HIS EXCELLENCY

Sir Arthur E. Havelock, G. C. M. G., G. C. I. E.,

Governor of Madras.

Through the Collector
of Ananthapur

The humble memorial of G. Seshagiri Rau, late 1st class Revenue Inspector of Hindupúr Taluk, Anantapúr District.

MOST RESPECTFULLY SHOWETH :—

The memorialist who was till recently the 1st class Revenue Inspector of Hindupur, District Anantapúr, fell seriously ill and became incapacitated for his office work. The illness having prolonged, he saw no hope of a speedy recovery and thought it best under the then circumstances to retire on invalid pension rather than stay in a post to whose arduous duties he could no longer attend with any degree of zeal or activity.

2. At the commencement of his illness he obtained three months' sick leave and afterwards one year's furlough. But despairing of any recovery even within that time, the memorialist applied for invalid pension which was sanctioned by Your Excellency's Government by its Order No. 422 dated 1st July 1899, a true copy of which is herewith submitted. (Vide En: A+B)

3. The original leave on furlough has not yet expired but is still to last till 15th November following. But, in the meantime, Your Excellency's memorialist has completely recovered and, to his own surprise, the last trace of illness has disappeared leaving him once more perfectly healthy and as active as ever.

4. Your Excellency's memorialist begs leave to submit that, considering his present state of health, he feels quite confident that he would be able to discharge once more the duties of his post of 1st class Revenue Inspector or those of any other post under the service of Your Excellency's Government as satisfactorily as he ever did before.

5. Your Excellency's memorialist begs leave to submit for consideration Article 574, clause (*b*), Article 569 and Article 469 of the Civil Service Regulations, and further submits that a strong sense of duty to the Government under which he served in all for 29 years prompts him to represent that his retirement when he is able to serve longer means a positive loss to the Government in the shape of his pension.

6. Your Excellency's memorialist, humbly submitting the above facts and circumstances, makes bold to approach Your Excellency and begs leave to pray that, on a consideration of the same, Your Excellency may be pleased to order that the pension order referred to in para (2) may be cancelled if Your Excellency should deem it fit to re-employ the memorialist in service and confer upon him the same post or any other substantively permanent post carrying an equal pay *viz.* Rs. 40 a month at most; and, in case he is to be so re-employed, to further order that till the 15th of November—the date on which his furlough is to terminate—he may be allowed to draw his furlough allowance; and, lastly, that the memorialist may be allowed to count his previous

service, so that, after serving for five or six years longer, he may retire on a full pension of Rs. 20 a month.

In conclusion, Your Excellency's humble memorialist most respectfully begs to remain,

Your Excellency's most obedient
and humble servant.
