CHIEF SECRETARY
12 MAY. 1900
GOVERNMENT OF MADRAS

SUBJECT:

The memorial of C. V. RAMACHANDRAIYA
retired Inspecting Schoolmaster Palladam Taluk
Coimbatore District regarding his pension
application now pending before Government
from 29th April 1898.

To

HIS EXCELLENCY
SIR ARTHUR ELIBANK HAVELOCK

G.C.M.G., G.C.I.E.,

Governor in Council of Fort St. George

MADRAS

May it please your Excellency.

Your Excellency's humble memorialist, the retired Inspecting Schoolmaster of Palladam Taluk in Coimbatore District, most respectfully begs to submit for your Excellency's favorable consideration the following representations in connection with the memorialist's application for pension now before your Excellency's Government. The memorialist was retired from service in November 1897, and the application for pension was transmitted on his behalf in due course by the President of the District Board Coimbatore. Eighteen months have elapsed and yet the humble memorialist has not been favored with the hoped for orders granting his pension. His distress owing to indigent circumstances has increased beyond description and his suspense has become intensely painful. He petitioned the President now and again and was at last favored by him with a copy of the reply (I. A. E.

dated 22nd March 1899) of the Accountant General to his enquiry on the subject, from which the memorialist learnt that "his pension papers were despatched to Government on the 29th April 1898" This reply has been so far reassuring to the memorialist and he sustains his otherwise insupportable life in the full hope that, since the application is placed before your Excellency's benign Government, favorable orders will be passed and his domestic cares relieved ere long.

2. A brief history of the memorialist's public career may not be out of place. He was, though in a humble way, one of the pioneers of English education in the Coimbatore District. He began his service as a schoolmaster so long ago as February 1862, when Government Taluk schools had just been established. The Headmastership which he held in Dharapuram and Pollachi Government Taluk schools (since made Board schools) extended over a period of 23 years. In recognition of his efficiency he was made an Inspecting Schoolmaster in which capacity he served for 12 years. Commencing with the initial pay of Rs. 20, he terminated his service with 40 Rs. He respectfully invites your Excellency's attention to the following few sentences quoted from the testimonials granted to him by the several officers under whom he served.

Mr. T. Marden late Inspector of schools has recorded in his report on the Pollachi Taluk school dated 12th August 1874:—"Considering the staff of the school and the fact that this is the only Taluk school in the District that is fully developed, I consider the result decidedly creditable to the Headmaster Ramachandrayar and his assistants"

Mr. C. Sama Rao late Deputy Inspector of schools certifies under date the 2nd January 1867—"During the period I had charge of the District I have been fully satisfied with the manner in which he discharged his duties (as Headmaster of Dharapuram)"

Mr. Vijayaranga Mudaliyar once Ag. Inspector of schools—"was pleased with the manner in which C. V. Ramachandrayar, Inspecting Schoolmaster Coimbatore Taluk discharged his duties. I think he deserves promotion." Dated 19th October 1887.

Mr. J. P. Lewes now Deputy Superintendent Reformatory school Chingleput opined—"C. V. Ramachandrayar is certainly deserving of a better salary than Rs. 35 which he now draws. It will be simply rewarding merit if a special case can be made out to give him a higher salary in due course. He possesses also an excellent character"

Mr. J. P. Lewis says in his annual report for 1887 - 88—"His abilities as an Inspecting Schoolmaster are above the average, the Taluk has improved under his supervision and among the Inspecting Schoolmaster he is decidedly the best."

Mr. T. Visvanathaiyar late Deputy Inspector of schools certifies—"I venture to recommend that he be given promotion in consideration of his long and creditable service" Dated 22nd December 1888.

Mr. D. S. Krishnasami Aiyar Asst. Inspector of schools states in his printed annual report for 1890 - 91 page 28 para 22b—"The satisfactory condition of the schools (schools in the Coimbatore Taluk) is due mainly to the efficient supervision exercised by the Inspecting Schoolmaster C. V. Ramachandrayar."

Mr. T. Srinivasa Rao late Sub-Assistant Inspector of schools Coimbatore and Nilgiri Range certifies—"For the long and approved service he has put in, he certainly deserves promotion which I trust he will be the first to get when there is an opportunity for the same. He also bears an excellent character." Dated 22nd December 1894.

3. Your Excellency's humble memorialist begs in conclusion to submit that in the conflict of world's opposing interests unforeseen miseries fall to man's lot even in an undeserved way. But whatever may have been the memorialist's short comings, he throws himself upon your Excellency's clemency and humbly trusts that he will not be given over in his declining years. The memorialist has a large family to support and he was not provident enough to lay by any provision for life's closing years. It is a bare truth that his eldest son who ought to have passed Matriculation a year ago, is kept back from school owing to the memorialist's insufficiency of means to support his education. The memorialist begs to add that the whole Presidency rejoices in the heartfelt sympathy of your Excellency, expressed on all public occasions in the welfare of its people. The memorialist therefore feels assured that his humble representation will likewise secure your Excellency's sympathetic hearing and that early orders will be passed granting the reward, prayed for, of the arduous labors of a life time devoted to public service.

For which act of charity your Excellency's humble memorialist will for ever pray for your Excellency's long life and prosperity.

To

His Excellency
The Governor in Council

at St. Georges.
The humble petition of *Gov. Ramachandraya*
late Inspecting Schoolmaster of the Palladam
Taluk, Coimbatore District.

Most Respectfully Sheweth-

Petitioner having served for upwards of
35 years in the Educational Department
as a Government and Local Fund servant
eligible for pension, resigned his
appointment and requested the President
District Board Coimbatore to recommend
for pension on the 7th September 1897. He
was relieved from duty on the 4th November 97,
but has not as yet been favored with
the order for pension though it is more
than 10 months since being relieved
from duty. The petitioner having been
a low paid servant he has to depend
solely on his pension for his maintenance
notwithstanding he is a man with a

large

large family and as such how
great the pecuniary difficulties which
the petitioner had to meet with during
the past ten months, I should have been,
might be imagined by Your Excellency.
The hardship which the petitioner
experiences owing to the nonreceipt
of his pension is inexpressible.

Under these circumstances the
petitioner most earnestly prays
that Your Excellency may be graciously
pleased to favor the petitioner with
early orders for pension and thus
protect him and his poor family
during his present old age.

Petitioner will, as in duty bound ever pray.

L. V. P. Ramachandraya

of the Palla dome Taluk Coimbatore Dist.
and acting Inspecting Schoolmaster
of the Erode and Karur Municipalities
