CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

1. Certified that should Government be pleased to admit the periods of service noted in the margin claimed in the affidavit of the applicant on the evidence of contemporary employés (which are also verified from the records of this office) qualifying service in inferior grades will be duly proved for 25 years 11 months and 19 days; and an Invalid Gratuity not exceeding Rs 42/- equal to 6 months' pay will be admissible under Articles 485 and 524 (a) of the Civil Service Regulations, 3d Edition.

The calculations have been duly verified.

Mandarapu Appalanarasayya Defendant
in O.S. 437 of 1897 on the file of this Court.
He was arrested before Judgment. On
Saturday the 28 instant he promised to
find security and wanted time till this
day. His request was granted. Under
rule 21 of rules of practice the Dy Nazir
detailed 2 peons named Gaddala Venkata
Swami & Babamiyya. Nazir says that he saw
the 2 peons at 11 a.m. but he cannot
say whether he saw them in charge of the
Defendant or not. But I have been
seeing the Defendant sitting on the galleries
before the Court since about 12-30. It is
now 20 minutes after 2. I asked the
Defendant how he ~~p~~ happened to be
free from the custody of the peons. He
is unable to explain. He however admits
that he came here with the peons at 10.30 or
11 a.m. and did not see the peons any more.

Though the Court was unable to release the Defendant without any security the peons removed the rigor of the law upon the Defendant and released him on their responsibility. The peons are now called. They are absent. The Dy Nazir says that he did not see them after 11 a.m.

Under these circumstances I suspend the peons each for 2 months from this date. The Nazir is directed to detail fresh peons on the Defendant who happens to be standing before the Court now.

Sir,

In submitting herewith a fresh draft of the application for gratuity on behalf of Babameyya a process server of my court, I beg to state that the other instructions contained in the Proceedings of the District court No. 37 dated 18th November 1897, will be followed on receipt of an order from the District court that the application is correct. The application is prepared in accordance with the instructions contained in Proceedings of the District court No. 1156 dated 20th July 1899, with reference to some paras whereof I have to submit the following explanation.

Paras 1 & 18. The acquittance rolls and the detailed statements

9
12
992

Statements of the Process establishment of this court show that the name of the applicant is Babamiyya and he always signs his name as such. He explains that "Sheik" mentioned in his service register does not form part of his name but merely serves to indicate the particular sect of the Mussalman community to which he belongs. He signed in the Service register first opened in the District court as Babamiyya and says that he is not called Sheik Babamiyya and that he never told any body to enter his name accordingly in the Service register.

Para 5. The statement referred to in the first part of the para is not forthcoming and the whole service was therefore verified afresh.

Para 8. The annual detailed statements prior to 1889 are not forthcoming and the services of the applicant from 1889 alone were verified from the detailed statements also and so stated in the column "How verified".

Heads 7 and 8 of the 1st page and the total period of service in the 2d page of the application are left blank as these entries can only be made after the medical examination which will take place sometime

hence.

hence.

Para 9. I understand article 991(b) Civil Service Regulations to mean that the head of Office should record his own opinion and make mention of the nature of the investigation when the procedure mentioned in article 989(c) is resorted to. The District court is of opinion that the nature of the investigation &c should be reported in the letter forwarding the application and omitted in the application. The article under reference deals with applications as will be seen from the title page of the chapter and a perusal of the description of the form at page 103 of the appendices to C. S. R. will, I submit, show that the form is prepared with reference to articles 990 to 994 and 1019.

I therefore think that the requirements of the article should find record in the application. In obedience to the Proceedings of the District court, I have omitted to give this information in the draft application

now

now submitted. If, upon full consideration of my arguments, the District court sees reason to agree with me I shall record the nature of the investigation in the final application.

Para 14. The copy of the order of suspension and the copy of the District court's proceedings sanctioning the punishment clearly show that the suspension under reference is adjudged as a specific penalty which never counts towards service under article 458(a) C. S. R. Article 459 quoted in the Proceedings does not, in my humble opinion, apply to the case on hand.

Clerical error

Para 15 The applicant is, no doubt, below the age of incapacity though he appears to be much older than what his Service register shows him to be; but I think that, on account of a great defect in sight, he is unfit for service and that an examination by a medical officer is imperative. This is stated at page 3 of the application (Head 5) as directed by the District court in Proceedings No. 1028 dated 7th ultimo.

Para 17 No record is forthcoming to enable me to verify the service of the applicant during the month of January 1885 and during the whole year of 1886. The applicant's service for those periods was therefore verified from the applicant's affidavit and from the depositions of his contemporaries. I am of opinion that the service of the applicant for those periods is established and should be admitted.

2. The acquittance rolls and the detailed statements of the Process Establishment of this court show that the name of the applicant is Babamiya and he always signs his name as such. 3. No record is forthcoming to enable me to verify the service of the applicant during the month of January 1885 and during the whole year of 1886.
