From H. HESELTINE, Esq., Assistant Secretary to the Government of India, Finance and Commerce Department, to the Secretary to the Government of Bombay, Revenue Department, dated Calcutta, 8th November 1899, No. 5103-A.

I am directed to acknowledge the receipt of your telegram, dated the 1st November 1899, regarding the refusal of the Bombay Customs Authorities to accept sovereigns in payment of Customs duties at the rate of Rs. 15 to the sovereign.

2. The Government of Bombay have doubtless informed the Collector of Customs that no separate notification was necessary, and that gold coins, whether coined at Her Majesty's Royal mint in England or at any mint established in pursuance of a Proclamation of Her Majesty's Government as a branch of Her Majesty's mint (sovereigns, half-sovereigns, two-pound pieces and five-pound pieces) having been declared to be legal tender by Act XXII of 1899, any person who owes a payment to the Government (or any one) may at his option pay in sovereigns and other gold coins.

Ordered that copy be forwarded to all Local Governments and Administrations, for information and guidance.

Pension^A, dated 9th October 1899 has re-fused to grant pension, but as under G.O. No. 479, Pension^E, dated 3rd September 1877 I have no power to withhold applications for pension, I submit this for the orders of Government.

Submitted. The deceased served under Government as a police constable for a period of 12 years 7 months and 16 days and died of plague. On the analogy of the orders passed by Government in similar cases (G.O. No. 503 Pension dated 31st July 1899) the applicant does not seem to have any claim upon Government for a pension or gratuity.
