ORDER THEREON, No. 700 of 7 Octr/99.

Slipped B

Character . . . Good.

Reduced in March 1895 from Rs 200 to Rs 175 for very slack and inefficient work.

The Collector remarks as follows:—

"At the time the applicant retired a charge of borrowing money in his taluq was preferred against him, but he denied it; and the complainant has put off filing a civil suit for his alleged loan so often, after undertaking to file one, that I doubt the truth of this allegation".

Please see para 2. of the Acctt. Genl's report. The applicant's year of birth was originally entered in the service book as 1840 but was subsequently altered to 1843. The applicant cannot say by whom the alteration was made, nor under what circumstances it happened to be made. The alteration seems to have been made in 1870 but not with the sanction of Govt as required by art. 50(b) of the Civil Account Code. The Collector says that he has adopted 1843 as the correct year as in all the annual returns of his office from 1876 and upwards that was adopted. If however 1840 be adopted the applicant's age at the time of retirement would be less than 56 years and as pointed out by the Acctt Genl he could not retire on a superannuation pension.

Under articles ~~509~~ 519 & 518(b) of the Civil Service Regulations (~~2nd~~ 3rd Edition), His Excellency the Governor in Council is pleased to grant to M.R.Ry. Danuvada Venkata Krishna Rao, late Tahsildar of Amalapur, a ~~superannuation~~ retiring pension of Rupees (96-8-4) Ninety six [illegible] payable at Rajahmundry from 2 Jan 1899, in consideration of his qualifying service of 31 years, 8 months and 11 days.

To the Accountant-General, with Register.

,, Collr. of Godavari

As the alteration in the date of the applicant's birth was thus made unauthorisedly, it is submitted that sanction for such alteration should be refused as in the case disposed of by G.O. 326, d/8th June 1899. The applicant has however, completed 31 years qualifying service and he is therefore entitled to voluntary retirement under art 509 C.S.R. Unless he is willing to retire voluntarily, it is submitted that the Collector may be asked to cause him to be examined by the Dt. Surgeon in view to obtaining that officer's opinion as to his fitness for further service, and should the applicant be declared fit, to reinstate him in his appointment till he attains 55 years of age.

~~[illegible]~~ Suggest to

Ask Collector ~~[illegible]~~ whether the applicant is willing to retire [illegible] that as the date was altered without sanction of Govt the applicant must be considered as still under [illegible]

S.S. 22/7/99

Please see O.M. No. 48 d/3-7-99. The Collector replies that the applicant has retired voluntarily under art. 509, C.S.R., and the A.G. certifies that he is eligible for a retiring pension of Rs 96 8.11 p.m. Hence draft order^s of pension^ for approval.

I suggest Rs. 95

I can't find the reasons for the reduction — Character good, & this the only punishment on record for 32 years — I would pass the full pension —

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Good. At the time he retired a charge of borrowing money in his Taluk was preferred against him but he denied it and the Complainant has put off filing a civil suit for his alleged loan so often after undertaking to file one that I doubt the truth of the allegation.

2. Explanation of any suspension or degradation. In March 1895 Mr R Ry D.V. Krishna Row was reduced from the 3rd to the 4th grade Tahsildar for very slack and inefficient work. In 1896 August he was promoted to the grade from which he now retires.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in ~~inferior or~~ superior grades has been duly proved for 31 years, 3 months, and 16 days; and that a Retiring (pension ~~or gratuity~~) equal to 30/60ths average emoluments not exceeding Rs. 96-8-11 per mensem, is admissible under Articles 509 and 518 (b) of the Civil Service Regulations, 3rd Edition.

The calculations have been duly verified. ~~The pension or gratuity is chargeable to (here specify whether to General Revenues, or to what Fund).~~

2. ~~[illegible]~~ applicant's character and past conduct are reported as good in the 3rd page of the application. But from the explanation given therein regarding his reduction in March 1895, they do not appear to have been entirely satisfactory. It rests therefore with Government to decide whether any, and, if so, what reduction should be made in the amount of pension admissible to him, with reference to Article 514 of the Regulations.

3. The delay in the submission of this application is explained by the Collector of Godavari in the last para of his letter No 1, dated the 7th March 1899 enclosed.

Reference:- Letter from the Collector of Godavari d/7th March 1899 No 1/Acc. of 99, submitting the pension application of M. R.Ry. S. Venkatakristna Row, late Tahsildar of Amalapur.

It is observed that the year of the applicant's birth viz. 1845 as originally given in the service book was afterwards (apparently in 1870) altered to 1843, but the sanction of Govt. as required by art. 55 (6) of the ~~CSR~~ CAC. was not obtained. ~~Without such sanction~~ The applicant's ~~[illegible]~~ age must be ~~[illegible]~~ taken ~~[illegible]~~ as under 55 years, ~~[illegible] eligible~~ and he is not admissible ~~for~~ a superannuation pension. The applicant has, however, completed 31 years' qualifying service, and is therefore entitled to voluntary retirement under art. 509 CSR. The Collector is accordingly requested to ascertain and report whether the applicant is willing to retire voluntarily from the service under this article & if so submit a revised application thro' the A.G.

Audit Officer.

(1) In the case of Civil Engineers and Telegraph Officers who are eligible for the additional pensions authorized in Article 714, the following addition should be made to the usual form of Certificate :—

He has served for three years as (Chief Engineer, Superintending Engineer, &c., as the case may be) and is eligible for a special additional pension of Rs. $\frac{1,000}{2,000}$ if he is considered to have rendered "approved service" under Article 714 of the Civil Service Regulations.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Good. At the time he retired a charge of borrowing money in his duty was preferred against him but he denied it and the complainant has put off filing a civil suit for his alleged loan so often after undertaking to file one that I doubt the truth of this allegation.

2. Explanation of any suspension or degradation. In March 1895 M.R.Ry. D. V. Kristnakan was reduced from the third to the fourth grade Tahsildar for very slack & inefficient work. In 1896 August he was promoted to the grade from which he now retires.

3. Regarding any gratuity or pension already received by Applicant. (See Chapter XXI.)

4. Explanation under Article 469 so far as the Head of the Office can give it. nil

5. Any other remarks. nil

6. Specific opinion of Head of Office whether the service claimed is established and should be admitted or not [See Article 391]. may be admitted & established.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

CERTIFIED ~~that (subject to the remarks below recorded)~~ qualifying service in ~~inferior or~~ superior grades has been duly proved for 31 years, 3 months, and 16 days; and that a (superannuation pension ~~or gratuity~~) per mensem equal to 30/60th average emoluments not exceeding Rs. 96-8-11 is admissible under Articles 502 and 518 (b) 3rd Edn of the Civil Service Regulations.

~~The calculations have been duly verified. The pension or gratuity is chargeable to (here specify whether to General Revenues, or to what Fund)~~

2. The year of the applicant's ~~with~~ birth which was originally given in the Service book as 1845 was afterwards altered to 1843. The alteration was not made with the Sanction of Government as required in Article 55 (b) Civil Account Code. The Collector of Godavari in para 4 of his letter No. 1 dated 7th March 1899 states that he has adopted the latter year (which appears also in all the annual Returns of this office from 96 upwards) for reasons stated therein. If however, the year 1845 is taken as the year of the applicant's birth, his age at the time of retirement would be less than 55 years & he could not retire on a Superannuation pension.

3. The applicant's character and past conduct are reported as good in the 3rd page of the application. But from the explanation given therein regarding his reduction in March 1895, they do not appear to have been entirely satisfactory. It rests therefore with Government to decide whether any and if so what reduction should be made in the amount of pension admissible to him, with reference to article 514 of the Regulations.

4. The delay ~~in~~ the submission of this application is explained by the Collector of Godavari in the last para of his letter quoted above.

Statement of Dhanvada Venkata Kristnarow Pantulu Garu late Tahsildar of Amalapur Taluk —

I remember that I was born in the Telugu year Sobhakrutu though I am not quite sure about it. I was 55 years old by the end of March 1898 as will be seen from the list of Establishment as it stood on 1st April 1898 submitted by me. The entry of 20th November 1845 under date of birth in my Service register was made by me. I must have entered it on guess. The subsequent correction into 1843 was not made by me. I cannot say by whom or under what circumstances the correction was made or when it was made. The correction must have probably been made to bring agreement between the year of my birth and the length of my Service.

(c) A blank form of pensioner's half with the finger prints of the applicant on the reverse of the Collector's half thereof

2. The applicant has put in a total Superior Service of y. m. d 33. 7. 13 of which y. m. d 31. 9. 1 is qualifying and the rest

non-qualifying. He is, therefore, entitled under art 502 & 503 of the Civil Service Regulations to a superannuation pension of Rs 96. 8. 11 per mensem.

3. The period of service is arrived at by reckoning the ~~[illegible]~~ tenure of the several appointments held by the applicant in the terms of a month and a year of 30 & 360 days respectively.

4. The date of birth of the applicant is assumed to be 1st July 1843 under G. O No $\frac{1013}{26.10.96}$ Pensions, as the precise date of his birth is not known. The entry of 20th November 1845 in the column date of birth in the service register was subsequently corrected into 1843 in the Huzur. The applicant, on being called upon to produce a copy of the G. O in support of this correction, states that the correction referred to was not made by him and that he could produce no Government order on the subject. But in a statement taken by my Treasury Dy Collector the applicant states that he was 55 years old by the end of March 1898 as would be seen from the list of Establishment as it stood on 1st April 1898, that he might have made the entry of 1845 in his service register on guess, that the subsequent correction was not made by him, that he could neither say by whom nor state under what circumstances it happened to be made and that the correction may have been made to secure agreement between the year of his birth and the length of his service (vide copy of the letter enclosed). The correction in the service register seems to have been made about 1890 under the initials of the then English Head Accountant, who might have done it after satisfying himself as to its accuracy. The correspondance bearing on the subject is, not, however traceable as the routine correspondance of 1890 of the Account department has been distroyed under the record rules. Under the above circumstances I have adopted 1843 as the correct date of birth and I request you to recommend to Government to be pleased to consider that the alteration was made on sufficient data at the time. The Tahsildar does not now question the validity of the alteration.

5. The pension application was received in this office on the 23rd ultimo. The delay in the submission of this report is due to the time occupied in obtaining some information in connection with the applicant's degradation and the finger prints of the applicant on the pension application &c.

Attention is drawn to No. of the printed Memo. of Instructions from this office.

	Replies
1. The date and reason of termination of the applicant's service should be entered in the service book and attested by the Head of Office.	1 The omission is supplied as directed.
2. Information should be furnished whether the leave on private affairs enjoyed by the applicant on 3 or 4 occasions in the earlier part of his service is of the nature referred to	2. The Tahsildar of Amalapur states that the leaves referred to do not appear to have been of the nature referred to in art. 370 of the C.S.R. In his letter to the Sub Collector the retired Tahsildar also confirms the above statement. Taluk establishment registers prior to 1st April 1868 are not forthcoming in the records, but in the register for 1868-69 it was noted that he was on leave on private affairs on half pay from 8-5-68 to 12-6-68 and that he was paid at Rs 7½ per mensem during that period. M.R.Ry. K. Subbarayudu garu a former Treasury Deputy Collector of this District who was since dismissed from

in Article 370 of the Civil Service Regulations. If so attention is drawn to No. 20 of the printed Memo of Instructions from this Office.

3. In the annual Returns for 1888 to 1890 and 1891 and in that for 1894 the date of the applicant's appointment is shown as 14 February 1888 while this date does not appear in the 2nd page of the application. The discrepancy should be explained.

ML

the Government Service was the Ag Dy Tahsildar Cocanada Division during that period.

3. As office copies of the annual returns were not maintained in the office until lately, it is not possible to explain the discrepancy satisfact

If the appointment referred to is the Tahsildarship of Tanuku then 12-1-88 alone is correct.
