Treasury By Collector's Certificate.

Local Fund Service from 1st July 1882 to 13th July 1898, including periods of leave have been duly verified.

Explanation for delay

CR

Mr. J. J. Collector.

The little delay is due to the late receipt of affidavit from the applicant and to the verification of the pension application submitted by the District Board Engineer in which there were several errors and omissions.

1. As to character and conduct of Applicant.	Good.
2. Explanation of any degradation.	Nil
3. Regarding any gratuity Applicant. (See Clause 10.)	already received by Nil
4. Explanation under Article 991 of the Office can give it.	as the Head of Nil

5. Any other remarks

The applicant was compelled to retire being over 55 years of age and considered inefficient for further service.

6. Specific opinion of Head of Office whether the service claimed is established and should be admitted or not [See Article 991].

The service claimed is established and should be admitted.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

CERTIFIED that (subject to the remarks below recorded) qualifying service in inferior or superior grades has been duly proved for 20 years; and that a (pension or gratuity) not exceeding Rs. 409, is admissible under Article 518 of the Civil Service Regulations. The (pension or gratuity) is chargeable to (here specify whether to General Revenues, or to what Fund).

SIGNATURE,
Resident Engineer,
South Canara.

of the Civil Service Regulations. The

Certified that qualifying service in Superior grades has been duly proved for 7 years, 1 month and 19 days and that a Compensation gratuity not exceeding Rs 175-0-0 equal to 7 months' emolument is admissible under Articles 468 and 518 (a) of the Civil Service Regulations.

2. Attention is drawn to letter No 1174 dated 6th October 1898 from the Examiner of Public Works Accounts, Madras, who states that it is impossible at this distance of time to furnish information regarding the savings to Government. Consequently on the abolition of the applicant's appointment in 1880.

3. The case is precisely similar to that of B. Pinto, Submitted to Government with this office report No. S.O. 1 dated 10th September 1898, disposed of in Government order, No 714 dated the 21st June 1901.

4. The Applicant enjoyed Privilege Leave from 10th October 1874 to 9th November 1874 the grant of which was irregular as he had not put in 11 months' service since his return to duty from sick leave on 1st August 1874. The amount of leave allowance irregularly drawn amounts to Rs 30-4-8. But under Article 841 (b) of the Civil Account Code this office has decided that no recovery on that account need now be made.

5. The delay of over one month in the submission of this application is explained by the President District Board, South Canara in his remarks at foot of the 2nd page of the application.

6. In accordance with rule 3 under Article 994 (b) the attention of Government is respectfully solicited to Article 514 of the Regulations.

It gives me great pleasure to acknowledge my satisfaction in having the bearer Maistry Josa Campaby employed as a Maistry under me. He has been in charge of a important work, viz, the building of a large wooden Bridge of 5 openings and during the time he was under me, he has given me great satisfaction in the manner in which he has performed the duties devolving upon him. He is very steady and honest and possesses an earnest desire to give satisfaction to his superiors.

In the statement of verified services furnished by you, the applicant is shown to have enjoyed privilege leave from 5th Novr. 75 to 30th Novr. 75 which does not appear in the 2nd page of the application. The omission should be explained. If the entry in the verified statement is taken as correct, the subsequent grant of the privilege leave from 5th Feby. 76 to 4th March 76 becomes irregular. Attention is drawn to No. 20 of the printed memo of instructions from this office. No. 1174 $\frac{A}{E}$

Madras, 6th October 1898.

SIR,

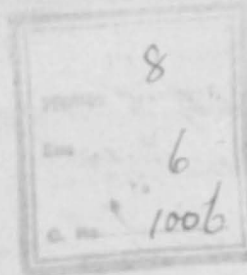

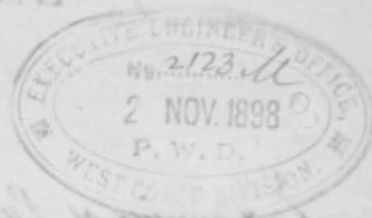

In returning herewith your letter No. A.D.K/188 of the 1st instant, in original, with its enclosures, requesting certain information in connection with the gratuity papers of Mr. J. Lobo, late Overseer, Local Fund Department, South Canara District, I have the honor to state as follows:—

Item 10 of the printed memo. (Not received). It is impossible to furnish the information asked for at this distance of time. As the applicant's transfer to the Local Fund Establishment was due to the transfer of the Execution of Local Funds to a separate Agency, it may be assumed that his entire pay was saved to Government.

Item 20 of the printed Memo (not received). The Salary Audit Registers maintained in this office does not show the leave stated as enjoyed by the Applicant from 10th October 1874 to 9th November 1874.

Item 2. These should be obtained by the District Board Engineer, South Canara.

Item 3. The omission of the entry of leave in the 2nd page

28
page of the application should, be explained by the Officer who prepared the application. The subsequent privilege leave from 5th, February 1873 to 4th, March 1873 shown to have been enjoyed by the applicant is not recorded in the Salary Audit Register maintained in this office.

Item 4. The omission should be supplied by the Officer who prepared the application.

2. It is presumed that your letter under reply was intended to be sent to the President, District Board, South Canara through this Office.
