Copy of letter from the Registrar of the High Court of Judicature, Madras, Ref.on Cur.No.1876 of 1899, dated 7th September 1899:-

I am directed to forward the following case for the orders of Government.

2. By G.O.No.115 Judicial, dated 18th January 1899, His Excellency the Governor in Council was pleased to accept under Article 897 of the Civil Service Regulations a certificate from a Special Civil Medical Board recommending that one year's medical leave should be granted to M.R.Ry.G.Jagannadha Rao Pantulu Garu, District Munsif of Bezwada from the 4th September 1898. That leave expired on the 3rd instant. Before the expiry of his leave, the District Munsif reported that he was still in bad health and requested that he might be medically examined with a view either to extension of leave or retirement. He stated that he was too ill to proceed to Madras for Examination in the usual way by a Medical Board but he was unable to obtain the preliminary certificate to that effect which is required by Article 897 Civil Service Regulations as the District Medical and Sanitary Officer declined to grant him one. Thereupon the District ~~Munsif~~ Medical and Sanitary Officer, Ganjam, was requested to furnish the District Munsif with a Medical Case so as to enable him to appear before the Medical Board at Madras under Article 894 (a). A duplicate copy of the Medical Case furnished to the District Munsif is herewith submitted with a copy of the District Munsif's letter dated the 1st instant. I am directed to ask whether in the circumstances of the case the Government will still require the District Munsif to appear before the Medical Board at Madras or will be pleased to accept under Article 486 Clause (d) Civil Service Regulations a certificate given by a single Medical Officer or will arrange for a Special Invaliding Committee at Berhampur under Article 486 Clause (d). In case a certificate by a single Medical Officer should be considered sufficient, Surgeon Captain R.K. Mitter who examined the District Munsif for his "Medical Case

in the
described in Article 481 Civil Service Regulations.

Copy of Endorsement of the Accountant-General, Madras, No. Pen.V.321/6623, dated 16th September 1899:-

Submitted.- It is for Government to determine whether, with reference to Article 486 (d) of the Civil Service Regulations, he should be required to appear before a Medical committee, or a single commissioned Medical Officer with a view to obtaining a certificate of unfitness for further service.

The pension admissible to him will probably be less than Rs.100 a month.

Copy of letter from the District Munsif of Bezwada, on leave, to the Registrar of the High Court of Judicature, Appellate Side, Madras, dated 1st September 1899:-

With reference to the High Court's Official Memorandum No.1876/ 24th August 1899, I beg to submit herewith a duplicate copy of the ~~Medi~~ Medical case furnished by the District Medical Officer, Ganjam, for the information of the Honourable the Judges of the High Court. From which their Lordships will observe that after sufficient observation, I was found permanently unfit for further service.

As in addition to the general debility, specific diseases are given as a cause for incapacity in my case and as I get only a pension of less than Rs.100/-, I beg to claim the benefit of Article 487 Civil Service Regulations which dispenses even with a second medical opinion. Should their Lordships still consider Examination by a Medical Board or a second medical opinion necessary in my case, I earnestly pray that the same may be arranged here, as I am afraid I cannot undertake a long journey in a state of health completely broken as certified by the Medical Officer.
