My Lord,

In Submitting this Petition to your Lordship, I do so with Sentiments of the deepest humility and deference, and beg at the same time your Lordship's pardon for the intrusion.-

2d I have now served the Government for a period of about 40 Years, during which time I venture to hope that I have maintained my Character, and discharged my public duties faithfully and with zeal to the advantage of the Government. In Support of such pretension, I would beg, respectfully to refer to the Testimonials which I possess and a transcript of which accompanies this Petition, I humbly trust that they will meet with your Lordships favorable Consideration.-

3d My first entrance into the public Services was in 1815 as an English Writer in the Police Office (to which I was appointed by the Honorable Michael Thomas Harris, late Superintendent of Police and Deputy Collector of Madras) and I was Subsequently admitted in 1826 as Registrar of Deeds &ca in the Office of the Tanjore Commissioners for adjudicating the Claims of the Creditors of His Highness Ameersing formerly Rajah of Tanjore upon the Salary of Rupees 105 per Month. Owing to the Satisfaction I was so fortunate as to give whilst in this latter

Situation I was in 1832 appointed Manager to the Office of the Carnatic Government Commissioners for investigating the Claims of the Creditors of His Highness the Nabob Wallajah and Omdut Ool Omrah on a further Salary of 105 Rupees, as a Compensation for my exertions and abilities thereby consolidating my Monthly Receipt to 210 Rupees. But in the Month of March 1835, the Post of Registrar in the Tanjore Commissioner's Office was abolished, and I was in consequence reduced to the other Managership alone drawing only the half of my former allowance Vizt. 105 Rupees. In this Situation I had to redouble my labours and exertions in facilitating and expediting the business before the Commission, in order to draw it to a Speedy close.—

4th. The former Commissioner, prior to the year 1837, had held this Office for a period of 27 Years, and with a large Establishment had adjusted only half of the number of Claims before it, when the Honorable I. F. Thomas Esqr. was appointed by Government in 1838, as sole Commissioner for adjudicating the remaining Claims— I then essayed to render all the aid in my power to the indefatigable exertions of that Gentleman, and with a Small Establishment, the Commission was brought to a final Close in less than 2 years, and thereby saved to the Government some Lacs of Rupees. This Statement will I humbly hope be satisfactorily proved to your Lordship, in perusing the annexed Extracts of letters addressed to the Government by that Gentleman, as well as by the late Tanjore Commissioners.—

5th. I am at present Employed in the Commissary General's Office as Manager of the Executive Department for Supply of Military Stores &ca. to which Office I was inducted on the 1st. August 1841 on a Salary of 140. Rupees per Mensem, but now finding that old age and Consequent

infirmities are creeping upon me. I feel unequal to the discharge of its duties with requisite vigour, and am therefore compelled to resign and retire into quiet for my few remaining years— In so doing I respectfully and earnestly hope that your Lordship in Council, in Consideration of my long and faithful Service, will be pleased to permit me to retire on a Pension with the gift of my full pay in order, that I may enjoy in Peace and Comfort what remains to me of life from an age now verging on to 60 years— A boon which I trust to be allowed to observe has been frequently Conferred by the Honorable Court upon certain old and meritorious Servants of the Public Service who have been Similarly Situated to myself.

6th. During the long period of my service I am happy in the recollection of having devoted my best zeal and energies in the Cause of Government and of having honorably secured the good will and satisfaction of all my Employers. I venture to draw this pleasing Conviction from the tenour of the favorable testimonies recorded on my behalf in the several Certificates which are herewith for your Lordship's Consideration.—

7th. Finally should your Lordship deem it expedient I sincerely and earnestly Implore that this my appeal may be eventually referred to the Honorable Court for their favourable Consideration, and grant of my prayer.—

I beg to remain
with the greatest respect
My Lord,
Your Most Obedient, and
humble Servant.

To

R. Clerk Esqre

Secretary to Government.
General Department,
Fort St. George.

Sir,

We have the honor to submit a Petition from P. Sindooroyen Moodelly the Manager in the Carnatic Office, soliciting an increase of his salary.

The case is as follows formerly the Salary of the Manager was Rs. 300 but when Mr. F. W. Russell was forming an Establishment upon his Appointment as sole Government Commissioner in 1832, the Petitioner who was then the Register in the Tanjore Office, on a salary of 30 Pagodas, was appointed to the vacancy on a further salary of 30 Pagodas, making altogether his monthly receipts 60 Pagodas.

On the 1st of March 1835, we thought proper to abolish the Office of Register in the Tanjore Department, and since that time, the Petitioner has been drawing the small allowance of 30 Pagodas.

We beg to state that Sindoorayen Moodelly has always given us very great satisfaction, and that the circumstances stated in his Petition regarding the quantity of business performed by him, is sufficient in our opinion to show that he is a good and hard working servant who have no hesitation therefore when we consider the large amount of the salary formerly given to the head of the Carnatic Office and the circumstances under which the Petitioner accepted the duty as detailed above, in recommending respectfully that the monthly salary of the Petitioner should be increased from 30, to 50 Pagodas.

We have the honor to be, &c

"I consider it due to the Manager in the Durbar Department (Sindoorayen Moodelly) to state, that the efficient assistance I have received from him, has greatly tended to the early dispatch of the business before the Office, and submit for the favorable consideration of the Right Honorable the Governor in Council, the accompanying copy of a petition, urging his claim to an increased allowance during the period of his service, as recommended by the Commissioners in their letter under date 26th May last.

I have the honor to submit to Government with reference to my letter of the 26th June 1838. the accompanying applications from the principal Servants of the Offices under my charge.

2. The first to which I would request attention, is from the Manager, of the Carnatic Commissioner's Office, P. Sindoorayen Moodelly whose claim upon the consideration of Government was brought under notice in my letter of the 7th December last. I can now add, that, I have derived much valuable aid, from this Officer in the final settlement, of the claims, and I would respectfully urge, both on the ground of his actual services, and as the early closing of this Office effected in part through his exertions, necessarily subjects him to the immediate loss of a valuable situation.

Sir,

15th May 1851. With reference to the revised Rules for the grant of Superannuation Pensions, I have the honor to forward Register

1 of an Application for a Superannuation Pension which I beg to recommend for the favorable consideration of the Right Honorable the Governor in Council.

The Applicant Pondicherry Sindooroy Moodelliar appears to have served in several Public Offices for 40 years, 15 of which in this Office, during this latter period he was in charge of a very responsible Branch of the Executive Department at the Presidency and discharged his duties with great diligence and attention. He is now from old age, and chronic affection of the Stomach disqualified for further effective service as per Medical

Certificate herewith forwarded.

Sindooroy Moodelliar's services in this Office have been continuous with the exception of 6 weeks leave of absence granted him as per Notification in the Fort Saint George Gazette of 26th September last page 456. A Statement of his services is annexed for information.

This old and faithful servant of the Government has addressed me by letter accompanied by a petition which he has requested me to forward to the Right Honorable the Governor in Council which I do not hesitate to do, as I consider his long and faithful services entitle him to have his case especially brought to notice.

I have only recommended him in the Register of application for the amount of Pension granted on ordinary occasions, but I shall be glad if his Services will induce the Government to grant him his full pay on retirement Viz: Rupees 140 per Month as I believe has been on some " occasions accorded to others who have been similarly circumstanced

2. The period of service from 1st June 1815 to 6th January 1818 is not traceable in the Books of the Audit Office. From a Statement of Refund of Subscriptions to the late Native Pension Fund, it is shown that Sindooraya Subscribed to the Fund from 7th January 1818, so that it is clear that his Employment previously is not × eligible to pension.

3. A break of 1 year, 5 months and 12 days occurs between the service rendered up to 19th February 1840, and that commencing with the 1st August 1841 which is owing to the abolition of the Tanjore Commissioners Office. Sindooraya was, on this event occurring, presented with a gratuity, apparently of 15 months' salary by the Extract Minutes of

Consultation of 30th September and 24th December 1839 No 1108 and 1466 Public Department. This circumstance under the Orders of the Court No 38+ of 1856, will bar the applicants claim to a Pension of half his averaged salary, even were he eligible to such by the length of his service.
