CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Chief Acctt.

Certified that qualifying Service in Superior grades has been duly proved for 20 years 7 months and 6 days and that a Superannuation Pension not exceeding Rs 83-5-4 per mensem equal to 20/60ths average emoluments is admissable under Articles 502 and 518(b) of the Civil Service Regulations, 3d Edition.

The calculations have been duly verified. The pension is debitable to Provincial Revenues and Port Funds as shewn in the margin according to the rule of proportions.

Provl. Revs. 75-11-6
Port Funds 7-9-10

2. Although the applicant, during the last 5 years of his service drew pay as Traffic Manager, ranging from 375 to 500 rupees a month, yet for the purpose of calculating pension, his emoluments have been taken at Rs 250 only a month, the pay he drew from Port Funds at the time of his transfer to the Harbour Trust Board and upon which he contributed for pension vide Article 810(a) (2) Civil Service Regulations.

3. From the papers herewith forwarded it will be seen that prior to October 1878, the applicant had served in the Army Clothing department for a period of 8 years and received a gratuity therefor. As he did not refund it on his reemployment on the Madras Pier Establishment in 1878, that service ~~did~~ does not ~~amount~~ count.

4. The delay in the submission of this application is explained by the Secretary to the Harbour Trust Board in his ~~letter to this office~~ letter No 2210(a) dated 30-8-99 enclosed herewith.

5. In accordance with Rule 3 under Article 994(b) the attention of Government is respectfully solicited to article 514 of the Regulations.

To

The Secretary to the Government of India, Military Department.

Sir,

Docket from Superintendent and Agent for Army Clothing, No. 14, dated 15th June 1874.
Letter from Controller of Military Accounts, dated 21st July 1874, B.
with
Pro. of Govt., No. 1563, dated 30th April 1867.
Do. „ 3026, „ 23rd Aug. 1869.

I am directed to forward, for the consideration and orders of the Right Honorable the Governor General in Council, the accompanying memorial, and correspondence connected therewith, from Mr. S. Hutchence, late mechanic in charge of the machine department of the Army Clothing establishment, who prays for a gratuity for his service of eight years in that department.

Pro. of Govt., 30th April 1867, No. 1563.
Do. 23rd Aug. 1869, „ 3026.

Section 17, Civil Pension Code.

Vide paragraph 3 of letter from Controller of Military Accounts, recorded in Proceedings of Government, 30th April 1867, No. 1563.

Section 24 Civil Pension Code.

2. The Controller of Military Accounts is of opinion that the claim is inadmissible, basing his objection, apparently, on section 13 of the Civil Pension Code, but I am to observe that although Mr. Hutchence was paid out of the sum allotted for the working expenses of the department, yet the requirements of section 13 of the code were met by his appointment as machinist having been sanctioned, and the amount of his salary regulated, by the Government; that his office was a permanent one, as evidenced by the grounds on which the Controller of Military Accounts objected in 1867, to an irregular increase of pay granted to memorialist by the Superintendent of Army Clothing, *viz.* that the man belonged to the fixed establishment, and the increase should have therefore been granted by Government; and finally, that his salary was paid from General revenues, and had to be accounted for and audited in the usual manner.

3. It appears, therefore, to the Right Honorable the Governor in Council, that the regulated gratuity is admissible to this discharged servant.

Ootacamund,
6*th August* 1874.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) A. C. SILVER, Colonel,
Secretary to Government.

No. 102. From the Superintendent Army Clothing, dated 15th June 1874, No. 14, forwarding petition from Mr. S. Hutchence, late mechanic in charge of the machine department, praying for a gratuity for his past services in that department.

No. 103. From Colonel T. GILLILAN, Controller of Military Accounts, to Colonel A. C. SILVER, Secretary to Government, Military Department; dated Fort Saint George, 21st July 1874, B.

In forwarding the petition of Mr. S. Hutchence, late mechanic in charge of the machine department of the Army Clothing establishment, with five enclosures, claiming a gratuity for his past services, submitted by the Superintendent of the above establishment, under date the 15th June 1874, No. 14, I have the honor to report, that as Mr. Hutchence was paid out of the sum allotted for making up clothing, &c., and his pay charged accordingly, he in common with others similarly circumstanced, has never been recognized as a public servant in permanent employ, nor considered entitled to gratuity on their services being dispensed with: the mere fact of Government having approved of the allotment of a portion of the cash assigned, according to a scale of pay proposed by the above Superintendent for the working establishment cannot be regarded as in any way changing the character of the department, or assigning to it the position of a fixed establishment giving claim to gratuity and pension.

2. Mr. Hutchence refers in his petition to sections 13, 17 and 24 of the Civil Pension Code, in support of his claim, but none of those sections are applicable to his case, as he was not borne on the permanent establishment of the Clothing Department; and to recognize his claim would inaugurate a most dangerous principle, and give rise to numerous claims, not only prospective but retrospective, for both gratuity and pension (the service qualifying for one necessarily carrying a right to the other) never contemplated by the regulations and unsupported by precedent.

Military Dep ent.

Proceedings of the Madras Government, Military Department, *23rd August* 1869.

Read the following papers:—

No. 372. From the Acting Superintendent Army Clothing, to the Officiating Secretary to Government, Military Department, Fort Saint George; dated Madras, 5th July 1869, No. 32.

Adverting to the Order of Government under date the 24th March last, No. 1176, I have the honor to submit the accompanying comparative statements, marked A and B, which shew in their last column that, since the introduction of sewing machines, the preparation of clothing for the Army has cost more, comparatively, than when it was made up by hand.

2. The statements shew, however, only a proximate result, inasmuch as the comparison is of necessity drawn between the cost of work done entirely by hand, and a mixed system of work, done partly by machinery and partly by hand. The calculation moreover omits the original cost, and the wear and tear of the machines in use, elements which ought certainly to be considered, but which can only be accurately determined by actual charges and further experiment.

3. It is admitted that the results tell more against the working establishments than was anticipated, but it should be borne in mind that the experiment was entirely new to the Department, and that it is only by actual experience that the most can be made of any new system. Colonel Silver no doubt had great difficulties to contend with in commencing to work with machines amongst which must be mentioned the passive resistance which is invariably shewn to every modification of of an economical tendency.

	RS.	A.	P.
1 Machine Driver.	0	8	0
8 Tailors at 8 annas each.	4	0	0
Rupees...	4	8	0

4. Recently, certain trials were ordered, such, for instance, as the number of tunics that could be turned out in a day, by a single machine, under the personal supervision of the Head Assistant, Mr. Beaumont. The result shewed that one machine, with a *mixed* but reduced proportion of attendants as per margin, began and completed twelve tunics in four and half hours, at an aggregate expense of Rupees 4-8-0, estimating the work at an entire day's pay, but it would be too much to expect such an amount of work to be performed in four hours and a half from day to day. In a subsequent experiment, with a different description of garment, the work was performed in such a way as to shew that the workmen had combined tacitly to render the experiment of little practical value.

Table I.—Shewing former and present rates with proposed saving in making up clothing for British Troops.
Table II.—Similar for Local Troops.
Table III.—Proposed revision of establishment.

5. Sufficient experience has however been gained to enable me to suggest a reduction in the expenditure, as shewn in the annexed tables 1, 2 and 3, by combining the two Departments of machinery and finishing, which have hitherto been maintained distinct.

*Master Tailor from	Rupees	150	to	Rupees	250.
Finishing tailor from	do.	40	to	do	95.
(a) Machinist from	do.	70	to	do.	95.
Packing Serjeant from	do.	40	to	do.	60.

†No. 3, dated 11th May 1868.

6. It is hoped that the reorganization proposed will work beneficially and economically and that Government will now be enabled to sanction, from the 1st instant, the increase of salaries* recommended by Colonel Silver in his letter as per margin,† which increase is provided for in table III Revision of Establishments.

7. In conclusion, I would refer to the great probability of the workmen for a time declining to accept the reduced but ample rates now proposed—should they do so for a permanence, the work by machinery might be carried on for the European portion of the Army with a greatly reduced establishment, while that for the Natives might be given out, as was the case prior to the introduction of machinery; or the whole work might be given to Contractors.

(a) NOTE.—The present Machinist, Mr. Hutchence, with Colonel Silver's permission, applied for an appointment in Bombay and will probably obtain it. In such case a new Machinist will have to be engaged.

Army Clothing Department,
Madras, 17th July 1869.

(Signed) W. G. WOODS, Colonel,
Acting Supt. Army Clothing.

No. 373. *With report from the Controller of Military Accounts, 27th July 1869, B.*

No. 374. From the Acting Superintendent Army Clothing, to the Officiating Secretary to Government, Military Department, Fort Saint George; dated Madras, 27th July 1869, No. 38.

I have the honor to report, for the information of Government, that although, as anticipated in my letter as per margin, the working tailors struck work on being apprized of the proposed rates. Yet they have since agreed to the same—have returned to their work—and every thing is now going on as before the strike.

No. 32, 5th July 1869.

No. CXLI.

Forwarded in continuation of this office Report B of this day's date.

(Signed) C. H. DRURY, Lieut.-Colonel,
Controller of Military Accounts.

27th July 1869.

No. 375. ORDER THEREON, 23rd August 1869, No. 3026.

The Right Honorable the Governor in Council regrets to learn from the foregoing reports that the introduction of Sewing Machines into the Army Clothing Stores, so far as past operations are concerned, has resulted in enhancing the cost of Army Clothing.

2. The Government are willing, however, to believe that this result is in some measure owing to insufficient experience on the part of the establishment, and to a tacit combination of the workmen to defeat the object in view by every means in their power.

3. A special experiment has shown that machine sewn clothing can be turned out at comparatively small cost—and while the Government concur with the Superintendent that the work performed on that occasion must be regarded as exceptional, the Governor in Council is of opinion that the result may be accepted as proof of the capability, under efficient and close superintendence, of the means now in use to reduce considerably the cost of Army clothing, and the Government expect that the Superintendent will use his best endeavours to effect that object, submitting for the information of Government a further report on the subject at the expiration of twelve months.

Paragraph 4 of Superintendent's letter.

4. On the recommendation of Colonel Woods, C. S. I., the Right Honorable the Governor in Council sanctions the adoption of the rates for making up clothing and the several modifications of establishment proposed in the tabular statements* submitted by him; with the exception of the salary of the Master Tailor, which His Lordship in Council is pleased to increase to Rupees 200 a month. The consequent reduction of the cost of the working establishment of the Clothing Department will, it is observed, be Rupees 168-0 8 per mensem, or Rupees 2,016-8-0, per annum.

* Tables I, II, and III.

5. His Excellency the Commander-in-Chief will be requested to transfer Private A. MacGuinness, 2nd Battalion 10th Foot, to the unattached list.

Proceeding[illegible] the Madras Government, Military Depar[illegible]ent.

No. 738. Read the following papers :—

From the Superintendent of Army Clothing…… …	Here enter	1st April 1867,	No. 1.	
Report from the Controller of Military Accounts…	,,	13th ,,	,,	C.

From the Superintendent of Army Clothing, Madras, 1st April 1867, No. 1 ; to the Secretary to Government, Military Department, Fort Saint George.

I have the honor to state the following circumstances, for submission to Government.

2. During the short time the late Mr. Barrett had charge of the sewing machines in this Department, several persons were entertained to be taught how to work the machines. Among them was a Mr. Hutchence, a European, who soon evinced an aptitude which gave promise of his proving a good assistant to the Mechanist, as also of undertaking charge of the machinery on emergency.

3. When Mr. Barrett died, Mr. Hutchence's monthly pay was increased from 35 to 50 Rupees, and having since then acquitted himself very satisfactorily, I had no hesitation, on his representation of the insufficiency of his wages for the duties which devolved upon him, to advance those wages to 70 Rupees from the 1st January last, as it was obviously desirable, in furtherance of public interests, to do so, and thus secure Mr. Hutchence's services.

4. His pay has all along been met from sums allotted to this Department to meet its working expenses and remained unobjected to until January last, (the month in which, as aforesaid, the last increase was given) on the ground that the sanction of Government was necessary to it.

5. I have therefore the honor to solicit authority to Mr. Hutchence's pay being fixed at Rupees 70 per mensem, as a temporary measure, pending a re-construction of the entire machine department at a future period.

No. 739. From the Controller of Military Accounts, Fort Saint George, 13th April 1867, C ; to the Secretary to Government, Military Department.

I have the honor to forward a letter from the Superintendent and Agent for Army Clothing, dated 1st April 1867, No. 1, requesting sanction to the admission of a salary of Rupees 70 per mensem as a temporary measure to Mr. Hutchence in charge of the Sewing Machines at the Agency.

2. Mr. Barrett, the Machinist, sent out from Home, as Government are aware, died, and measures had to be taken to supply his place locally. Up to the 13th July 1866, Mr. Hutchence drew Rupees 35 as "Head Maistry," from that date to the 31st December last he received a salary of Rupees 50 per mensem. In January's account his salary was entered at Rupees 70, and the charge was objected to by the Examiner until sanctioned by Government.

13th July 1866.

3. Seeing that Mr. Hutchence's position had become that of a member of the establishment, and that he had ceased to be a mere casual workman, the Examiner's objection appears to me to have been correctly taken, and the sanction of Government to a fixed salary, as in charge of the Machine Department, seems to me to be necessary, even although, it is proposed, only as a temporary measure ; because the temporary arrangement is the substitute for a contemplated permanent establishment.

4. The Superintendent's reasons for placing Mr Hutchence in the position which he holds, and for proposing the amount of salary specified, are, I consider, in themselves good, and funds are available to meet the charge.

No. 740. ORDER, No. 1563, 30th April 1867.

The temporary arrangements made by the Superintendent of Army Clothing, regarding Mr. Hutchence's salary, are approved.

(Signed) R. HAMILTON, Colonel,
Deputy Secretary to Government.
