UNDER SECY. TO GOVT. 30 NOV 1899 REVENUE DEPT.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government. The applicant who is an enrolled Government Vaccinator, Vide endorsement of the Sanitary Commissioner Madras No $\frac{992}{V}$ dated 13th october '99, commenced service in the Local Fund Board, Tinnevelly on 22nd January '74 and was transferred therefrom to Local Fund Board, Madura. On the 1st June '85 his services were dispensed with owing to the abolition of his appointment in the revision of the Vaccine Establishment of the Madura District Board. After an interval of 7 months and 20 days ie on 21st January '86 he was reentertained in the Local Fund Department Madura as a 1st class vaccinator and continued to serve as such till 4th July '99 when he was finally retired from the service on an Invalid pension.

From the above it will be seen that though the applicant's service from 21st January '86 was rendered in an appointment precisely similar to the one he held prior to the loss of his appointment in May '85, it cannot be reckoned towards pension under G. O. No 906 dated 20th May '81. N

The Applicant's earlier qualifying service rendered upto 1st June '85 in Superior grades amounts to 11 years 3 months and 12 days; for which had he claimed it, he would have been granted a compensation gratuity not exceeding Rs 198-.- equal to 11 months emoluments under section 113(a) of the Civil Pension Code 6th Edition, which was in force at the time. As the applicant is now declared to be incapacitated for further service, that amount may now be granted to him under Article 483 of the Civil Service Regulations, the gratuity being designated as "Invalid." The gratuity is debitable to the Provincial Revenues.

The President Dt Board in para 2 of his reply to this office reference No $\frac{ADk}{182}$ dated 20th october '99 enclosed states that the applicant's right to count the subsequent service also towards pension is in no way impaired by reason of the interruption ~~caused~~ by abolition of his appointment and that Article 53 of the Local Fund Code would be inapplicable ~~to this~~ case. But this view is opposed to the decision arrived at in several similar previous cases, the most recent of them being that of V. Damodaram Reddy disposed of in G.O. No 478, Rev. dated 20th July 99. - Pen. M.

The delay in the submission of this application is explained by the President District Board, Madura in his letter No 1052 dated 26th September '99 accompanying.

In accordance with Rule 3 under Article 994 (c) the attention of ~~the Board of Revenue~~ Government is ~~earnestly~~ respectfully solicited to Article 514 of the Regulations.

Sir,

In returning herewith your letter No $\frac{ADK}{153}$ dated 18th September 1899, after furnishing the information therein required, I have the honor to state that the delay in submitting the pension application of the 1st class vaccinator M. Seshachelam Pillai, is due to the following causes:—

The vaccinator was declared unfit for further service by the District Medical and Sanitary officer on the 4th of July; intimation thereof was received in this office only on the 24th idem - vide copy the District Medical and Sanitary Officer's letter No Roc 2463, dated 23rd July 1899, attached.

The vaccinator who was directed to appear in this office to affix his finger prints, did not turn up till the 8th of September in spite of several reminders, on which date they were taken in this office in the pension application and in the Collector's half.

SIR,

I have the honour to inform you that the application for pension ~~gratuity~~ of M. Assistant Accountant-General.

1019 Attention is drawn to No. of the printed Memo. of Instructions from this office.

1. In the audit Register for '73-'74 the date of the applicant's appointment is shown as 10-2-74 while this date does not appear in the 2nd page of the application. The discrepancy should be explained.	1 The Vaccinator states in his reply (enclosed) that the date of his appointment is 22-1-74 as entered in column 6 of the Service Book and on the 2nd page of the application. The entry has been attested both by the Vaccinator and the then Deputy Inspector of Vaccination in charge. As the man was employed in the Thermadevi Circle of the Tinnevelly District in 1874 the President of that District Board has now been addressed to verify the date.
2. The applicant having been out of employ from 1-6-85 to 20-1-86 owing to the abolition of his	2. Under Art: 463 (d) of the Civil Service Regulations, the applicant's service pr to 1-6-85 the date of the abolition

appointment in May 1885 and is reentertained from 21-1-86 his subsequent service does not count for pension under article 53 of the Local Fund Code. Attention is drawn in this connection to point 10 of the printed memo of Instructions from this office regarding the savings effected in consequence of the abolition of his appointment in May 1885.

of his appointment is not interrupted. Article 53 of the Local Fund Code refers to servants of Local Boards entertained subsequent to 20th May 1881, but on this and subsequent dates the Vaccinator who is declared by the Sanitary Commissioner to be an enrolled servant of Government, was in service but was thrown out on 1-6-85 owing to reduction of establishment in the General Scheme.

No compensation pension on account of reduction of establishment appears to have been applied for on behalf of the applicant as at the time it was thought he would get a suitable appointment by waiting. A vacancy occurred on 21-1-86 when he was re-appointed.

The amount of savings effected in 1885 is Rs 3010 by the reduction of establishment; (Vide Rev: Board's Proceedings No 247 of 26-1-85) and Rs 138 as far as the pay of this Vaccinator is concerned for 7 months and twenty days at Rs 18 a month.
