STATEMENT OF CASE.

1. Rank. Subprotem Head Clerk
2. Name. N. Ranga Iyengar
3. Department or Office. Sub Registrar's Office Tirukoilur
4. Marks of identification. A scar on the right side of belly.
5. Age. 55 years
6. Service. 26 years
7. Sick leave granted during the service. 6 months
8. Disease or cause of disability. 2. Epithelioma of Penis
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This patient is suffering from Cancerous Ulceration of penis attended with offensive discharge and impairment of general health & probably resulted from phymosis and old age.
He seems to have been ailing from this complaint for the last 8 months and had been undergoing native treatment. But finding no relief he has now applied for Hospital treatment. He is at present extremely weak emaciated and bed ridden and quite unable to attend his duties. The disease in my opinion was not contracted from irregular or intemperate habits.
He is unfit for further service.

From
The Sub Registrar of

To
The Registrar of South Arcot

Sir,

With reference to your memo No 1863 dated the 22nd instant, I have the honor to report that the clerk (as he now says) was born on the 1st February 1846 and not in February 1843 as was wrongly entered in the Register & that his age was therefore on the 19th September 1888 — the date of entry — 42 years, 6 months & 18 days. The necessary corrections have been made & attested by me. As for his statement before the Doctor he (clerk) explains that it was given in confusion & that his present age must be taken to be correct.

2. The clerk's father is no more & I therefore request whether it is still necessary to enter his place of residence in the Service Book.

I have the honor to be

This clerk's service register

1. The clerk's father's residence is not mentioned in both the first and second pages and should be entered

2. The exact date of birth is not also stated similarly - It is not understood how the Sub Registrar calculated his age so accurately as 45 - 6 - 18 in the absence of the exact date of birth - Further the clerk's age according to his own statement before the doctor is 40 and 42 as per statement submitted by the Sub Regr in February last against 45 odd in the register. This will be explained and corrections if necessary made in the register and attested by the Sub Registrar. The other omissions should also be supplied and the matter reported to this office.

3. The book is however returned duly attested.

Memorandum of Calculations

Letter from the Registrar of South Arcot, No. 8 dated 20th October 1888: —

With reference to your Proceedings M. No. 463, dated 19th instant, on the Accountant-General's No. $\frac{A.D.K.}{175}$, also dated 19th instant, on the pension application of N. Ranga Aiyangar, late 1st Clerk, Subregistrar's office, Tirukkoyilur, I have the honour to state as follows: —

(1). No. 4 of the printed memo of instructions issued from the Accountant-General's office only requires that where the date of birth of an officer is altered subsequently, the change should be supported by a Government Order. But in this case the date was not subsequently changed. In the beginning of 1888, the salary scheme for clerks was introduced and the registration clerks who were till then paid by commission on the fees collected were then given permanent pay and exempted from the age bar. Till that time they had not to maintain any service register as they were paid only by commission and so their service did not reckon towards pension. In the latter part of 1888 they were ordered to maintain service registers and the then Subregistrar of Gingee, who had to open the service register of the clerk, committed a mistake in calculating and entering in the register the date of the clerk's birth. This mistake was found out in this office by the then Registrar and the enclosed [x] memo was issued to the Sub-Registrar to make the necessary alterations in the date

[x] No. $\frac{1863}{22\text{-}9\text{-}88}$.

Memorandum

sar f birth and the Subregistrar accordingly did

So the correction in the date of birth was only made when the service register was first opened and maintained and not subsequently.

The applicant's earlier service i.e. prior to 1st
nuary-1888, has not been entered in the Service
gister in detail under the orders of the Inspector-
neral, and the only entry regarding the same
ted in the Service register has now been made in
e pension application.

The clerk has been asked to produce the horoscope
t he had not done so as yet, and a reminder will
w be sent to him, and an affidavit obtained and
bmitted, if it is considered necessary in the
ght of the two enclosures which were recorded so
g ago as 1888 by disinterested persons.

Letter from M.R.Ry.V.Radhakrishnaiyar,avargal,Registrar of South Arcot,to the Inspector-General of Registration, Madras,No.3060,dated 27th September 1899:-

With reference to your Proceedings A.No.2050,dated25th instant,I have the honour to resubmit herewith the pension application of Rangaiyangar after making the corrections pointed out in paras 2 and 3 of Your Proce dings A.No.1990of the 19th instant.

2. As regards para 3 of the latter Proce dings,Ibeg to state that the acting appointments held by Rangaiyangar in the years 1889 and 1890and 91 were on account of the grant of leave to clerks on higher pay on loss of pay and on medical certificate respectively and that such acting periods counted towards service,his place -- having been taken by his juniors counting service in the same. The acting appointment in 1892 was owing to a senior clerk having been absent on privilege leave on half pay and this period did not therefore count as service in the acting appointment.

3. Information as to the age of the applicant has been called for and will be submitted on receipt.

4. The enclosures are herewith returned.

In forwarding herewith the pension application of N.Rangaaiyangar,late first clerk subregistrar's office Tirukkoyilur,I have the honour to explain the delay beyond one month as follows.

2. The clerk was from 28th July 1898to 27th July 1899 on sick leave and he was required to produce a medical certificate when he applied for extension. The clerk appeared before the District Surgeon and he examined and declared him unfit for further service. The certificate countersigned by the Surgeon-General on the 27th July 1899 was received in this office on the 7th August 1899 and submitted for your orders and you were pleased to order that the clerk should be retired from 28th July 1899 and his pension application should be submitted (Vide Proceedings G.No.6145, dated 14th August 1899).

3. The clerk's services were immediately verified and the pension application was prepared on the 24th August 1899. The clerk owing to illness was unable to appear before me for affixing finger impressions and on a reference you were pleased to order× that his finger impressions might be taken in the presence of the subregistrar of Tindivanam. The papers and the service register were sent to the subregistrar of Tindivanam on the 6th September 1899 and received back on the 11th September 1899 and hence the delay.
