MEDICAL HISTORY.

The nature of present illness, its symptoms, causes and duration, &c., should be stated here.

I visited this man at his residence on three occasions with an interval of
15 days. It is impossible to get him to attend the Hospital or elsewhere. He
is taciturn, melancholy & irritable in disposition. answers questions only
occasionally, but when he does so talks coherently. He says that he
has resigned his appointment in the Service and does not wish to be
"bothered" any more by officials. Has a strange expression and does
not altogether realize his surroundings. The residents in his house
and his neighbours state that he is very taciturn and that he sits
quietly all day long – occasionally talking aloud to himself. He eats at
irregular intervals and sleeps very badly, but his habits are clean.
Over the members of his family (an old father, a mother and a brother aged about 25)
He appears to exert considerable influence without resorting to violence.
I have no doubt but that he is at present mentally deranged, and that
his ailment has been (apparently) caused by a succession of severe
domestic troubles. I am not sure that his mental alienation is
incurable & hence do not give him an invaliding certificate. I recommend
that he be granted leave for one year (from date of absenting himself from duty)
and that his case should again be reported on after the expiration of this period.

The Surgeon General
Madras.

Most Honoured Sir.

The undersigned most humbly begs to bring the following few lines to your honor's kind consideration

My Brother P. R. Ramasamy Nayadoo, a second class Hospital Assistant, General No: 402. Garabanda, Perlakamadi Taluk, Ganjam Dt. went mad and senseless on the last week of February which I came to know of by a Telegram from the Compounder.

Instantly my brother Narayanasawmy Nayadoo a Police Constable of Trichinopoly took a month's leave proceeded to Garabanda and found him in the same condition as was described in the Telegram

From Garabanda P. R. Ramasawmy Nayadoo and Narayanasamy Nayadoo went to Berhampur where they paid a visit to the Dt. Medical officer

Three days afterwards P. R. Ramasamy Nayadu was found missing; a search was made but it was of no use. Then Narayanasamy Nayadoo had to return to his duty as his leave had expired.

In the Beginning of this month I received information that P. R. Ramasamy Nayadoo was at some place near Ellur Taluq, Krishna Dt.

I went there, found him deprived of his dress, chest, ring, watch etc amounting to the value of some Rs 300 and brought him to Trichinopoly on the 13th July

6 He continues to be in the same condition

Under these circumstances I most humbly request your honour to grant my poor brother P. R. Ramasamy Nayadoo, a man of big family, five month's leave and to do the great favour of sending an order to the Surgeon at Trichinopoly to the effect that P. R. Ramasamy Nayadoo may be examined by him and certified as to his state

For this act of kindness and charity we shall as in duty bound, ever pray waiting eagerly for an early reply.

I beg to remain

Pension application of 2nd Class Hospital Asst. P. R. Ramaswamy Naidu No 402 is herewith forwarded.

2. The hospital Asst was removed from the service by the Surgeon General in his No 3798 dated 20th July 1898, for absence from duty without leave. He closed his dispensary without permission on 28th February 1898 and left the District.

3. The Surgeon General in his No 5211 dated 28.9.98 cancelled the order of dismissal and directed the preparation and submission of his Pension papers.

4. The delay in the submission of this Subordinate's Pension application is due to time taken in getting his services verified by the various heads of departments under whom he served. The hospital Asst. himself was away at Trichinapoly ~~fr~~ whence his finger tip impressions had to be obtained through the Dist. Med. & Sany. officer of that place. The last pay certificate of the Hospital Assistant was received only on the 13th inst.

5. The Medical Certificate was granted by the District Surgeon of Trichinapoly where the hospital Asst. was residing after leaving this District. The Certificate was granted at the direction of the Surgeon General to whom a petition was presented by the hospital Asst's brother.

6. The applicants' services at Anantapore and Bellary have not been attested in the Service Book and accordingly certificates of Verification from these officers are attached.

7. In the Column "How verified", the hospital Asst's services at Anantapore have been verified from letter books as no copies of Pay Bills or acquittance Roll could be obtained there.

8. The Hospital assistant's certificate for retirement is not countersigned by the Surgeon General.

The pension application has not been prepared with due attention to the instructions contained in Standing Order No. 5 of 1898 in spite of the imperative necessity of doing so having been particularly impressed by Standing Order No. 125 of the same year. Your attention is pointedly drawn to the following defects and errors which require rectification

(a) The several finger impressions recorded in the Service Book and on page 1 of the pension application are not distinguished as relating to particular fingers as required by Standing Order No. 38 of 1898.

(b) Under the Standing Order above quoted the finger impressions are to be obtained not only in the aforesaid documents but also in the Collector's half of the permanent pay order wherein express spaces are provided for the purpose.

(c) The attestation of two more entries collectively in the Service Book cannot be accepted as a satisfactory attestation. In all cases therefore in which the entries have not been each separately and contemporaneously attested certified abstract of service should be obtained from the officers under whom the Hospital assistant served.

(d) As the history of services in other Districts could not have been possibly verified from your office Pay Bills &c the entries in the Column "How verified" are not understood. It is the nature of the records that have formed the means of verification by you that should be specified under the column

(e)

(e) The correction of date in the pension application against the entry of the Hospital assistant's service in Garabanda has been neither initialled nor made in red ink

(f) The above remark as far as the want of initials is concerned applies also to the entries in the Service Book relating to the date of the Hospital assistant's appointment in Garabanda and that of transit after his relief there.

(g) The calculation of intervening periods is incorrect in several instances in respect of the No. of days as shown in pencil. The total at foot and on the first page will need corresponding correction.

(h) No entry has been made under head 10 on the 3rd page of the application

(i) The reason for the omission of signature in Col 9 of the service book against the entry relating to the Hospital assistant's appointment to Ramagiri Udayagiri has not been explained.

(j) The verified period in the 2nd entry in the abstract from Bellary is inconsistent with the period noted in the corresponding entry in the pension application. This discrepancy requires explanation

Officer, Ganjam.

Minute II has been complied with as regards item 2.

Regarding item 1, I have the honor to state that it is understood that the period between the date of the Hospital assistant's relief at the Station where he was serving last, prior to his transfer to the General Hospital and that of his report at the General Hospital for duty, i.e, the 10th Septr 1887, must necessarily be the joining time availed of by him.

WITH GOVT. OF MADRAS

To
The Secretary Surgeon General with the Govt of Madras.

Ref accountant General's No $\frac{ADK}{327}$ of 21.3.99 (minute II above) para 2. The Hospital Assistant was serving in Salem District during the year 1886. This office is therefore unable to explain the omission of his name from the annual returns –

2. Reference para 3.a. The date of the applicant's appointment in the service book is 1.7.85. This has also been verified from posting orders in the Surgeon General's office (vide minute II above). The annual returns for 1886 from Salem District probably omitted to reckon the applicant's former time & on first appointment

3. Ref. para 3.b.
The date of birth in the service book is given as November 1863. The date given in the annual returns for 1893-94 from Salem is evidently an error.
