CHINGLEPUT DISTRICT BOARD'S OFFICE,  
Saidapet, 22<sup>nd</sup> November 1898.

From D. W. G. Bowie Esquire, D.C.S.,  
President of the District Board,

The Secretary to Government,

Local and Municipal Department,

Madras.

SIR,

The Hospital assistant attached to the Local Fund Dispensary at Poona-mallee was withdrawn by the Surgeon-General in August last and posted to plague duty in the North Arcot District. As no other medical subordinate was available at the time to take charge of the dispensary, it was closed.

2. Meantime the residents of Poona-mallee represented to me the inconveniences to which they were put owing to the closure of the dispensary and on my forwarding their petition to the Surgeon General, he recommended that one M. Coopoo-sawmi Nayagar, a pensioned senior

Hospital assistant might be employed temporarily for duty at Poonamallee. The question of entertaining this man was under consideration when a case of plague occurred at Tirumushi, a village near Poonamallee and the services of a medical officer on the spot became indispensable.

3 Under these circumstances, Mr. Coopoodawani Nayagar has been employed and put in temporary charge of the Poonamallee dispensary and I have the honour to request that Government will be pleased to accord its sanction to his entertainment with effect from the 12<sup>th</sup> instant as required by article 579 of the Civil Service Regulations. I would ask that I may be allowed to retain him until the end of the present financial year at least unless the man removed by the Surgeon General is returned. There are very many and constant arrivals from Bangalore at and around

Poonamallee and besides the likelihood of plague cases, there is a large civil population dependant on the dispensary for medical aid. The Military Hospital at Poonamallee does not admit any of the civil population even to its dispensary.

I have the honour to be  
Sir,

Your most obedient servant  
J. V. V.

President, District Board.
