MEDICAL BOARD,
INDIA OFFICE

Certified that we have carefully examined

Mr. **F. F. Bagshawe.**

Commissioner of Police, Madras.

and find that he originally came home on leave on private affairs, and that he was subsequently granted leave on medical certificate for 18 mos., which expires on the 17th July next.

He has been suffering since September 1897 from a disturbed state of the nervous system, depression of spirits, restlessness and debility: he also complains of insomnia, headaches and loss of appetite, attributable to prolonged residence and hard work in a tropical climate. We consider him unfit for further service in India. He is prematurely aged. His age is, by his own statement 52 years, and by appearance about 65 years.

Looking at all the facts of his case and his present condition, we consider that he is so far incapacitated for further service in India that we recommend that he be permitted to retire from the service of Government on pension. So far as we are in a position to judge, his incapacity has not been occasioned by irregular or intemperate habits.
