From

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE *Secretary to Government,*
Pension Department.

SIR,

With reference to your endorsement No 51 dated the 29th of November 1898 referring to me for remarks letter No 3285, dated 17th Idem, from the Superintendent of Stationery, Madras, proposing amendment of the Pension application form now in use, I have the honour to state that so far as my office is concerned there is no objection to the amendment proposed by the Treasury Deputy Collector of Salem being approved. But as the form is prescribed by the Government of India and is intended to be used by all offices of the Civil Department in India, and forms one of the forms enumerated in

3
page 93 of the appendices of the Civil Service Regulations
the Government of India sanction would be necessary
to any change in it.

Rule 1 of the rules for the identification of pensioners
by means of thumb impressions, a copy whereof is
received with the Resolutions of the Government of
India, Department of Finance and Commerce No 4294, dated 1st October 1898, requires every officer applying for
pension to make an impression of the ball of the thumb
of the left hand in the 1st page of his application
for pension in the space provided therein for the purpose.

From this I infer that the revision of the Pension
application form is under contemplation. But up to
date no correction slip to this effect has been received.

I have the honour to be,
Sir,

Your most obedient servant,

W. H. B. B.

FOR ORDERS.

As there is not sufficient space
in the pension application form now in use for the
record of finger prints of pensioners, the Treasury
D^y Collector, Salem, has corrected the form as in red
ink - vide page flagged D- and has asked the Supt.
of Stationery to supply him with 100 copies of the
specimen form sent. The Supt. requests the orders
of Govt. on the proposed amendment of the form.
The Acctt. Genl. to whom the papers were referred for
remarks says that there is no objection to the pro-
posed amendment, but remarks that as the form now
in use has been prescribed by the Govt. of India,
and is used by all offices of the Civil Dept. in
India, and forms one of the forms enumerated in
the appendices to the Civil Service Regulations, the

C

sanction of the Govt. of India is necessary for any change in it. Moreover the recent Resolution of the Govt. of India regarding identification of Govt. pensioners by means of thumb impressions requires every applicant for pension to record an impression of the thumb of the left hand on the first page of pension application in the space therein provided for the purpose. From this the Acctt Gnl infers that the revision of the pension application form is under contemplation.

So the change proposed by the Treasury D^y Collector, Salem, does not seem necessary now.
