SIR,

With reference to G. O. No. 60, Revenue, dated 21st January 1899, I have the honour to submit herewith the preliminary application for pension, under Article 997 of the Civil Service Regulations, on behalf of my Treasury Deputy Collector, M.R.Ry. Dewan Bahadur H. Subbaraya Aiyar Avergal.

2. He has earned his pension by long service in various branches of the Administration and has been granted a year's additional service in consideration of his service during the great famine of 1877-78. The grant of a year's service entitles an Officer to retire a year sooner than he otherwise could do and it seems only logical that pay for

that year should be calculated at the rate drawn when the Officer retires. I therefore strongly recommend that the extra year's service be treated as service in his present grade and the amount of pension calculated accordingly. If the Government would be so pleased as to order the grant of the one year's service in his present grade, it will enable him to obtain a pension of Rs. 10 more than the amount specified on page 1 of the pension application.

Resolution

The officers mentioned did good service during the recent famine in Madras, Bombay and Mysore respectively. The case of the two first comes within the conditions laid down in clause II of paragraph 4 of Resolution No. 2087 dated 10th August 1878. The two last were obliged to take sick leave. Mr. Jukes in consequence of the failure of his health during his famine duties and Lieutenant Fitzgerald soon after the famine in Mysore, both these officers are therefore entitled to the concession specified in clause I of para 4 of the resolution quoted. Under these circumstances, the Governor General in Council is pleased to sanction the concessions recommended on behalf of all four officers.

Ordered that the above Resolution may be communicated to the Governments of Madras and Bombay, to the chief Commissioner of Mysore and to the Military Department

Ordered also that it be reported to Her Majesty's Secretary of State for India.
