Collector, under whom he was working, to hand over charge of his office at once, he presented an appeal against his orders* to the Collector, who when petitioner saw him in person in connection therewith told him that the medical certificate received would be taken only for the purpose of granting the leave applied for, and orders sanctioning the leave would be passed on the papers, which had been called for on the [illegible]

*N.B. The Treasury Deputy Collector had no authority to pass this order himself, and he should have simply submitted the papers to the Collector for orders, which if it had been done, the case might have been short[illegible]

(6) That petitioner having however subsequently learnt that leave was not to be granted, and that the Treasury Deputy Collector was intending to use Police force towards the petitioner for carrying out his orders to hand over charge, petitioner saw the Collector again in person, when he was told by the Collector that the provisions in the Civil Service Regulations gave him no option in the matter and directed to hand over charge. The petitioner implicitly obeyed the orders and handed over charge at once. The Collector then expressed his deep felt sorrow for the petitioner's case, and advised petitioner to lead a quiet retired life with his relations in his native place, for which the petitioner thanked him heartily very much.

(7) That from the manner, in which the Collector then spoke to the petitioner, he was led to believe that, everything had been planned without his knowledge to bring petitioner to ruin altogether.

That the above was the resul[illegible]

of [illegible] case, more [illegible] one [illegible] easury Deputy Collector and some of the officials serving under him, who owed serious grudge to the petitioner for manifest reasons best known to themselves (Vide petitioner's appeal to the Honorable Board of Revenue, referred to in para 9 infra).

(8) That this fact has been revealed by the above Medical Officer himself, i.e. the Civil Surgeon Chittoor, to one of his friends employed in the same Department, who has informed it to the petitioner.

(9) That petitioner on 30-9-98, presented an appeal, to the Honorable Board of Revenue, praying to restore him to his appointment, in case of his producing a certificate of fitness for duty, under Article 574 of the Civil Service Regulations, or to recommend him for full Pension, treating his case as a Special one under Article 1005 C of the Civil Service Regulations, as he had been compulsorily retired, as stated above.

(10) That the said [illegible] for on the [illegible]

[illegible] for submission the Collector with Board's Proceedings No 2499 D/ 7-10-98, it was accordingly submitted by the petitioner on 14-10-98. Petitioner has not yet been informed of the result of the appeal; he has since sent many petitions to the Honorable Board and the Collector, requesting to arrange for the speedy disposal of the appeal, which has already been too long pending.

(1 That in G.O. No 840 dated 2nd November 1898, an Invalid Pension of Rs 1912-5 per mensem has been sanctioned to the petitioner, which is his only source of income now.

(12 That the said Pension is quite inadequate for the maintenance of his large family consisting of half a dozen children, an orphan wife, who is destitute of even brothers, and every other kind of relations to take any care of her, and an old aunt (mother's sister), who was widowed in her childhood and who having joined the family in his father's lifetime has grown

[illegible] case, more than once [illegible] low as Rs 19-12-5 per mensem in spite of his long service, requested the Collector by an application to furnish him with particulars as to how it was arrived at; but he has not been favored with them as yet;

(20) That, before the submission of the Pension application on petitioner's behalf to Government by the Collector, Petitioner applied for a copy of the application, to enable him to explain the discrepancies and supply the omissions, if any therein; but his application was rejected.

(21) That petitioner therefore most earnestly prays that His Excellency will be most graciously pleased to call for a detailed report of the case, together with all the records connected therewith, and on merciful consideration of the serious injustice done to the petitioner by his compulsory retirement, order the grant of full Pension, with the sanction of the Government of India, if necessary, for two lives, i.e. petitioner & his minor son, the latter to be continued only till he attains a self supporting condition.

For the above act of generosity, petitioner shall, as in duty bound, for ever pray.

from [illegible] office were treated by
Treasury Deputy Collector, on acco
of which he had on several occasi
to speak to the Collector about the
~~great~~ pleasant treatment afforded to him
by the Treasury Deputy Collector.
This was simply one of the several
instances of the vagaries of the Trea-
sury Deputy Collector.

XIII. That, when petitioner pointed out
to the Civil Surgeon as well as to the
District Medical Officer that he had
not applied for retirement, the exami-
nation as to his fitness or otherwise
for further service was consequently
uncalled for, petitioner was infor-
med that the application, presen-
by him in April 1896, had forme
the basis for the present action.

XIV. That petitioner then applied
to the Collector for permission to wi
drawn the said application, as pe
tioner was then forced to presen
it, owing to severe censures and
marks having been unnecessari
and without sufficient reason
passed on petitioner's work by the
then Treasury Deputy Collector, M.R.Ry.
T.N. Ramachandra Aiyar avl. [illegible]
who is now at Salem, and who had
become the bitterest enemy of the pe
ner's family, as he suspected [illegible]

ioner a he [illegible] date
rk, when he was the Gen[illegible] Charge
puty Collector of Saidapet in the
ingleput District, had contributed
nformation to bring about his reduc
ion to the post of Thasildar, on the
omplaint, as it was then rumoured,
f having raised public subscrip-
tions for the Charity of a certain
emple within his Division; and as
necessary steps had also been then
taken upon the said application, of
1896, and the then Civil Surgeon, Mr
Hasterlow, after examining petitioner
nd keeping him under his observa
tion for a sufficiently long time,
ecommended leave on medical certi
ficate for 6 months, (inasmuch as
e found no grounds for retiring
etitioner so soon), which was grant
d to petitioner from 17-9-96. As
e case had this finally ended there,
o action, the petitioner thinks, could
t taken on the same application now
gain. The steps taken on it now by or
rather on the suggestion of the
reasury Deputy Collector, besides
eing quite unwarranted, were sim
bly the outcome of his bitter ill-
eelings towards the petitioner—
o order appears to have been passed
petitioner's application to the Collector,
the reviving the petition of 1896.

XV [illegible] petitioner had every reas
believe that the influence of the
-rmer Deputy Collector, might h
been brought to bear u[illegible] the mercy
of the present Treasury Deputy Col
-lector; as it is not unnatural for
an officer leaving the District to
give to his successor some accoun
of the officials served under him
and it is equally natural for tha
officer to form his opinion on such
information. It proved to be so in th
petitioner's case. For, no sooner ha
the present Deputy Collector joine
the District in July 1897 from Salem
(when he had no opportunities of
forming any opinion of the petitio
-ner) than he began to hate him to n
small degree. In the appeals mad
to the Honorable Board, and in
applications to the Collector prot
-ing against the Treasury Deputy
Collector's orders, several allegation
had to be made by the petitioner aga
the Treasury Deputy Collector, whic
incensed him far more, and his trea
ment and ill feelings towards the p
-titioner hence became more and more
unpleasant.

XVI That the provisions in the Civi
Service Regulations are also clear
the point that cases of Invalid P

[illegible] and [illegible] on [illegible] ap-
cation of the officer concerned, and
far as the petitioner has been able to
, there is nothing to the contrary
the above Regulations. Vide Articles
7, 988A to 989A, and 995 and 996.

VII That petitioner sent several
plications to the Collector, soliciting
nction, for the one month's privelage leave,
pplied for by him, to which he was ful
y entitled, without a medical certificate,
s it was not necessary and was not
required by the rules, but to no avail.
These applications were most probably
r the office notes of the Treasury Deputy
Collector, simply filed with the records.

VIII That petitioner had also in one of
is above applications to the Collector, predict
d that the 2nd medical examination
which petitioner was compelled to under
go, was purposely planned by the Trea
sury Deputy Collector, with the object
olely of ruining the petitioner, and it
nded accordingly.

XIX That petitioner had stood the very
inute examination, made of him even
n the second occasion by the Civil Sur
geon, who was pleased to express on
ach and every occasion that petitioner
ad rightly answered every point.

XX That there were, however, several
rumours afloat in the town, while the
petitioner's case was pending before
he Civil Surgeon Chittoor on the above
nd occasion, which reached also the
tioner's ears then, to the effect

---

that [illegible] l Surgeon and the
ry [illegible] puty Collector, who were
ing in close intimacy with each othe
had also placed themselves under
understanding for the purpose of rey
ing the petitioner by invaliding him a
Petitioner did not believe those rumors
until he came to learn, that the Civil
Surgeon Chittoor had actually frame
and sent a report unfavorable to the
petitioner, together with a certificate
fitting petitioner for further service
in spite of the favorable opinion, whic
the District medical officer had been
pleased to express to him on his beha
when they both consulted with each
other about the petitioner's case.

XXI That the Treasury Deputy Co
llector went even so far as to issue a
order to the petitioner, stopping his p
till the production of the certifica
from the Civil Surgeon Chittoor. Vi
memo No. 225, dated 14-7-98.

XXII. That petitioner had therefo
to protest against the above order
the Collector, as the medical certi
ficate had not been called for aut
horities, and to get his orders to th
Treasury Deputy Collector to pass hi
pay, without which he had been u
necessarily put to serious difficult
and inconveniences.

norable Board dated 30-9-98, pe=

pies of the medical certificate, and

nation, touching them, for the consi=
deration of the appellate authorities.
se copies have not yet been furnished
o the petitioner.

XIV. That petitioner most humbly
egs to submit that he has not been
uffering from disease of any kind
o as to unfit him for further service
e is aged only 46 years, and is still
rong enough to serve Government
r several years more.

XV. That petitioner had most
aithfully and honestly served Go=
vernment for the long period of
7$\frac{1}{2}$ years nearly; and his services
ave been much appreciated by
l the superior officers, whom he
ad served, except the last, as will
e seen from the copies of the testi=
monials, submitted already with
is explanation to His Excellen=
cy dated 26-1-99.

XVI That petitioner during his
ficial career has also done some
rks, deserving the merit and appro=
bation of

of
following single instance amon
them, as by enumerating all, th
=tition, which he fears has already
=come lengthy, may swell and be
tiresome;—

Petitioner, while acting as th 5
Town Sub Magistrate of Vellore
1890, brought to an amicable settl
=ment the long existing dispute be
=tween the two rival factions among
the wealthy merchant Lubbais of th
town, by which innumerable seriou
riots were of annual occurrence pr
=viously during the Ramzan feas
which led to a large number of Crim
=nal prosecutions on both sides ever
year, ending in both convictions an
acquittals. The truth of this may b
ascertained from the records in
Vellore Town Magistrate's office, a
well as from local enquiry.

The then Sub Collector and Joi
Magistrate, Mr. Bannatyne McLe
(now the Collector of Anantapur) b
=ing much pleased with the petition
for the above, and other works turn
out by the petitioner then as a Mag
=trate, was pleased to express, when
=ever he saw the petitioner, that he
an "Excellent Magistrate".

XXVII. That petitioner was always

icers, and he was inva g select
and made to attend all enquiries
l matters of a "confidential" nature,
which the interests of Government
re involved.

XVIII. That petitioner most respectful-
begs to submit for the kind and
enevolent consideration of His Ex-
cellency that the records of the case
ould clearly show that petitioner
as been unjustly submitted to medi-
al examination, that the issue of
e medical certificate, which had no
earing upon the health or capacity
f petitioner's fitness for further ser-
vice, was simply the result of the
onspiracy, formed and calculat-
d to ruin the petitioner, and that
ere were no sufficient grounds
or retiring petitioner so premature-
y. So far as the ~~matter~~ petitioner has been able
understand, the facts comprising
e medical history of the case, ap-
pears to have been so twisted as to suit
e present purpose.

XIX. That the circumstances under
hich the petitioner was subjected
medical examination, and the man-
er, in which the medical certifi-
cate, incapacitating petitioner for
urther service, was procured, will
e petitioner thinks convince His
cellency that petitioner had been
rks, ma
zbation of

---

oo p rely i dea
sufficient cause, detrimental
to the interests of the State, and th
of the poor petitioner.

XXX. That by petitioner's compulse
premature retirement, petitioner
only been unjustly deprived of
advantage of earning and enjo
zing full pension, which he coul
get, if he had been allowed to ser
Government for some years more
without being disturbed as above.

XXXI. That the Treasury Deputy Coll
or is the same officer, who on the r
port of the Collector of Salem has (a
the petitioner understands) been ~~sto~~ degrade
by Government to the lowest rank,
in his Grade, with his further pro
tion restricted, and his magisteri
powers ~~degraded~~ reduced by from first to Seco
class, with orders to watch him.

XXXII. That petitioner on 4-11-98 & 11-1
applied to the Accountant-Gener
and to the Collector respectively, r
questing that his case for Pensio
may be treated as a Special one u
der Article 1005 C of the Civil Servi

le petitioner as follows:—
r "The Accountant General
as no appellate authority in the matter, and
he Collector will not therefore for
ward his petition"—
The petitioner has not yet been
informed of the result of his appli-
cation to the Collector;
XXXIV. That the petitioner's applica-
tion for a copy of the Pension Appli-
cation on his behalf to Government,
n view to explaining the discrepanci
s, and supplying the omissions there
in, if any, before its submission to
overnment, was also refused by the
ollectors. Vide Endorsement No 2405 / 26-9-98
XXXV. That Article 574 of the Civil
ervice Regulations also runs thus:—
"There is no bar to the re-employ
ment of an officer, who has regain-
l health, after obtaining Invalid
nsion, or if an officer is invalided
being incapacitated for employment

XXXVI. That, as already submitted
in his previous applications, to His Excellency
quoted in the Preamble, the sma
Invalid Pension of Rs 19-12-5
per mensem, sanctioned in G. O.
No. 804, dated 2nd November 189
is quite inadequate for the main-
tenance of the petitioner's large
family, consisting of half a doz-
children, an orphan wife, who i
destitute of even brothers, and
every other kind of relations,
take any c[illegible] of her, and an
old aunt, [illegible] ther's sister), wh
having been widowed in her chil
hood, joined the family durin
his father's lifetime, brought pe-
titioner up from his infancy
and is solely dependent on him
XXXVII. That amongst the six chil-
dren, petitioner has got an only ~~a~~ minor
son, aged ~~only~~ 8 years, who is
now in his alphabets, and has
to be fully educated.
XXXVIII. That the circumstances

n engaged the [illegible] ar etitioner to furnish a cer[illegible]ficate, ncapacitating petitioner for further Service, in the 2nd instance, while he had himself on the first occasion ertified that petitioners complaint was of a trivial nature, require o be carefully considered. They ave been revealed by the Civil Surgeon himself to his friend, i.e. the ivil Apothecary, Conjeeveram, as described in para II supra.

XXXIX. That the reasons for the Civil Surgeon furnishing a certificate in the above manner, in the second instance, are not far to seek, and are best known to the Civil Surgeon himself.

LX. That the family for the last many generations, had eaked its livelihood by serving Government alone, and every one had deceased pennyless, leaving no property of any kind to his heirs to live upon, as one and all of them had honestly and faithfully served Government all along.

N.B.
The petiti

VI. That similarly petitioner,

[illegible] the long period of 27½ y for which he has served Government been living on Government bread only, without any other source of income

LXII. That, as petitioner, besides being very honest in the discharge of his duties, had held only small appointments, ranging only from Rs 15 to Rs 65, throughout his official career, he was unable either to save any thing or to acquire landed or property of any other kind, to help him now with his small pension. The monthly salary drawn by him having been itself insufficient for the maintenance of the large family, petitioner had to incur large debts, for other expenses, required for the marriages of his children &c, which remain yet to be cleared.

LXIII. That petitioner has passed the First Examination in Arts, held in December 1870, and further completed the Tests prescribed for Thasildar's post, in the Criminal portion of which he has stood as the first in rank amongst the passed Candidates in the whole Presidency.

LXIV. That the hardship and difficulties when the [illegible] selected as been subject, ever since he was bereft of his appointment from 27th August 1898, may better be imagined than described."

LXV. That petitioner, under all the above circumstances, most earnestly prays that His Excellency will be graciously pleased to take into His Excellency's most merciful and benign consideration the petitioner's very pitiable case, and the serious injustice done to him by his compulsory retirement, and to order* the grant of full Pension of Rs 32-8-0 per mensem, being half of the pay, i.e. Rs 65, of his last appointment of Chief Local Audit Clerk, which was conferred on him in September 1894, with the sanction of the Government of India if necessary, (in lieu of the present small Invalid Pension of Rs 19-12-5 per mensem), as well as to direct that the said Pension be granted for two lives, viz, petitioner, and his minor son, the latter being continued only till he attains self supporting condition, and being paid to his mother and guardian, until he is relieved of his minority, which boon will be ever remembered by all the members of the family in this and all the future generations also, and the name of His Excellency always adored in the family, for years and years to come, daily.

For the above act of kindness and generosity, petitioner as well as his nearest kins and relations shall, as in duty bound, for ever pray for His Excellency's long life, sound health, and continued prosperity.

2. The Local audit clerk is deterring us from attending to our work of which we have more than enough to do, this being the heavy period, by writing such big office-notes to us (his assistants) & by pressing us to reply ~~then~~ then & there by subsequent big office-notes as reminders. Most of our time is thus engrossed in replying to his office-notes. Not a single day passes without an office-note from him to us. More than 1/2 a dozen office-notes have been already returned to him within the last 5 or 6 days. Thus the whole of Local audit clerk's time is occupied in writing such big office-notes (4 of which are herewith submitted for ~~pers~~ perusal) to us, which serve no useful purpose but waste of time; when the informations required can be got smoothly by asking us orally, as the Seats of the clerks are arranged not far from ~~but~~ each other.

Office-Note

The 3rd Audit Clerk is requested to get all the Receipt Statements & periodical returns &c, of the past official year, which are now out of order, arranged in some way with the assistance of the Attender, and to issue reminders (i.e. check-slips) to the officers, from whom the statements, and returns, may yet be due.

2. It is presumed that a register or registers are already maintained by the above Clerk, shewing the date on which each and every statement or return has been received; and if such a register has not hitherto been maintained, the 3rd Local Audit Clerk is desired to send me a detailed list, shewing the names of the several Receipt Statements and periodical returns, &c, received in this Department, and the officers, from whom they are received, so that a form may be prescribed for opening a new Register from the

fee-note D/8-3-98, to the last two items, the 3rd Local Audit Clerk has stated as follows:—

For No (8) "No records to be sorted"
" — Do (9) – Maintained —

These two replies are inconsistent with each other and require explanation — If no records were sorted, how was the Register connected with item No 9 maintained, and what were the entries made in it?

The Register should be sent for the L. A. Clerk's inspection.

If the sorting of the records of this Department, with reference to the rules relating to the "Sorting of Records", had not been done hitherto here, but only by the Establishment in the Record Branch, all the records (including Bills and Vouchers &c.) up to the period of the last inspection by the Assistant Inspector of Local Fd Accounts should be arranged, and sent, (as was done by the Spl Fund Department) to the Record Keeper for being sorted and kept in the Record room. A list of all the records & Vouchers &c so sent must be prepared & kept here, for reference

Otherwise, the work of sorting the records of the Department should be attended to by the 3rd Local Audit Clerk himself, and taken up and completed as soon as possible for being sent to the Record room.

From the disorderly state, in which the L. A. Clerk found the Receipt Statements and periodical returns &c kept with the office records, he is led to think that the 3rd Audit Clerk, though he has been placed in charge of the records, according to the Work Distribution List, pays little or no attention to the arrangement of records. He is therefore desired to pay, and devote his special attention to this important of his work, henceforth, and to see that all the records (including Vouchers and bills &c) are arranged then & there, and kept in their order in the Bureaus. He is also requested to reply to the Local Audit Clerk's office-note, D/2-5-98, & to furnish the list therein called for without further delay, returning the office note itself with his initials & date, after taking

In submitting herewith the accompanying three papers, received in the Local Audit Department, the Local Audit Clerk begs to request that the Treasury Deputy Collector will be pleased to note the nature and tone of the 3rd Audit Clerk's reply to the L A Clerk's requisitions, and to take such notice of them, as may be deemed fit:—

	L A Clerk's note	3rd Audit Clerk's reply

found mixed with the periodical returns &c on search made by the L.A. Clerk, after the 3rd clerk refused to take them out, and they were taken out, and the reference disposed of by the Local Audit

The statement of the 3rd Audit Clerk that the original reference was made by L.A. Clerk is not true, inasmuch as it was sent out by the 3rd Audit Clerk himself on 30-6-97, when he was himself attending to the check of Receipt Statements also

The 3rd Audit Clerk has to account for his failure to note the receipt of the above statements from the Dt. Board office, (as Disposal numbers have been given to them in that office) against the original reference in this office Register –

Item No 2 – The journal connected with item No 2 was taken out by the L.A. Clerk, and the Travelling allowance Bill has been called for from the Dt. Board Engineer –

Item No 3 – The petition has since been disposed of after reference to the rules &c –

The Local Audit Clerk begs also to bring to the Deputy Collector's notice that he sent two office notes to the 3rd Audit Clerk, one on 2-5-98, & another on the th Instt, the former to furnish him with a ist of all returns & Result Statements, received n the Deptt, for keeping a Register, to show he dates of their receipt in the office, and latter to inform him what works he is ping in arrears with reference to the Work ribution list, and to send the Registers (special) tained by him, for the L.A. The 3rd audit clerk has certainly overstepped his bounds in adopting the tone he has adopted in his notes & replies. The fact will not be lost sight of & has been noted. On the other hand the L.A.C. has given ample evidence of his own inability to manage any office, even with only a couple of assistants. The question as to whether he should be relegated to a more subordinate position is under consideration. In the meanwhile I note that he wastes his time by writing lengthy notes where a verbal question would have answered the purpose. I can hardly get any original work from him without constant personal supervision & I can't afford the strain. For the present, to avoid delay & inconvenience, I direct that item 10 of the chief audit clerk's work list be struck off & the same added to the S.H. a/c thereby [illegible] the L.A.C.'s papers should not come here

Note for Collector

The renewed application of M. R. Ry C. Vethachellaiyer Local audit clerk for one months privilege leave is submitted herewith to the Collector for orders.

In 1896, when the clerk put in an application for retire[illegible]cation on the ground that the [illegible] state of his body did not permit him to remain in the service any longer, he was sent to the Civil Surgeon for examination and Mr Hector, the then Civil Surgeon, after protracted observation and great correspondence, was of opinion that the clerk was fairly in bodily health but that his mind was partially at fault, he having been suffering from melancholia, that he did not, however, consider him unfit for further service, that by rest & treatment his mental state would improve. Most Honored Sir,

I most humbly beg to submit that, with reference to my petition, applying for one month's privilege leave, to which I am entitled, and for which I have renewed the application, after the inspection was over, as per your honors orders D/26-5-98, I have received the order of the Treasury Deputy Collector No $\frac{225}{6-7-98}$ directing me to appear before the Civil Surgeon, Chittoor for examination.

2 I have already, when my first application was put in, been examined by the above Civil Surgeon, who then told me that he would send for my descriptive Roll and Service Register, and reply to the letter sent to him by the Treasury Deputy Collector. He appears to have replied that I have been admitted as an outpatient

3 My application was one of privilege leave, for which no medical certificate is necessary.

4. The disease, dyspepsia, from which I have been suffering has almost reached its climax, and the symptoms in my stomach are such that if I do not have a change of climate, and place myself under my proper treatment at once, the consequences will be serious.

5. The Asst Inspector of Local Fund Accounts, after finishing the inspection, also advised me to take leave, and have rest for some period, as he found my health to have been greatly impaired by the very hard work, which I have been doing.

TREASURY DEPUTY COLLECTOR
21 JUL. 1898

Most Honoured Sir

In continuation of my previous applications for one month's privelege leave, to which I am entitled from the 19th May last, I most humbly beg to submit that the Treasury Deputy Collector has, in Memo No 225 dated 14th instant, directed that my pay will be stopped from the date of the Memo till a certificate is filed by me from the Civil Surgeon Chittoor. Copy of the Memo is herein enclosed for your honour's perusal, marked A.

(2) As already submitted by me in my petition dated 9th instant, medical certificate is not necessary in this case, my application being one of privelege leave. The letter of requisition referred to in Memo $\frac{\text{No } 225}{\text{a c c}}$ d/ 6-7-98 quoted in the above Memo A, to the Civil Surgeon Chittoor, appears moreover to have

the applicant belongs, for furnishing the necessary medical certificate. If the applicant fails to place himself under the observation of the medical officer and to produce the certificate, he is only granted any other kind of leave to which he may be found eligible. I am aware of no other instance, in which compulsion has been placed on the officer applying for leave to undergo medical examination.

8. The Assistant Inspector of Local Fund accounts has, after finishing the Inspection, advised me in the presence of the Head Clerk District Board office and others to take leave and have rest for some short period, (undergoing also any treatment which may be necessary for recruiting my health during that period) as he observed my health to have been greatly impaired by the hard work, I have been doing.

SIR,

I enclosing Letters Nos 200/1.6.96 & 200/21.7.96 (for perusal and return) received from the Dy. I have called the District Medical and Sanitary Officer at Vellore in consultation to dispose of Vathachella Iyer's case. This will be on the date on which the Board meets for the current month.

In reply to your letter No. 175 dated the 27 ultimo, I have the honor to state that the marginally noted clerks, who work in the same room as the audit clerk C. They say that, instead of doing his business steadily, Vedachela Iyer would take up a paper, look at it for some time, then put it down and sit quiet, as if meditating upon some thing, then take up the paper again; and that, in short he gives indi of some derangement in his mind

2. The post cards as per accompanying list, written by Vedachela Iyer to me, while he was on leave and after his return to duty, and also a letter written by his brother to the address of the Collector, are herewith forwarded for your perusal. The statements made in these papers coupled with the indifference the applicant displays in the discharge of his duties would seem to show that his mind is somewhat deranged.

3. The documents sent herewith may be returned to me when no longer required.

4. In judging of Vedachela Iyer's fitness for further service, the nature of his work has to be borne in mind. His is a very responsible duty. He has to audit an expenditure of about four laks of rupees. His audit is practically final, the vouchers not going up to the Accountant General as in the case of Provincial charges. Even a slight inattention to his duty is, therefore, likely to ~~bear~~ lead to serious consequences.

5. The clerk has been directed to appear before you between 8 & 11 A.M. on Wednesday the 3rd instant.

SIR,

In reply to your letter No. 235 dated the 8th instant, I have the honor to state that calculations of figures are made for the audit clerk by his Assistants. His duty is to see whether the vouchers fulfill the requirements of the rules, and whether he has been doing this work well or ill will be found out during the next inspection of his work by the Assistant Inspector of L. F. Accounts. But I may point out to you that even a person of sound mind may commit mistakes in

Calculation

calculation which is, therefore, no test of one's state of mind. As to my experience and that of my clerks regarding the audit clerk's mental weakness, I have already given as much information as can be furnished in my letter No 200/petn dated the 1st ultimo to your predecessor. This information together with the bundle of post cards written by the audit clerk, which have also been forwarded to you, ought to enable you to form an opinion regarding the state of his mind. Perhaps, if you give him a somewhat difficult sum in Arithmetic and make him work it out in your presence in a given time, you will be able to observe whether his mind is sound or not.

2. I may add that delay in audit work is most to be avoided. Unless the vouchers are

are promptly scrutinized, the check becomes useless, ~~and dangerous~~ of dilatoriness is combined with a weak brain, the inexpediency of entrusting the man with audit work becomes obvious.

3. In conclusion, I request an early disposal of the matter, as the audit clerk's pension papers have been pending for a very long time. He has been directed to appear before you to-morrow.

SIR,

Adverting to your letter No. 352 dated the 28th instant, I have the honor to inform you that no improvement has taken place in the case of the Audit clerk referred to therein and that all the defects noticed by my predecessor in his letters No. 200 dated the 1st June 1896 and the 21st July 1896 still continue. In addition to supervising the work connected with the Local Fund Audit he has also to supervise the Special Fund department of this office and has also to go on circuit for 2 weeks in a month for the purpose of inspecting the accounts of 21 Unions and the Special Fund Accounts of 9 Taluks and 7 Divisions, in the District. On the last

2 occasions when he was sent out for inspection duties, which were in 1896 & 1897, he abused his time by inspecting the accounts already inspected while there were those which had not been inspected before, inspecting pounds & chavadies which need not at all be inspected by him, by staying at a station longer than his duties would permit him to do, and by several other ways, thereby allowing the head quarter work to fall into disgraceful arrears. In consideration of this wastage of time he allowed, I did not permit him to go out again for inspection work. Even while placed solely at head quarters he does not do justice to his work but wastes his time by writing useless petitions & quarrelling with his subordinate clerks which are but few in number. Considering the state of his inefficiency I have transferred the supervision of the

Special Fund branch and even of the Local Fund Audit branch to the English Head Accts. of the Acct. branch and have directed that his papers also should be sent through the Eng. Head Acct. He is very insubordinate and contumacious and misrepresents facts when appealing against orders passed by me. As evidences of his incapacity for work, insubordination to his superiors, pugilistic spirit toward his subordinates, and tendency to waste time on useless matter, I enclose this office records as per list, which please return when no longer required.

As my pay for the month of July 1898 has been withheld by the Treasury Deputy Collector, who has passed the following* orders regarding it, I most respectfully beg to request that its payment to me may be ordered, being under such pecuniary difficulties

"Held over for future payment for the present, till the question of his punish-ment is decided." — With regard to this or-der, I beg to state that I am not aware of anything against me, needing punishment. After the above order was sent to me, yesterday the Treasury Deputy Collector called on me to explain why the weekly arrear list was not sent in. I have furnished the expln.

[illegible] sending herewith copy of the Treasury Deputy Collector's me-mo, Ref on Petn No 225 D/24th Ins-tant, I most humbly and res-pectfully beg to submit the fol-lowing few facts for your honor's most merciful and benign consi-deration.

2 I have not put in any appli-cation for retirement now, on which the references, if any, made to the medical officers, (on the office note probably of the Treasury Deputy Collector, who has not been well disposed towards me, on account of my having complained against him in my appeal petitions to the Board and the Collector, about my leave & Travelling allowances), to examine me as to my fitness

or otherwise for further service and their certificate, referred to in the memo may be based. The present question has arisen only from my application for one months' privelege (to which I was entitled), which I made on 11-5-98, and which I renewed as per your honor's orders after the inspection was over.

3 When I appeared before the Civil Surgeon Chittur for examination, in obedience to your honor's orders contained in memo D/ 25th July 1898, I was given to understand that the examination, which he was required to make of me, was not for the purpose of ascertaining whether the privelege leave was necessary or not, but to certify to my fitness for further service.

I pointed out then the above fact to the Civil Surgeon, who told me that the application, which I had presented in April 1896, was the basis

on which he has been required to act. I have since withdrawn the above application, which I had then been only forced to put in owing to the then Treasury Deputy Collector passing some censures on my work, which were not warranted.

5 Further the then Civil Surgeon, Mr. Hesterlow, to whom I was on the above application sent for examination, after keeping me under observation for a sufficiently long period, and closely examining me too, recommended the grant of leave on medical certificate for six months, which was sanctioned, as he found no reasons for retiring me so soon. Vide his History of my case, which has been countersigned by the Dt. Medical officer also. Thus the matter had then finally ended in that way, and no action could, I think, have been taken now again, on the same application.

6 The present Civil Surgeon himself, has on the very first reference

Respected Sir
ost Obedient

made to him about one from this office in the present case stated that my complaint was of a trivial nature. Vide your honor's memo Dis No 1451 D/15-6-98. While so, the reasons for his exaggerating the matters now again are best known to himself and requires very careful consideration.

7. I have stood the very minute examination made of me by him in the present instance, and he has himself expressed to me on each & every occasion that I have correctly answered all the points.

8. The Civil Surgeon has I learn, laid much stress, on the report drawn up by him, on the opinions expressed by previous medical officers in my case — Here I humbly beg to add that a person, who was once very ill, may become all right in no time, and it has been proved to be so in many instances. The object of the present reference made to the medical officer, must I think not be otherwise than to give his opinion about the present state of my health —

9 - The history of my case, drawn up by the last medical officer, i.e.

on Petn No 225 of 1898

the Civil Apothecary Conjeeveram has been fully in my favor, inasmuch as it clearly states that I have been free from "Melancholia" and look cheerful, and that the only complaint I was then suffering from was occasional "Stomach ache". The above history has been countersigned by the Surgeon also.

10. The above medical officer had also, on a query put to him by the Dt Medical officer to his report, on his history, replied that I would be fit for duty at the end of the 3 months, for which extension of leave was recommended by him, and that but for my stomach complaint I was able to do my work very well. Accordingly, I have been furnished by the District Medical officer N. Arcot, Vellore, with a certificate of fitness for duty D/17-6-97, and I have on the strength of that certificate rejoined my appointment on the 18th idem, and continued to discharge my duties steadily ever -

Respected Sir
ost Obedient

since. I have not availed of leave of any kind from that time.

11. When I appeared before the Dist medical officer, as required, on the 10th & 11th Instts, I represented to him all the above facts in person, upon which he told me that he would, in Conjunction with the Civil Surgeon, arrange for and recommend the one months privelege leave applied for by me. He did not make any examination of me.

12. I had a severe attack of fever in March last, which continued for several days together, and in spite of which I was attending the office then.

13. I appliedx to the Treasury Dy. Collector for permission to avail of a portion of the Easter Holidays to get myself cured of the fever, and as it was not granted, the fever was immediately followed by dyspepsia, from which I have been suffering ever since, and on account of which I have been obliged to put in my application for one months privelege leave.

x Vide endorsed appln d/ 7-4-99

14. Under all the above circumstances, I most humbly & earnestly pray that your honor will graciously be pleased to order the Treasury Deputy Collector's orders to be kept in abeyance, till my appeal to the Medical Board, which I intend making, is disposed of. I beg to remain

"Submitted to the Superintendent with the request that the application may be forwarded to the Collector of North Arcot, with a strong recommendation.

From the printed copy of his certificates enclosed in the application, it seems that the Collector has already formed a good opinion of S. 'Aiyars' work in the District. In this office, S. Aiyar, has shown that he possesses a knack of managing a large body of men. The sections under him always

give me the least trouble. Unlike many others of his stamp, he works cheerfully and co-operates with me heartily in my endeavours to bring the work to a speedy close. He is intelligent, industrious and so far as I have seen consciencious and trustworthy. He is the best of the men that came to me from the Districts and Mr. Hensman, who looked after my office during my absence on leave informed me that S. Aiyar was the best Supervisor in the two offices put together.

Endorsement No. I.

Forwarded. The applicant has worked most satisfactorily during the time he has been employed in the Census office. He is intelligent and industrious and he has shown that he can effectively control a large body of clerks.

(Signed) H. A. STUART,
Superintendent of Census Operations.

27. Before handing over charge of my office to my successor, I think it my duty to place on record my sense of appreciation of the work performed by T N Subbaramayya, the supervisor. I first put him in charge of the Testing Section intending to replace him by a more capable man as soon as one became available. The Testing section was the most important section in the office and hence I had misgivings as to the man's fitness for the post. Within a month, however, Subbaramayya's work showed that I was wrong in my estimate of his capacity and that he was eminently qualified to hold the post I had conferred upon him as a tentative measure. I not only confirmed him in it but also resolved to retain his services till the office came to a close. I am glad now to be able to state that I am not sorry for the arrangement I made. S. Aiyar possesses the rare tact of managing a large office in a way so as to give satisfaction both to his superiors and to his subordinates. He is one of the few men who take real interest in their work and do it cheerfully. It must be stated in justice to him that the advance in work which this office has made over other offices is in no small measure due to his zeal and loyalty in carrying out my orders. Should he continue to do his work as well as he has been doing here I am sure, he will rise to hold many important posts in the service.

Deputy Superintendent Census Operations.

29. I am glad to be able to say that during the time he has been employed in the Census Office, Subbaramayya has worked most satisfactorily. He is intelligent and very industrious and he has shown that he can effectively control a large body of men. From the beginning, he was in charge of the most important sections of office No. IV and he was put in charge of the whole office when the Deputy Superintendent was absent on leave for a month. He was in fact one of the best, perhaps *quite the best* of all the men employed as Supervisors and I hope his good work will be rewarded by promotion at an early date.

Dis No 2105 D/26–2259 8 24–11–98

The Endorsement makes me understand that the application for Pension on my behalf has already been sent to Govt; but I have not been able to draw the pension as yet, the sanction having not been received. I beg therefore to request that the sanction may be obtained at an early date, as I am suffering much from great pecuniary difficulties, having had no other sources of income ever since I was retired from 28–8–98
