This man was sent with a letter from the Superintendent of Police as to opinion required to his further fitness for service

History. Contracted syphilis in 98 and from that time has been more or less ailing. Has been in Hospital 3 months and 18 days, also had leave for 2 months. In all 5 months and 18 days in a service of 2 years and 5 months. He is emaciated and has a cachectic appearance. Both feet are swollen and there is thickening round both ankles. The right knee is weak and he cannot run without exertion. I am of opinion that his health is too much undermined to enable him to do active Police duties. I recommend that he be invalided.
