| 1. The applicant T. Kaja Khan's finger prints should be obtained in the first page of the application and the necessary certificate appended to it. | The applicant T. Kaja Khan was serving in the Guntur Section of No. I Survey Division and was invalided there. The pension application was prepared in the Central Survey Office, Madras. Hence the finger prints of the applicant were not obtained in the pension application. Finger prints were however obtained on the first page of the Service book by the Officer in charge of Guntur Section after the applicant was invalided. |
| 2. In the applicants' medical certificate, his fathers' name is shewn as T. Nannay Khan instead of as T. Navaz Khan. The discrepancy should be rectified. | The correct name of the applicants' father is T. Navaz Khan and the entry T. Nannay Khan in the medical certificate is apparently wrong. It has now been corrected. |

3. In the Audit Registers for 74 and 75 and in the Annual Returns for 76 and 78, the applicant's age is shewn as 21, 22, 23, 24 and 25 years respectively meaning thereby that he was born in the year 1853 which does not agree with the year of his birth given in the Service book, and in the first page of the application. The discrepancy should be explained.

The age given in the Returns for 74, 75, 76, 77 and 78 is apparently approximate.

It will be seen from the entry in the Service book on page 1 and at the back, that at the beginning, the entry "not known" was entered in Col. "Date of birth".

This has since been corrected to 11 August 1851. The exact date on which the correction was made cannot be ascertained. But in the Annual Return for 1879 (the very first return in which heading "Age of each incumbent on birth day last before 1 April" was altered to "Date of birth of military and uncovenanted officers") the date of birth is entered as 11 August 1851.

It is therefore presumed that the correction was made in that year. But as the correction was not attested by the initials of any officers then, it has now been attested by the Officer incharge of Guntur Section.

In these circumstances, the date of the applicant's birth as entered in the Service book may be taken to be correct.

4. The applicant's medical certificate should be countersigned by the District Medical and Sanitary Officer if one is available in the District.

In the Madras Supplement to C.S.R. page 24 under article 486, it is stated that "Commissioned Medical Officers, District Medical and Sanitary Officers and Civil Surgeons are alone authorized to grant certificates of unfitness for further Service".

The medical certificate has been forwarded to the District Medical and Sanitary Officers at Masulipatam for Countersignature.
