To

The Civil Surgeon,

Cochin.

Your attention is drawn to Standing Order No. 5 of 1898 to which sufficient attention has not been paid in the preparation of the pension application in spite of Standing Order No.125 of 1898.

2. The period of the Hospital Assistant's service from 26th May 1863 to 30th September 1881 spent in the Military Department not having been duly accounted for in the Service Book, a certified abstract of services for the said period should be obtained from the Pay Examiner, Madras Command and submitted with the application and if there remains any unverifiable period of service it should be supported by an affidavit from the applicant.

3. When the whole period of the Hospital Assistant's service is thus verified, a certificate to that effect specifying the dates of beginning and termination should be added by you below the last entry in the Service Book.

4. The total period of service from 26th May 1863 (Item 6 on page 1 of the application) to 16th December 1898 (Item 7) amounts to 35 years, 6 months and 21 days. Items 8 and 9 should be corrected accordingly and corresponding corrections made on page 2 as shown in pencil.

5. There are no entries in the application of the leaves granted to the Hospital Assistant in 1887 and 1893.

6. The date of the Hospital Assistant's appointment to the Municipal Hospital, Cochin, is 18th April 1882 as per application and 21st April 1882 as per Service Book. The discrepancy should be ~~recorrected~~ reconciled.

1. With reference to para 2 Madras the period of Hospital Assistant M. Soobramony's service from 26th May 1863 to 31st March 1864 cannot be verified as the records have been destroyed. That from 1st April 1864 to 30th June 1866 is accounted for by the enclosed statement from the Military Pay Examiner, Madras. The service from 1st July 1866 to 30th September 1881 has not been verified by that Office. A small portion from 28th Octr. to 9th Decr. 80 has been verified by the District Medical and Sanitary Officer Ganjam (vide extract of statement verified by him herewith sent). The unverifiable period of the service has been supported by the applicant's affidavit (attached).

2. With reference to para 3 the certificate required has been added.

3. The corrections pointed out in para 4 have been made.

The means of verification alluded to in para 1 of your minute should be noted in the application against the particular entries to which they relate while against the entries & periods of unverified service the note "supported by affidavit" should be entered.

2. The certificate added at the close of the service Book is not correct as the whole period therein specified has not been verified. The words "with the exception of the unverifiable periods supported by affidavit" should therefore be added at the end of the certificate

3. The entries relating to the leaves should be made in their proper places & the dates of beginning & ending entered in cols 5 & 6 of the pension application.

4. Your attention is also drawn to standing order No. 39 of 1898 with a view to your seeing that the instructions in respect of the finger prints in the service Books, on the 1st page of the pension application and in the Collector half of a blank form of the Permanent Pay order are fully complied with.

The instructions in the standing order to which your attention was drawn in para 4 of this office Ref. orcl. -qualifying the privilege leave granted from 7th January to 6th February '81 only about 3½ months after return from sick leave becomes irregular and attention is then drawn to No. 20 of the printed Memo of instructions from this office.	
II The Officer's last pay certificate should be forwarded.	Last pay Certificate is attached.
III It should be explained why the applicants' name is not traceable in the annual returns for 1880, 1881, and 1882.	In April 1880 applicant was doing duty in the Bellary Civil Hospital In April 1881 in the Civil Hospl. Calicut On the 1st April 1884 applicant was in charge of Municipal Hospl. Cochin as appears from Hospl. records. but evidently by an oversight his name was omitted from the annual return.
IV. The marks for the identification of the applicant on the 1st page of the application now entered from the Service Book should be duly attested.	The marks of identification have been attested as required.
V. The entries in the Service Book should be rewritten so as to agree with the applicants' affidavit and the verified statements accompanying the application.	The entries have been rewritten.
VI. The delay in the submission of this application should be explained.	The reason for the delay in submitting the application is that references had to be made to several stations for verification of applicants service and that replies had to be waited for. Further delay was entailed by the applicant having made a mistake as regard to the year in his statement, and this necessitated a second reference.
On page one of the application the Race, Sect and Caste is shown as "Hindu Christian". As this description involves a contradiction in terms it should be explained.	The description of caste, race &c was taken from the applicants service book in which it is entered as "Hindu Christian" and applicant avers that it is correct as he is a Hindu by nationality and a Christian by creed.
