(Certificate for retirement on invalid pension or gratuity.)

CERTIFIED that I have carefully examined V. Arjuna Mudalior,

son of V. Lubroya Mudalior

a 1st Class Vaccinator, Arcot Taluk

in the North Arcot District.

His age is by his own statement 41 ~~42~~ years and by appearance about 41 years.

I consider V. Arjuna Mudalior

to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of Cataract, asthma and debility.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

STATEMENT OF CASE.

1. Rank. 1st Class Vaccinator
2. Name. V. Arjuna Mudalior
3 Department or Office. Vaccination Department
4. Marks of identification Color dark brown. A scar on the left temple. A large scar on the right leg. Small pox marks on face
5. Age. 41th years
6. Service. 22 years, 3 months, 25 days.
7. Sick leave granted during the service. 1 year, 18 days.
8. Disease or cause of Disability. Cataract, Asthma and debility.
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This Officer has been subject to frequent and severe attacks of Asthma and is very weak. He has tremor of the hands from debility and his vision is defective on account of cataract that is developing. His appetite is much impaired and his bowels are irregular. The general tone of his health is below par, and though treatment may effect an improvement there is no likelihood of his being fit to return to duty. The disease, I believe, has not been caused by irregular or intemperate habits.
