Malacca 4th Nov: 1899.

Sir,

I beg to state that I addressed the Government of Madras (now over six months) regarding my pension for the time that I served them in India, enclosing the Colonial Secretary's letter of the Straits Settlements, dated 19th May 1899 informing me to apply to the Government of Madras direct. But very much regret that I have received no reply as yet from them

2. I was pensioned on the 2nd October 1898 and have been drawing a monthly salary from this Government of $30- per mensem from that date. I therefore beg that the Indian Government would kindly settle the amount of my pension and send me a Money Order for the amount due to me from the 2nd October 1898 as early as possible and continue sending me the same monthly to the address given below

3. I may here add in conclusion that I am a family man, who has served the Government faithfully for the past twenty years without a stain on my Indian career and entrusted with very responsible positions e.g. Civil Surgeon of Cochin and was one of the apothecaries who was chosen out of several applicants for the
