Remarks by Captain Coningham

Detected a case of Culpable Homicide committed on the 8th August 1857 in the village of Cailpatam, Coolasagarapttam Division - The offender Hadji Abdool Rajak a Lubbay who for more than 15 years after the commission of the crime, occupied himself in trading in Ceylon and Bombay, was at last apprehended by Mr Paczensky in Kandy. He showed great skill in obtaining evidence sufficient for the prisoner's conviction. The Sessions Judge recorded the following remarks in his Calendar No 32 of 1873 "The admirable way in which this case has been conducted from beginning to end reflects the greatest credit on Mr Inspector Paczensky, and it is a matter of public notoriety that the friends of the prisoner (for he himself has been quite reserved and silent throughout) have left no stone unturned to upset the prosecution, to suppress the evidence and to set up a case of mistaken identity." The prisoner was found guilty of an offence punishable under section X Regn VIII of 1802 and was sentenced to 2 years Rig. Imprisonment in April 1873-

(Signed) H. E. Coningham

Rendered excellent service in detecting and prosecuting to conviction the leader and 2 other members of the gang of Dacoits who stopped the Transit carrying the mail between Tuticorin and Palamcottah on the night of the 11 June last. The additional Joint Magistrate in bringing to notice the service rendered by the Inspector remarked that "none of the robbers were identified, and none of the property could be recovered. The difficulty of detection was thus very greatly increased and the skill and patience of the Inspector in tracing out the different lines of circumstantial evidence deserves great praise." The Ring leader Veerapermall Naick, Village Munsiff of Allicoolum a notorious robber and a very influential person, has been sentenced to 10 years R. I. and 2600 Rs fine both for this and another Torch light Dacoity attended with Torture which occurred in 1871 near Vakycoolum but in which Veerapermall Naick then escaped but now brought up by a clue discovered by Mr Paczensky.

Dated 29 March 1899.

Mis. No. 1282

Read letter from T.Hesketh Biggs Esquire, Accountant-General, Madras, No.993, dated 13th March 1899, forwarding the Service Book of Mr.Paczensky, late Deputy Collector of Sea Customs, Madras.

Resolution.

An application for the grant of a retiring pension of Rs.350 per mensem to Mr.T.A.Paczensky, late Deputy Collector of Sea Customs, Madras, is herewith forwarded to the Accountant-General for submission to Government.

2. Mr.Paczensky's service of one month and twenty-three days from the 26th February to 18th April 1864, having been rendered while he was under age has not been reckoned as qualifying service, and his subsidiary leave of seven days from the 11th to 17th March 1898 in India and furlough of one year from the 18th March 1898 to 17th March 1899 out of India have been reckoned as qualifying service (*vide* Articles 390(a), 445 and 445-A respectively of the Civil Service Regulations). His net qualifying service amounts to 34 years 8 months and 29 days.

3. Mr.Paczensky has been drawing since the 10th March 1894 a salary of Rs.700 per mensem (*vide* Government Order No.459, Financial, dated 15th August 1896) and there has been no change in that rate of pay during the last five years of his service. Hence no separate memorandum of calculation of "Average emoluments" is attached.

Proceedings of the Board of Revenue

Mis. No. 2158

Dated 12th May 1899.

Read letter from the Accountant-General, Madras, No. A.Dk./7, dated 17th April 1899; and Board's Reference thereon No. 349, dated 24th April 1899, referring the letter to the Inspector-General of Police for furnishing certain information.

Read also list of establishments of the Trichinopoly and Madras Town Circles for 1882 and 1887, respectively.

Resolution.

The objections raised by the Accountant General in the first of the letters read above

above will be replied to seriatim.

2. Objection No. 1. (a) A Copy of the list of the Salt Police force as it stood on the 1st April 1882 received from the Inspector, Trichinopoly Circle is herewith sent. From Government Order No. 935 Rev., dated 5th September 1882, it will be observed that Mr. Paczynsky as soon as he joined the Trichinopoly Circle on 17th December 1881 was employed on Salt Survey work and on the preliminary investigation for raising a departmental preventive force and that he was allowed a temporary force establishment of two Sub-Inspectors, three petty officers and 12 peons in addition to the Special Police force already sanctioned for the circle. No separate list for the Salt establishment employed at the time appears to have been sent to the Accountant-General.

(b)

(b) A Copy of the list of establishment of the Abkari Department of the Madras District as it stood on 1st April 1887 is herewith sent, but Mr. Paczynsky's name has not been shown therein. He was posted to Madras with effect from 1st December 1886 to supervise the out door establishment of the Madras Town Abkari and to acquire a knowledge of the then existing system of work. The Circle was not reorganized till November 1887. This appears to account for the omission of Mr. Paczynsky's name from the list.

3. Objection No. 2. From a Copy of the letter from the Inspector-General of Police No. 1832, dated 8th May 1899 and i enclosure it will be observed that th correct dates of Mr. Paczynsky's appointment to the posts of "3rd Class Inspector of the Tinnevelly Police" and "Special Inspector of Police" are 1st March 1868 and 7th November 1874, respectively, which agree with those

the Accountant-General's records. The
dated "15th March 1884" against Mr
Paczensky's name in the Annual
return for 1886 is apparently a clerical
error for "15th March 1886" as his
special duty under Mr H. J. Thomas
commenced only on the latter date.

4. Objection No. 3. Mr Paczensky's
retirement from the service was
approved by Government in Govern-
~~ment in~~ Government Order Mis. No
4860 Rev:, dated 9th December 1898.
(Copy enclosed)

5. Objection No 4. Mr Paczensky spent
the whole of his furlough from 18th
March 1898 to 17th March 1899 out of India and the
necessary entries have now been made in
the 2nd page of the pension application.
He is still living in England.

From H. LUSON, Esq., Deputy Secretary to the Government of India, Home Department (Books), to the Secretary to the Government of Madras, Educational Department, dated Simla, 22nd June 1899, No. 803.

With reference to the correspondence ending with your endorsement, No. 278, Educational, dated the 16th May 1899, on the subject of the preparation of an International Catalogue of Scientific Literature, I am directed to state, for the information of the Governor in Council, that, in order that they may be enabled to carry out their undertakings in connection with the preparation of the catalogue, the Asiatic Society of Bengal have suggested that they should be supplied with—(1) periodical lists of all Scientific and Literary Societies established within the jurisdiction of Local Governments and Administrations; and (2) a copy of all publications of a scientific nature issued under the orders of Local Governments and Administrations. I am to request that, with the permission of the Governor in Council, the necessary action may be taken to give effect to these suggestions.

2. I am also to request that the several Scientific and Literary Societies may be asked to send periodical lists of the books published by them, and copies of such books as require to be indexed in the International Catalogue of Scientific Literature, to the Asiatic Society direct.

Order—No. 464, Educational, dated 14th July 1899.

The departments of the Secretariat will be requested to arrange for a copy of all publications of a scientific nature issued under the orders of Government being forwarded to the Asiatic Society of Bengal.

2. The Director of Public Instruction will forward to the Asiatic Society annually a copy of the list of the Scientific and Literary Societies appended to his report on public instruction and will request those societies to send periodical lists of the books published by them and copies of such books as require to be indexed in the International Catalogue of Scientific Literature to the Asiatic Society direct.

3. The Superintendent, Government Museum, will forward to the Asiatic Society a copy of all Museum Bulletins of a scientific character.
