1. In the detailed lists of establishments the name of the applicant is shown in different ways as Mohomed Silomon, S. Mohomed Silomon, Swaram Mohomed Silomon; but the correct full name is Sheik Baban alias Mohomed Silomon Sahib.

2. The date of birth of the applicant is shown in the detailed lists of establishments as 1846 & as 1843; but the latter is the correct one.

He has served for three years as (Chief Engineer, Superintending Engineer, &c., as the case may be) and is eligible for a special additional pension of Rs. $\frac{1,000}{2,000}$ if he is considered to have rendered "approved service" under Article 714 of the Civil Service Regulations.

3. In his affidavit ✗ the applicant states that he was granted leave after 31-10-77 by the Salt Department for a month; that while he was on leave, he was appointed as Avenue Pyggust, Arni Division; and that while he was holding this appointment he was appointed as peon Arni Dn Dy Tahsildar's office. He also states that, while he was Avenue Pyggust, he applied to the Salt Department for an extension of leave which was granted to him; and that after he was appointed as peon Arni Dn Dy Tahsildar's office, he resigned the appointment in the Salt Department. His contemporaries also state that, the peon was Avenue Pyggust before he was appointed as peon Arni Dn Dy Tahsildar's office. As records are not available in support of the statements of the applicant and his contemporaries, the period, during which he states he was Avenue Pyggust, has been treated as non-qualifying; and his service in the Salt Department reckoned as service on the strength of the affidavit and the statements of his contemporaries. The applicant further states that the orders granting him leave in the Salt Department were destroyed by fire while his house took fire.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government. The applicant commenced service as peon in the Salt Deptt. on the 1st January '64, and continued to hold the appointment up to 1st November 1877, when he left it on being appointed as Avenue Pyngust in the Arni Taluk. In his affidavit furnished before the Tahsildar of Polur, the applicant states that during the whole period of his employment as Avenue Pyngust, which extends over a period of 2 years 10 months and 8 days (1st November '77 to 18 September '80) he retained a lien on his appointment in the Salt Department, having obtained leave on loss of pay from time to time. But this fact is not borne out by the records of the local Office or of this Office. His name does not appear in the returns of the Salt Department for those years, nor does it appear that he was transferred to the post of Pyngust with the consent of his Superior in the former Office, so that the case is not covered by the provisions of exception (c) Article 463 of the Civil Service Regulations. In the circumstances the Collector has correctly treated the period as an interruption in service. Should Govt. therefore be pleased to condone the interruption under Article 465 (ii) the applicant's whole qualifying service in Inferior grades will amount to 32 years 9 months and 2 days, and will render him eligible for an Invalid pension not exceeding Rs 3-0- per mensem equal to 1/2 pay under Article 485 and 524 b, of the Regulations.

In accordance with Rule 3 under Article 994 (b), the attention of Government is respectfully solicited to Article 514 of the Regulations.

Statement of Mohomed Sileman sub Taluk peon Polur Taluk

I was peon Kattur division Ponnari taluk, salt department, up to 31st October '77 as recorded in my service register. I applied for one month's leave. The salt Dy Collector gave me verbal orders that the leave applied for was sanctioned and that I might avail myself of it. Two days after the superintendent under whom I was doing duty relieved me stating that the leave applied for was sanctioned Then I availed myself of the leave and came to Arni. Before the expiry of the leave I applied for an extension of leave for a year This was granted to me and an endorsement was also sent to me to that effect This order was lost. I have not got it now Consequently I cannot produce any record. I was on leave till I got an appointment in the Arni division. The house in which I lived while I was at Arni took fire and

I was a pukka peon in Arni during the time taluk peon Mohomed Suloman was avenue pyguest. I affirm that he was avenue pyguest. There is no mistake in what I say. He was avenue pyguest till I was peon in Dy Tahsildar's Office Arni. He was doing duty under the Dy Tahsildar

SIR,

I have the honour to inform you that the application for pension ~~gratuity~~ of Sheik Baban alias Mahamad Suliman Saib, late a peon, Polur Taluk office, is being delayed for want of the information noted below. Where possible your answer should be written opposite to each point to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,
Your most obedient Servant,

Asst. Accountant-General.

Attention is drawn to No. of the printed Memo. of Instructions from this office.

1. Explanation is ~~required~~ requested as to why no mention of the applicant's appointment as Auenue Pyguet referred to in para 3 of the note at foot of the 2d page of the application is made in his affidavit, which accompanies the pension application.

2. Full information should be furnished whether that ~~appt~~ appointment ~~Cent~~ was under Government

Control and whether the applicant was transferred to it by competent authority or he voluntarily resigned ~~rea~~ his qualifying service in the Salt Department. In the latter case he would forfeit his previous service in the Salt Department under art. 413(c) Civil Service Regulations

3. All leave enjoyed by the applicant should be entered in detail in the 2d page of the application.

4. In the service book and in the last pay certificate the applicant is shewn to have been granted leave on loss of pay from 5-7-98 to 5-9-99 while in the 2d page of the application he is shewn to have been granted that leave only from 21-8-99 to 5-9-99. The discrepancy should be explained.

To

The Accountant-General

Sir,

With reference to your letter No. A-D.K / 168 dated the 11th instant, I have the honor to forward herewith a revised affidavit obtained from Shaik Baban alias Mohamed Solomon Sahib, late peon, Polur Taluk regarding his service as avenue pyguest together with a copy of the Polur Tahsildar's report dated 24th October 99 in the matter

2 From the statement of the applicant's contemporary, Lakshminpathi, it appears that the applicant as avenue pyguest was working under the Dy Tahsildar of Arni and the appointment was therefore under Government control The applicant says that while

9
12
1049

while he was in the Salt department he took leave and during that period he was appointed as revenue pygust by the General duty Dy Collector at his request; that he reported this fact to his Superiors in the Salt department who took no objection to his appointment as pygust; that he did not resign his appointment in the Salt department but was considered to be on leave on that department until he was appointed as pukka peon in the Arni Dy. Tahsildar's office on 19-9-80. In support of this he states that on his appointment in the Arni Dy Tahsildar's Office, his service register was obtained by the then Dy Tahsildar from the Salt Department for perusal of the leave sanctioned to him. He is unable, however to produce the orders sanctioning his leave and says that they were destroyed when his house took fire. Though he got the appointment of revenue pygust at his request, I am of opinion that his past services should count towards pension as the applicant states that it was during the period of his leave he was appointed as revenue pygust and had therefore a lien on his appointment in the Salt department. The leave period was not, however, shewn as qualifying for pension as there were not sufficient records about its grant

3 The leave enjoyed by the applicant has now been shewn on a separate sheet of paper and attached to the pension application

4 The peon was on leave on loss of pay from 5-7-98 to 5-9-99 as stated in the service register and the last pay certificate. The period of leave from 5-7-98 to 20-8-99 the date of the medical certificate counts towards service and was not ~~shewn~~ therefore shewn in the 2nd page of the application. The period of leave from the date of the medical certificate which does not

not count towards service under article 499 of the C.S. Regulations was alone shewn in the 2nd page of the application

5) Your reference under reply with the papers that accompanied it is returned.

To

The Deputy Collector
In charge of Treasury
North Arcot

Respected Sir

Adverting to your reference on Cur. No. 2980 of 99 dated the 17th instant I beg to submit herewith a fresh affidavit obtained from the late peon, Shaik Baban alias Mohamed Solomon Saheb. It would appear from it that he served as salt peon till 31-10-77. While in that service he obtained leave in all for 2 yr. 4 m. 18 days till he was appointed as peon in the Arni Dy. Tahsildar's office on 19-9-80. During the period of leave aggregating to 2 years 10 months & 18 days, he says that he was employed as an avenue pyegast. According to his statement, he did not resign his appointment in the Salt department but when he was on leave he took up the avenue pyegast's post offered to by the Dy. Collector and he says he did communicate to the Salt department the fact of his

service

having taken up the peon's appointment and that they raised no objection to the same. He also states that he had a lien in the salt department while employed as a revenue peon. He further says that when he made constant requests for leave he received a notice about the time he was appointed peon in the Arni Dy Tahsildar's office to the effect that he should join within 8 days. He says he has no records in his possession as they were all destroyed by fire when his house took fire.

There is a considerable force in the argument of the applicant that his service register was sent for because his services in the salt department should reckon towards pension and it is very likely that during the period intervening 31-10-77 & 19-9-80 he was granted leave on loss of pay by the salt department.

I beg to remain &c

A ffidavit furnished by Shaek Babow alias Mahomed Silomau sahib late peon Polur Taluk

---

I was a permanent peon in the salt office Kattur of Ponnari Taluk Chengleput District. I came to Arni on a month's leave from 1-11-77. Twenty days after my arrival at Arni I was appointed as revenue [illegible] Arni. Thereon I applied to the salt department for a year's leave. I was extending my leave till I was made a pukka peon in the Arni Dy Tahsildar's office. The extensions applied for were granted to me. The orders granting me leave were destroyed when my house took fire. I was made a pukka peon in the Arni Deputy Tahsildar's office on the 19 September 1880. As soon as I was made a pukka peon in the Arni Dy Tahsildar's office I sent in a report to the salt department stating that I cannot join the appointment in that department. No reply was received to my report. I did not resign my appointment in the salt department but I sent in a report to the salt department stating that I was made a pukka peon in the Arni

Arni Dy Tahsildar's office. After I got the appointment in Arni I showed to the then Dy Tahsildar the orders issued from the Salt department granting me the leave applied for. On the perusal of the said orders my service register was obtained from the Salt department by the then Dy Tahsildar. It was only afterwards that the orders referred to above were destroyed by fire. If I had resigned my appointment in the Salt department there would be no necessity to that department to send my service register to the Dy Tahsildar. From this it would be evident that I was on leave. The General duty Dy Collector Arni appointed me as avenue pyzust. The establishment relating to the avenue trees was doing duty under the Revenue authorities. While I was continuing as avenue pyzust I was made a permanent peon by the General duty Dy Collector Arni on the 19 September 1880. I accepted the pyzust's appointment as it was a Government appointment. As I have served 35 years it is very just that pension should be
granted

granted to me. I heard the statement just read over to me and it is correct. I declare that the above statements are correct.

When I took leave in the Salt department I had no idea of becoming an avenue pyzust. After I came to Arni I tried & got the pyzust's appointment. I immediately reported this fact to the Salt department and applied for a year's leave. I extended the leave by piece meal till I continued as pyzust. I have intimated to the Salt department the fact of my having been employed as pyzust on each occasion when I sent in my application for an extension of leave. The authorities in the Salt department took no objection to my appointment of pyzust but granted the extension applied for. I received a notice from the Salt department stating that I should join my appointment in that department within 8 days just at the time when I was about to be confirmed as peon Arni Dy Tahsildar's office. The General duty Dy Collector knew that I was a peon in the Salt department. I do not know whether
or

or not the Dy Collector addressed the Salt department. I heard the deposition just read over to me and it is correct. I declare that the facts stated above are correct.
