The Applicant was in the Police Dept from 16th July 1863 to 31st May 1873 when he resigned his appointment of his own accord. On the 23rd June 1873 he obtained his discharge certificate from the Police Force. He was without employment for 3 years, 6 months and 5 days and then on the 6th Dec: 1876 entered on the Jail Dept and remained therein until the 21st August 1898 when he was retired on a medical certificate of incapacity for further service.

While verifying the applicant's service in 1898, it was found out that the applicant had tampered with the year of his discharge from the Police Force with the object of gaining 3 years' service. In the discharge certificate 1st June 1873 was entered as the date of resignation, but the applicant corrected the number "3" into "6" – the figure "6" being clearly written in later ink over the figure "3". CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior / superior} grades has been duly proved for years months days; and that a {pension / gratuity} not exceeding Rs. , is admissible under Section of the Civil Pension Code. The calculations have been duly verified. The {pension / gratuity} is chargeable to

Submitted to Government. The applicant commenced Service in the Madura District Police on the 16th July 1863, and continued to serve until 1st June 1873, when he resigned the Public Service. The discharge certificate furnished by the Superintendent of Police, Madura showed the year of discharge as "1876" and not 1873 and on examination, it was found that the applicant had tampered with the date, with the object of gaining three years service from the Police Department. The Inspector General of Prisons thereupon in his Proceeding No. 4703 dated 18th May 1898, (copy enclosed) suspended the applicant from employment, and directed him to show cause why he should not be dismissed. In consideration, however, of the applicant's long service, the Inspector General modified the order of suspension in September 1898 and permitted him to retire from the Service, with effect from the date of suspension. Hence the present application. On receipt of the application this office pointed out to the Inspector General that no pension could be granted to the applicant unless his incapacity for further service was proved by a Medical Certificate as required by article 485 of the Civil Service Regulations. The applicant was afterwards referred to the District Medical and Sanitary Officer of Madura, who on the 14th February 1899, examined and certified him to be unfit for further Service. Should Government, in the circumstances, be pleased to accept, under article 991(c) of the Civil Service Regulations, the Medical certificate, which is dated 5 months and 24 days after he ceased to do duty, qualifying Service in Superior grades will be duly proved for 11 years, 10 months & 4 days, and will render him eligible for an Invalid pension not exceeding Rs 2-3-2 per mensem equal to 11/60 ths of average emoluments under Articles 485 and 518 (b) of the Civil Service Regulations.

2. Certified further that qualifying Service in inferior grades will be duly proved for 9 years 7 months and 5 days and that an invalid gratuity not exceeding Rs 24 equal to 3 months' pay will be admissible under articles 485, 436 & 524 (a) Civil Service Regulations.

3. Should Government upon such conditions as it may think fit to impose, be further pleased to condone under article 465 (ii) Civil Service Regulations the interruption of 3 years, 6 months and 5 days viz from 1st June 1873 to 5th December 1876 caused by his resignation of the public service, the applicant's qualifying Service in Superior grades will amount to 17 years, 3 months and 29 days and an invalid pension not exceeding Rs 3-6-4 per mensem equal to 17/60 ths of average emoluments will be admissible under articles 485, 518(b) & 552 Civil Service Regulations instead of the pension certified to be admissible in the 1st para above.

4. Any retiring allowance that may be sanctioned to him should be subject to such reduction as Government may deem fit to make under article 514 Civil Service Regulations with reference to his character and past conduct which are reported as Indifferent on the 3rd page of the application & especially in view of his misconduct in falsifying his discharge certificate.

5. The delay in the Submission of the application is explained by the Inspector General of Prisons in para 4 of his letter No. 98 dated 5th January 1899. Further delay in replying to this office reference on the pension application is explained by the Superintendent District Jail, Trichinopoly in his letter No. 1091 dated 26th April 1899 enclosed.

6. The difference between the amount of pension proposed on the 1st page of the application and that certified to be admissible above is due to the error in the calculation of the applicant's Superior Service by the office of the Inspector General of Prisons.

The Applicant was in the Police Dept from 16th July 1863 to 31st May 1873 when he resigned his appointment of his own accord. On the 23rd June 1873 he obtained his discharge certificate from the Police Force. He was without employment for 3 years, 6 months and 5 days and then on the 6th Dec: 1876 entered in the Jail Dept and remained therein until the 21st August 1898 when he was retired on a Medical Certificate of incapacity for further service.

While verifying the Applicant's Service in 1898, it was found out that the Applicant had tampered with the year of his discharge from the Police Force with the object of gaining 3 years' service. In the discharge certificate 1st June 1873 was entered as the date of resignation, but the Applicant corrected the number "3" into "6" – the figure "6" being clearly written in later ink over the figure "3". The Police records showed that 1st June 1873 was the Correct ~~date~~. The Applicant was called upon to explain the discrepancy, but could offer no satisfactory explanation; whereupon he was suspended by the Inspr-Genl of Prisons and was asked to show cause why he should not be dismissed from the Service. The Inspector-General says that, on the recommendation of the Supdt of Police who urged the man's long service in extenuation he was allowed to retire from the date of suspension. The Inspr-Genl also remarks that it is possible that Govt may refuse to admit the claim to pension.

For orders as to whether in view of the applicant's misconduct in falsifying his discharge certificate the application should be entertained. Article 385 of the C. S. R. says that "pension may not be granted to an Officer whom it is desired to remove for misconduct, insolvency or inefficiency".

In the present case the applicant was not removed from the service for his misconduct, but was allowed by the Head of his Office to retire. The Accountant-Genl says that if Govt, in the circumstances of the case, be pleased to accept the medical certificate dated 5 months and 24 days after the applicant ceased to duty, he will be eligible for a pension of Rs 2-3-2 p.m for his qualifying Superior service of 11 years 10 months and 4 days. The Accountant-General also says that if the interruption of 3 years 6 months and 5 days caused by the Applicant's resignation in 1873 be condoned by Govt, he will be eligible for a pension of Rs 3-6-4 against Rs 2-3-2 otherwise admissible. The Applicant resigned his appointment of his own accord and his Character is returned as 'Indifferent'; so he does not seem entitled to the Concession asked for.

H.E.,
It seems very doubtful
I submit whether the man should get anything at all. But if the applicn be not wholly rejected, it is submitted that he should not get more than Rs 2-3-2 p.m. for his late service

The alteration of date is so clumsily performed that it is difficult to understand how the man can have imagined that it would pass muster – Give him Rs 2-3-2 as an act of compassion

Registered
No 173

Copy of this office Proceedings No. 4703 dated 18th August 1898 to the Superintendent Central Jail Trichinopoly.

It is clearly proved that Head Warder Latiff Sheriff left the Police Department in 1873. Not only do the Police records show this, but the History of Gazetted officers' Services proves that the late Col. Guthrie was not in the Madura District in June 1876, though he was in June 1873.

2. But the discharge Certificate which the Head Warder produces, shows the date of discharge as "1876" and not "1873" and the Head warder in his explanation dated 12th August 1898 suggests that "1876" was written by mistake for "1873" when the certificate was made out. It is however extremely unlikely that any one, writing in the year 1873, would by mistake give a document a date 3 years ahead. The explanation is further contradicted by the fact that the figure "6" in the certificate has clearly been written, in later ink, over the figure "3".

3. In his petition dated 26th March 1898 and in his Statement before the Superintendent on the 11th July, distinctly asserted that he did not resign the Police Department until 1876. He thus adopted the false date inserted in the Discharge Certificate. He had much to gain by the year 1876 being accepted as the date of his discharge from the Police, as he would

thereby

9

thereby, have been enabled to count not only
10 years' Service which he actually Served in the
Police (July 1863 - June 1873) but also three years
more (1873 - 1876) which, he never served at all. A strong motive for the falsification of his
discharge Certificate was thus present.

4. On the foregoing evidence there cannot
be the Slightest doubt that Head Warder Lathif
Sheriff tampered with his Discharge Certificate
in order to support a false claim to Service.
The Superintendent will atonce Suspend him
from office and will direct him to Show
cause why he Should not be dismissed from
the Service.

—

In consideration of the Head Warder's long
Service, the Inspector General of Prisons will not
object to his being allowed to retire with effect
from date of Suspension, and an application on
his behalf may be prepared and Submitted
accordingly. It will, however, of course be
understood that it is possible that Government
may refuse to admit the claim to pension in
view of the conduct referred to in this office No. 4703
dated 18th August 1898.

SIR,

I have the honour to forward herewith
an application for Gratuity and Retiring Pension on
behalf of Latiff Sheriff late 2nd Grade Head Warder
of the Central Jail Trichinopoly with the marginally
noted papers and to request that you will be so good
as to have it verified and submitted for the orders of
Government.

2. It will be seen from the 2nd page of the application that the applicant entered the Service of
Government in the Police Department and resigned
his appointment there on the 1st June 1873. The
discharge certificate furnished by the Superintendent of Police, Madura shows the date of discharge

as

as "1876" and not "1873". On verifying the applicant's Service in the Police Department, it was ascertained that the applicant was not in the Police Force beyond 1st June 1873. An examination of the Discharge Certificate revealed the fact that the date of the Document had been tampered with - the figure "6" being clearly written in later ink, over the figure "3". The Head Warder was called upon by the Superintendent of the Jail to explain the discrepancy in the dates as given in the certificate and by the Superintendent of Police, Madura. He could offer no satisfactory explanation, whereupon he was suspended in this office No. 4703 dated 18th August 1898. (Copy enclosed) But on the recommendation of the Superintendent, who urged the applicant's long Service in extenuation, the Head Warder was allowed to retire from date of Suspension. (This office No. 5502 dated 19th September 1898 copy enclosed). Subject to these remarks the application has been countersigned by me.

3. There is a break in the applicant's Service for the period 1st June 1873 to 5th December 1876 which, if Government should see fit, will have to be condoned under Article 465(ii) Civil Service Regulations.

4. In consequence of the many references rendered unavoidable under the circumstances

explained

explained above, the application could not be forwarded by the Superintendent to this Office until the 11th November 1898. Subsequent references were then found necessary and the Pension application was finally received back in this office on the 29th December 1898.
