INDIA OFFICE,

LONDON. 27th JULY 1899.

TO HIS EXCELLENCY THE HONOURABLE THE GOVERNOR

IN COUNCIL FORT ST. GEORGE.

Sir,

I forward a copy of correspondence with Mr. T. A

Paczensky, a Deputy Collector of Customs in Madras, relative

Letter from, dated 11th July 1899.)
Letter to, dated 15th July 1899.)

to an advance on account of his

pension, and I have to request that a reply may be given to
my despatch dated the 4th of May, No. 5, with as little
delay as possible.

I have the honour to be,

Sir,

Your most obedient humble Servant,

George Hamilton

Rv. Sept:

[Handwritten signature]

London,
11th July 1899.

To

The Under Secretary of State
for India
Whitehall, London,

Sir,

In continuation of my letter dated 21st April replying to your No 41841 I beg most respectfully to submit the following for your kind consideration.

2. In March 1898 I left India on a year's furlough, and in November the same year, applied through the collector of sea customs Madras, to be allowed to retire from the service on the termination of my leave.

3. I have had no break in my service of 34 years, which was all in the Madras Presidency. The Accountant General held my service Register, and presumably kept it verified up to the 18th March 1898, the date of my taking my furlough. It is difficult therefore to understand the long delay in passing orders in my case, unless it is due to H. E. the Governor being on tour, and away from Madras.

4. I have now been four months without any allowances, and my means are so completely crippled, that I am obliged to borrow money at a rate of interest which I can ill afford to pay, and beg that you will be kindly pleased to allow Messrs Macfadyen & Co. to draw the pension I have earned by my long and faithful service, pending receipt of my papers from Madras.

I have &c.,

(Sd) G. A. Paczenky.

£3620.

on account of your pension, subject to future
