CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

It is certified that should Government be pleased to admit the periods of service noted in this margin, claimed on the evidence of contemporary employés which from '82 are also verified from the records of this office qualifying service in superior grades will be duly proved for 34 years 2 months and 12 days; and a superannuation pension not exceeding Rs 27-8-0 per mensem equal to 30/80ths of Average Emoluments will be admissible under Articles 508 and 518 (b), of the Civil Service Regulations, 3rd Edition.

The calculations have been duly verified.

2. The grant of sick leave which the applicant had from 20-4-99 to 30-4-99 is irregular in the circumstances pointed out in Query No. IV of this office reference No. 808/127 dated the 7th August 1899. The amount of leave allowances irregularly drawn on the occasion is Rs 10-1-4. The undersigned has however decided under Article 814 (b), Civil account Code – that no recovery need be made on the above account.

3. The retirement of the applicant within three months of his return from privilege leave which expired on 8th March '99 is opposed to the declaration signed by him with reference to Article 891 Civil Service Regulations. It is presumed that the head of office was satisfied that there was no evasion of the Article.

4. The delay in the submission of this application is explained by the District Medical and Sanitary Officer, Vizagapatam in para I (d) of his Memo No. 1465/E dated 11th July 99.

5. In accordance with Rule 3 under Article 994 (b), the attention of Government is respectfully solicited to Article 614 of the Regulations.

Sir,

In returning herewith the papers received with your Nos 922/5 10-5-99 1115/2 & 1156/2 & 26.5.99 & 30.5.99 I have the honour to forward herewith statements taken under rule XVI (1) & (2) of the Accountant General's Rules from the Contemporaneous employees of J. Narayanamurthi Naidu regarding his active services during the period he served as 3rd Class Hospital Assistant, 12th Regiment N.I. and as 4th Class Hospital Assistant attached to the Principal Assistant Collector's Establishment Branch. The Contemporaneous employees could not however verify the services of the Hospital Assistant when he was attached to

to the Special Establishment, Guyana and when he was posted on Chelsea duty in Guyana in 1876.

2. The finger prints of the Hospital certificate have been taken on the P.P.O form and on the Certificate forms.

3. In this connection I have to state that while making the finger impressions on the P.P.O form, the Hospital Establishment, Corporal, made the impressions of his right hand instead of his left hand. Hence the impressions of his left hand were taken on a separate piece of paper and the paper handed to the P.P.O. form.

Very little attention seems to have been paid in the preparation of the pension application to the detailed instructions in Standing Order No.5 of 1908 despite the fact that the necessity for doing so has been so clearly emphasized in standing order No. 195 of the same year. Your particular attention is drawn to the particulars

(a) As entered to ~~and~~ in the application relate to periods of service spent by the Hospital Assistant in Military Department a duly certified account of services should be obtained from the Pay Examiner Madras Command for the purpose of verification.

(b) The entries relating to such periods of service are not verifiable either from the Service Book or from other office records should all be wholly supported by an affidavit or contemporary evidence and a remark to that effect entered against each specific entry that is effected.

(c) At the close of each service book a medical certificate should be taken that the services from the beginning to end (specifying the dates) have been verified with the exception of the unsupported periods (to be specified)

(d) The delay in the submission of the application should be fully explained.

2. Your attention is also drawn to standing order No. 89 of 1906 under which fingerprints are to be recorded on the first page of the pension application, the impression should be duly certified as relating to particular rings, and the prescribed certificates in all the three documents should be signed by you.

3. The application should be carefully revised and resubmitted as early as practicable.

(a) A letter has been written to the Pay Examiner, Madras Command, Madras, asking him to forward the information desired by you to save further delay as the Hospital Assistant's former regiment was disbanded.

(b) The leave due has been granted and the Standing Order is observed.

(c) The certificate has been entered.

(d) The delay has mainly been due to the fact that the man's record till and during [illegible] was in the Hyderabad Command and Service and [illegible] by the Paymaster Secunderabad Command and [illegible] the Pay Examiner Madras Command for verification.

as they have caused no end of trouble and
