Circular.

In G. O. No 571 Financial dated 4th May 1899 the supply of screw top ink bottles has been sanctioned to all Gazetted Officers in receipt of Rs. 200/- and upwards who have to travel frequently. As this demand was not anticipated at the time when the last Home indent was forwarded to the Director General of Stores, all requisitions from officers for the article should be included in the next annual indent. The requisite provision will be made in the next Home indent on the Secretary of State and the article will be supplied to the Officers concerned about the close of 1900.
