FOR ORDERS.

Kistnaji Rao was entertained
as Forest Guard on the 1st Feb 1886,
and after having continued in that
appointment till the 15th Sept 1898 he
retired on a medical certificate
of incapacity for further service. In the
Invaliding certificate of 10-6-99, his
age according to his own statement is
given as 52, and in the Invaliding
Surgeon's opinion as 60, according
to which his date of birth will be 1847
or 1839; but in the service book and
in the pension application it is entered
as 1846, which makes him 53.

From the service book it would
appear that in 1886 he stated he
was born in 1836, and he was therefore
then in his 50th year. Now he says he
is 52. The entry in the service book
has since been altered into 1846

on the ground that the entry of the year 1836 was a clerical error. This alteration requires the formal sanction of Government - vide art. 55 (b) of the Civil Account Code.

The Board, however, remarks that the year 1846 has been quoted in all the Annual returns furnished to the Accountant General since the year of the applicant's entrance in service, viz, 1886. According to the altered entry the applicant is eligible for the gratuity applied for, while according to the original entry his case falls under art. 392 of the C.A.R., and no retiring allowance will be admissible to him.

In G.O. No 727 Pension d/13.7.86 it has been ruled that, when there is any doubt regarding the date of birth of an applicant for pension the entry in the service book should be adopted. In the present case, the entry in the service book has been altered without the requisite sanction of Government.

In the case disposed of by G.O. No. 755 d/24.7.93, the Hon. member

As the sanction of the Govt was not obtained for the change in the service book of the year of birth from 1836 to 1846. The former year must, I submit, be held to be the correct one. Circumstances also point to the probability of this year being the correct one.

No allce with them is admissible as he entered Govt service after he was 40 years old & after 1st April 1880. (Art 392 C.S.R.)

We have the Board's statement that the date 1846 has appeared in all the annual returns since 1886 - The alteration is attested by Mr. Douglas, & the original entry is reported to be a clerical error - Art. 55 (b) allows the correction of clerical errors - I think the man should get his gratuity of 32 years, & ord. if necessary, was sanctioned the alteration of date -

Proceedings of the Board of Revenue

(Land Revenue).

Forest No.609 Mis., dated 29th August 1899.

Read Certificate and Report of the Accountant-General to the Government of Madras, No.A.D.J./255, dated 8th August 1899, for warding application for gratuity on behalf of S.Kistnaji Rao, --- Forest Guard, the Nilgiris.

Resolution.

The application from the District Forest Officer of the Nilgiris for an invalid gratuity on behalf of S.Kistnaji Rao late Forest Guard, received with the Accountant-General's endorsement read above, will be submitted to Government for orders.

2. S.Kistnaji Rao was entertained as a forest guard on 1st February 1886 and was invalided by the Civil Surgeon at Ootacamund for further active service on 8th August 1898. He was, however, not relieved from duty till the forenoon of the 16th September following, pending the appointment of a successor; but this period was rejected as not counting for pension agreeably to Article 499 of the Civil Service Regulations. As the medical certificate produced by the applicant was not in the form prescribed in Article 491 of the Civil Service Regulations, the Accountant-General called for a revised medical certificate which was duly obtained on the 10th June 1899 (i.e.) 8 months and 25 days after the date of the applicant's retirement. Under the power delegated in Government Order No.24 Pension, dated 17th---

January

January 1899, the Board accepts ~~and~~ this certificate.

2. With reference to the remarks in paragraph 2 of the Accountant-General's endorsement on the application for gratuity, the Board observes that the year of the applicant's birth which was originally entered as 1836 in the service book has since been altered into 1846 on the ground that the entry of the year 1836 was a clerical error. This alteration--- however appears to require the formal sanction of Government. The year seems to have been correctly quoted as 1846 in all the annual returns of establishments furnished to the Accountant-General since the year of the applicant's entertainment in service. According to the altered entry of age in the ~~xxxxxx~~ service book as well as the original entries in the --- annual returns, the applicant is entitled to the gratuity applied for.---- The medical officer while stating that the applicant is by appearance ---- about 60 years of age remarks that he is "prematurely aged".

As regards the reply to this office query No. 1 of this office previous reference No. 47 of 17 May 1899, the date of applicant's birth is given in all the returns from 1886 as 1846 instead of 1836 as originally stated in the service book, attention is drawn to article 55(6) Civil Account Code.

S. Kistnaji Rao entered service on 1st February 1886 and his service register was prepared on 13th February 1886. In the detailed statement sent in April 1886, the app. is entered as 1846 and not as 1836 as originally stated in the service book. Hence the correction is due to a clerical error and as such no sanction of Government is necessary.

I. App. It is not known at this date whether the correction of the age was made through clerical error at the first instance or at a subsequent date. With a view to satisfy myself on the point, a search for the detailed statement of 1886 was made without success. Should it be found from the Accountant General's Copy that it is a subsequent amendment the necessary sanction of Govt will be obtained. An early reply on this point is requested.

Identification marks. Besides the mole on the breast already noted he has another small one on the right cheek and a scar on the left leg $\frac{1}{2}$ " in diameter and 8 inches above the ankle (outside). He has not any other marks.

2. Filled in and a memorandum appended.

3. The date is corrected and reason already given as "Invalid".

4. The certificate in the prescribed form is appended and his services from 8-8-98 to 15-9-98 have been excluded from qualifying service and the necessary corrections have been made in the history of the service and in the Service Register.

Memorandum accompanying the application
for gratuity of Sundalli Kistnajer Row.

1. S. Kistnajer Row was on leave without allowance
on 3 occasions viz for 15 days, 16 days and 1 Month during
his service. He could have been granted leave on
Medical Certificate for 3 years in all under article
369 C.S.R. but he has actually availed himself of
leave without allowance for only 2 Months.
2. Medical Certificate. The Medical certificate
was granted on 8th August 1898 but the Forest Guard
was relieved from duty on the forenoon of the 16th
September 1898 after the appointment of a successor.
It was necessary to detain him till the latter date in
the interests of service as it was difficult to secure the
services of another man in the lonely tract of Liger Range.
3. Name. on the first page of the Service
Register the name is spelt as "Kistnajer Row".
In pages 3 and 4 it is spelt as "Krishnajer Row".
In the letter to the Medical Officer asking for a
Certificate, it is spelt as "Krishnoj".
All these refer to the same man.

I have the honour to forward herewith the marginally noted papers for transmission to the Board relating to the grant of gratuity to Sindalli Vishnaji Rao Forest Guard who has been invalided.

2. The delay in the submission of the papers is due to the fact that the Forest Guard was reported to have been in service prior to the date entered in the Service Register, and that the old papers had to be completely searched to ascertain whether or not he was in service as alleged. The result of the search is that he was serving in the Department during the Major part of 1883 but all attempts at connecting this with the Service Register have

3. As the exact date of his birth is neither known nor ascertainable, it has been assumed to be 1st July under the rules.
