- 9 abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

States that his digestive troubles commenced some time after an attack of malarial fever he contracted while on duty at Lampas. The illness began in 1889 with tenderness on pressure in the epigastrium; severe pain, indigestion and vomiting after meals and indigestion. He took three months' leave and placed himself under treatment but obtained only temporary relief. Early in 1894 he had a relapse of the above symptoms with increased severity and had to take a year's furlough. In December the same year he became worse not being able to retain any food for days -

On

On this account he had to take leave on several occasions. He was under treatment in the General Hospital for a long time but even then the relief was only temporary. On admission tongue was coated; salivary secretion is increased there is tenderness on pressure in the epigastrium; pain after food. During the time he was under observation he had several acute attacks of pain attended with headache, quickened pulse and clammy sweats and vomiting. He was put on mellinoid food, sedatives and alkalies administered and stools washed out. But the symptoms reappeared on resuming usual diet. I am of opinion that as medical treatment gives only temporary relief he is not likely to be efficient again.

The post of Rs 150 held by the applicant was abolished with effect from 30.1.98 - vide G.O. 5942 dated 18.11.97 of which has already been communicated to the applicant.

VI. The following discrepancies should be explained:-(a) on the 2nd page of the application. The applicant is shown to have been doing duty in the Board's office Local Fund Department from 8.7.78 till 1882, while in the service book he is shown to have been attached then to the chief Secretariat Local Fund Department which is borne out by the entries in the annual returns for 1881 and 1882 in which the date of his transfer to the chief Secretariat is given as 8.7.78.

On the second page of the application, it was omitted to be shown that the applicant was employed in the Chief Secy (Local Fund Deptl) since 1-1-78. The omission has now been supplied.

(b) The applicant's Substantive pay is shown in the Annual Returns for 1882 and 1895 as Rs 100 and 135 respectively instead of as Rs 50 & 150 the amount of pay given on the 2nd page of the application.

It will be observed that the entries in the application coincide with those in the Service Register. The difference between these & the annual returns is due to the applicant having been confirmed on Rs 50 & 150 with retrospective effect subsequent to the submission of the returns for those years.

VII. A medical certificate of the applicant's incapacity for further service should be obtained and forwarded in support of the pension application. Vide article 485 Civil Service Regulations.

The certificate is herewith forwarded.

Under articles 485 and 518 (b) of the Civil Service Regulations (2nd Edition), His Excellency the Right Honorable the Governor in Council is pleased to grant to Adavi Srinam

In Feb. 1884 the applicant, while Head References, was severely reprimanded for delaying papers sent to him for referencing, and was informed that if any further instances of delays occurred he would be suspended whether individually responsible or not.

Puntulur late clerk, Revenue Secretariat, Madras, an invalid

On the 5th Nov. 97, the applicant while a clerk on Rs. 150 took sick leave for 2 months and 25 days, and in the reorganisation of the office establishment his appointment was abolished with effect from 30th Jan. 1898. As the abolition did not produce a real saving to Govt., a Compensation pension was not admissible. He was then provided with an appointment on Rs. 80/- a month in consideration of his general inefficiency as a clerk and of the several blunders he committed while in office. He, however, did not join the 80 Rs. appointment to which he was reduced, but obtained extensions of sick leave for 11 months & 6 days, and then retired on a medical certificate of incapacity for further service. He has thus actually evaded joining the 80 Rs. appointment, as his leave allowance from 30th Jan. 98, were calculated in the Acctt. Genl's office at half
