CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Certified that qualifying service in Inferior grades has been duly proved for 24 years 4 months and 2 days, and that an Invalid gratuity not exceeding Rs 42/- equal to six months' pay is admissible under Articles 485 and 524 (a) of the Civil Service Regulations 3rd Edn.

2 In reckoning the applicants' total pensionable service as 29 years 10 months and 12 days, the District Judge has erroneously taken into account the period of service from 20-9-69 to 31-3-75, which this Office has rejected as non qualifying for reasons stated in the last column on the 2nd page of the application. Hence his recommendation that the applicant be granted a pension after condoning the short period of deficiency in the total period of service cannot be acceded to.

3. The delay in the submission of this application is explained by the District Judge in para 6 of his letter quoted above.

4 In accordance with Rule 3 under Article 994 (b), the attention of Government is respectfully solicited to Article 514 of the Regulations.

Sir,

With reference to the Acctt. General's letter No. $\frac{\text{A.D.K}}{173}$ dated 17th October 1899 – forwarded to me for compliance, I have the honor to state that from the manner in which the acquittance Rolls for the period in question (September 1869 to March 1874) are maintained it is not possible to determine the exact date of the applicant's confirmation as Masalji of this Court. Those for September & October 1869 where his name first appears, would appear to shew that he was permanent and this fact might have led to the mistake in his Service Book as to his appointment being shewn as "Substantive", while the subsequent Rolls – with the exception of those for December 1869, October 1871, February 1872, and May 1873 to February 1874 – describe him as acting for Isara. He was probably a sub Pro-tem Masalji throughout that period and consequently the name of the permanent incumbent was shewn in the annual returns for 1870 to 1872 and 1874.

As there are no other records available for verification in this Court, a comparison o the applicant's Service Book with that of Isara a for whom he appears to have been acting an who is now a Deloyat in the District Court, migh be instituted for arriving at the correct date o the applicant's confirmation in the post of Masal

II & III. On reference to the Service Register of Ishwara referred to in the letter, it is found that Ishwara was permanent Masalji of the Mangalore Munsiff's Court and it is also found that he was on leave without allowances from 1st July 1869 to 3d June 1873. Ishwara was considered to have had a lien on the post and his name appears to have been shown in the returns for 1870, 1871 and 1872. In the return one Iswara is shown therein to have been holding the post of masalji. The discrepancy should be explained.

III. It should also be explained why in the annual return for 1873 the applicant is shown as an acting and not as a permanent masalji in the District Munsiff's Court.

return for 1873 the applicant's name appears as acting Masalji. The only record available for reference for the purpose of verification of the service for the period is the acquittance roll of the said Court which shows that he was the incumbent at the time.

He was in service from 20th September 1869 continuously, was in receipt of full pay and was eventually confirmed in the same post. His service during the said period may be permitted to be counted as pensionable.

In 1874 Ishwara's name occurs both as peon of the District Court and Masalji of the Mangalore Munsiff's Court. The latter entry is presumably a mistake and the applicant's name should have been shown in the said return.

Sir

I have the honor to forward herewith for favourable consideration and orders of Government, an application for invalid gratuity under Art: 524 of the Civil Service Regulations on behalf of Manjappa 2nd Class Process Server of the Central Nazarath of this Court.

2. The applicant is a little more than 53 years old and appears to have been subject to epileptic fits for some years past. Latterly, he was reported to be liable to these fits more frequently than before and the effect of these attacks lasted for a longer period. It was found unsafe and useless to retain him in service any longer and he was sent to the Medical Officer for examination and report. The Medical Officer

officer appears to have kept him under observation for some time and on 3rd August 1899 he finally declared that the applicant was completely and permanently incapacitated for further service of any kind in consequence of epileptic fits which he was found to get very frequently. He was therefore retired with effect from 3rd August 1899.

3. In course of verification of the applicant's service in the Mangalore District Munsiff's Court it was found that the applicant did not receive full pay in August, October, November and December 1874 and in January 1875, while the service Register does not contain any entry of leave &c during these months. He was a Sweeper of that Court at the time and there are no records other than the acquittance rolls, with reference to which the service was verified and which show that a portion of the pay was paid to a substitute. The applicant filed two affidavits, one of himself and the other of a contemporary, which go to show that he was absent on leave on several occasions about the time. The fact is accordingly noted in the Service Book in red ink.

4 It is observed that there is a discrepancy between the detailed Statement of the Process Service Establishment for 1897 and those for the previous years, with

regard

regard to the date of appointment of the applicant to his last post of 2nd grade Process Server. The pay of the 2nd grade Process servers was raised from Rs. 6 to 7 with effect from 1st April 1889, during a revision of the Process Service Establishment under G. O. 1178 Judicial, dated 9th July 1889, and the applicant was one of them. This fact does not seem to have been noticed in preparing the Statements submitted prior to 1897, and the date shown in that for 1897 is therefore correct.

5 Seeing that the applicant has a qualifying service of 29 years, 10 months and 12 days and that a short period - a month and 18 days - is wanting to make up a service of 30 years which would entitle him to a pension of Rs. 3½ per month for life under Art: 524, and that he was owing to an incurable malady prematurely invalided through no fault of his, I would request that the Government may be pleased to condone the small deficiency of the applicant's service under Art: 465 A, Civil Service Regulations, and grant him a pension of Rs. 3½ per mensem.

6. In explanation of a delay of nearly a fortnight in submitting the application I have to state that the applicant was sent for to obtain an explanation as to the discrepancy between the service book and the

acquittance

acquittance Rolls but in consequence of one of the attacks of fits he was unable to attend till the 14th instant, when he produced the affidavits above referred to.

7. The following papers are submitted.

1. Application
2. Service Book.
3. Medical certificate.
4. Applicants affidavit (with translation) dated 14th September 1899.
5. Isara's affidavit (with translation) dated 14th September 1899.
