The Honourable G. Stokes
Chief Secretary to Govt
His Chief Assistant

Honourable Sir,

I beg to state that my domestic circumstances do not permit me to continue in office till the end of the official year, I therefore request you to permit me to retire from service on the 1st February, 1899.

I do so I beg to submit the following facts to your most favourable consideration. My service in this office extends over a period of 35 years, and during this long period I have been doing my work with diligence, industry and honesty, and to the entire satisfaction of all the under Secretaries under whom I personally served as a Referencer and of other immediate superiors.

In consequence of my long and tried experience as a Referencer, my retention in service after fifty five years was yearly sanctioned. I am still able to do the work without any drawback on my part, but my application for another years extension up to 31st March 1900 has been negatived.

I further beg to state that during the long period of 35 years, I have had no leave of any kind not even privilege leave, and when at the end of the last year I applied for three months privilege leave I was not able to get it. My permanent pay is Rs. 100, and this amount I have been receiving only for the last thirty five months, consequently my average salary for the last five years will not entitle me to the full pension of Rs. 50 per mensem.
