Remarks. | How verified | Remarks by the Audit Officer.

(a) Do not count having been rendered in acting, temporary and non pensionable appointments.

(b) Does not count for a separate gratuity being less than 5 years.

Verified from the records of the Madura Collectorate and the verification from '80 confirmed by reference partly to the Annual Returns & partly to the Contribution Registers on record in this Office.

18th November when ... ferred to Collector's ...

(c) As stated in (b) ... began only from 1.8.1882. Full pay has been given to the acting man and no allowance appears to have been paid to the applicant.

(d) A reference to the pay bill for November for the Madura Taluq shews that the transfer had been simply by mutual consent & was not owing to degradation owing to his conduct or other cause.

(e) In this case as well as on other occasions when the clerk was deputed to temporary duty the clerk had a right to revert to his substantive appointment but no departmental orders are forthcoming to show this.

(f) Copies of Government orders sanctioning the loan of the ~~applicant~~ to Foreign Service both on this and on the second occasion i.e. on 3.3.87 (C.C.D) are

6. Service. 20 years & 6 months

8. Disease or cause of Disability. 479b chronic inflammation liver (ascites)
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

An extremely emaciated individual, has been on sick leave very often during the past 2 years for intermittent fever; chronic dyspepsia; rheumatism; and ascites. His abdomen is distended with fluid; peritoneum found thickened in some parts; liver slightly contracted. He was tapped on two occasions and a large quantity of serum drawn away, but he is rapidly declining in health. He presents a worn out and haggard appearance; is dyspeptic; gets out of breath on slightest exertions and suffers from great muscular and nervous prostration. Is very feeble and quite helpless and there is no likelihood of his ever regaining his health. I consider him unfit for further service.
