9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

Though the peon states that his age is only 51 he looks more than 60, he has for some years suffered from dimness of vision and gradually increasing weakness. I think the man is undoubtedly over 60 and that from old age he is unable to continue his occupation.

in the Registration Department

His age is by his own statement 51 years and by appearance about 62 years.

I consider Syed Mira Saib to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of dimness of vision and old age

His incapacity does not appear to me to have been caused by irregular or intemperate habits.
