Land Rev

Submitted to Government.

The Petitioner was granted a Superannuation pension of Rs 1-14-" a month for his qualifying service in Superior grades of 12 years 2 months + 17 days, in Boards Proceedings No. 1601 dated 27th June 98 (Land Revenue). He now appeals against this grant and claims a pension of Rs 4-4-" a month, and a separate gratuity for his Inferior Service and represents that his pensionable service in Superior grades and that in Inferior grades amount to 17 years 9 months and 12 days, and 5 years 7 months & 9 days respectively as noted in the margin.

Superior Service
(a) 1-8-74 to 10-1-77 = 2-5-10
(b) 11-1-77 to 31-10-78 = 1-9-20
(c) 1-11-78 to 25-3-80 = 1-4-25
(d) 25-11-85 to 31-3-98 = 12-4-6
18-"-1
deduct period non-qualifying "-2-19
Net ~~Total~~ Service 17-9-12

Inferior Service

(f) 11-10-64 to 30-4-66 = 1-6-20
(g) 1-10-73 to 31-7-74 = "-10-"
(h) 1-12-82 to 24-11-85 = 2-11-24
Total: 5-7-9

2 - As regards his claim to Service marked (a), it is observed that the Service being rendered in the appointment of Volunteer does not count for pension. Vide article 407 of the Civil Service Regulations. Nor does the period of Service marked (b) count, as it was rendered in a Temporary appointment, without a lien on a substantive Office on a Permanent Establishment (Article 403 Civil Service Regulations). As regards Service as an extra Gumastah in the Revenue Settlement Dept. marked (c), the Service cannot be verified from the records of this office being

being renewed in a temporary post. This Office is unable to say whether the condition prescribed in Article 415(a) was fulfilled or not. But the petitioner claims that service, because he was not engaged on the understanding that his appointment was temporary and that he would be liable to be discharged after a short period of service. If the Board of Revenue after being satisfied as to the establishment of the service, be pleased to accept the claim, the Petitioner may be granted a pension of Rs 3-4-0 a month for his total pensionable service of 13 years 6 months & 12 days, as detailed on the margin, in lieu of the pension already sanctioned to him.

Service already admitted in Boards Pro. No 1601 of 27-6-98 } 12-2-17
Service from 1-11-[illegible] to 25-3-90 deducting 1 month's leave without pay } 1-3-25
Total 13-6-12

7. As regards the Petitioner's claim to a separate gratuity for his Superior Service attention is invited to the remarks by this office on the 2nd page of the Pension application, from which it will be seen that the periods marked (e) & (g) do not count for pension. For the remaining service he is not eligible for a gratuity as it amounts to less than 5 years.

(e) 16-7-64 to 10-10-64
(g) 1-10-73 to 31-7-74.

The pension admissible to the Petitioner is not subject to any reduction under article 521(a) of the Civil Service Regulations, as his service in Superior grades commenced before he attained his 25th year of his age, though that service does not qualify for a separate gratuity for reasons stated in the above paragraph.

The Petitioner's pension application and the connected papers received with Boards Proceedings No 799 dated 24th March 1899, are herewith returned.

To

HIS EXCELLENCY THE RIGHT HONOURABLE,

Sir Arthur Elibank Havelock,

The Governor of Fort Saint George in Council.

Through The Collector of Coimbatore

The humble petition of **P. Seshagiri Rao,** *pensioned Taluk Gumastah, Karur Taluk, Coimbatore District, most humbly and respectfully showeth.*

That Your Excellency's humble petitioner was entertained in the Public Service in July 1864, and that the length of his service including interruptions is 33 years 8 months and 16 days as follows :—

		Yrs.	Mths.	Days.
Superior service	...	17	9	11 12
Inferior service	...	5	7 ~~6~~	~~29~~ 9
Nonqualifying service & interruptions		10	4	6

That the above figures were verified by the officers, who had consequently recommended a pension of Rs. 4-4-0 on behalf of the petitioner; That the Revenue Board was not pleased to sanction the said amount of pension, but has sanctioned only a very low sum of Rs. 1—14—0 on certain grounds. And that the petitioner therefore here under ventures to prove beyond any possible doubt that he is fully entitled to the proposed pension of Rs. 4—4—0, and that the Board has mistaken in its view of a portion of his service.

2. There are two grounds on which the Revenue Board has curtailed his pension—viz—(1) that the petitioner was entertained in the public service subsequent to 20th January 1871, and should be dealt with under article 521 (a) of the Civil Service Regulations; and (2) that the pukka superior service of the petitioner from 1st August 1874 to 10th January 1876 and from 1st November 1878 to 25th March 1880 is nonqualifying under article 415 (a) of the said Regulations.

1601

3. As regards the first objection—that the petitioner was entertained subsequent to the 20th January 1871—Your Excellency's humble petitioner begs to submit that he fully denies it, that he was entertained as early as the 16th of July 1864, that is, 6⅓ years prior to the notification of 20th January 1871, that he was then appointed as a pukka gumastah on the permanent establishment of the Revenue Settlement Deputy Director's office on Rs. 12 per mensem, and that he is therefore entitled to a pension for it, under articles 393 and 415 (a), and not debarred by article 521 (a) as the Board thinks. The petitioner is at a loss to know why his service from 1864 to 1866 was ignored in spite of his production of his takeeds to that effect, along with his service register. According to the correction slip to the civil service Regulation, note (1) article 521 (a) does not apply in the petitioner's case as he was thrown out on abolition of office.

Flag J

4. Coming to the second objection—that his service from 1st August 1874 to 25th March 1880 does not qualify—the petitioner submits that article 415 (a) disqualifies only those persons who are engaged on the understanding that their appointments are temporary or are liable to be discharged. The petitioner does not come under that category, inasmuch as he was not engaged on any understanding whatever—a fact fully avouched by his superior after careful enquiry and examination of takeeds filed with the Service Register. The petitioner is not therefore convinced how the proviso of article 415 (a) was brought to bear upon in his case despite the unambiguous language of the Code.

5. The petitioner therefore in conclusion most humbly solicits justice at Your Excellency's hands, and prays for a full pension of Rs. 4-4-0 as recommended together with some gratuity for his inferior service noted above.

For which act of kindness and charity, the petitioner, shall, as in duty bound, ever pray.

SIR,

In returning herewith your letter dated the 21st Instant No. $\frac{\text{A.D.K}}{56}$ with enclosures in re the pension application on behalf of P. A. Seshagiri Rao, late 8th Gumastah, Karur Taluk, I have the honor to inform you that under Article 415(a) of the Civil Service Regulations I held the service of the applicant from 1-8-74 to 25-3-80 as qualifying for pension. There is no doubt a proviso to that article that the officer should not have been engaged on the understanding that his appointment was only temporary or that he would be liable to be discharged after a short period of service. The Tahsildar of Karur was called upon to report after enquiry

2. The Board notes that Extra Gumastas in Settlement Parties have hitherto been held to be temporary hands and have never been pensioned upon their discharge. The Petitioner's allegation that he was not engaged on the understanding that his appointment was merely temporary is not worthy of consideration as it is well known in the department that service as an Extra gumasta is temporary. The only cases in which pension has been granted to extra gumastas of the Settlement Department are those under Article 415 (b) of the Civil Service Regulations in which the temporary service was followed without interruption by qualifying service, which is not the case in the present instance. Under the circumstances the Board is unable to recommend the grant to the petitioner of a higher rate of pension than that already allowed him.
