From the Military Auditor General.

In compliance with the instructions of the Civil Auditor verifies the services of Mr. Orton in the Medical Board Office, and of Vencata-kistnah, Gram Conicopoly in the 3d Regiment Light Cavalry. (Here enter 25th „ No. 107.)

The Chief Secretary to Government represents that the Proceedings in the Public and Judicial Departments and the Despatches to the Honorable Court, general and special, in all the Departments under him, are now being printed, and that in consequence some of the servants on his Office Establishment who are chiefly affected by the arrangements made for printing these Proceedings, may be dispensed with. A saving of 50 Rupees has already been effected by abstaining from filling up vacancies, and it is now proposed to make a further reduction of Rupees 240 per mensem by the transfer to the Pension Establishment of the undermentioned parties who have served their time for pension and whose energies are more or less failing, and by the grant of gratuities to others who, though they have not served the prescribed period to entitle them to pension, are no longer required to be retained on the Establishment in consequence of the work performed by them being now done by the Government Press.

2. Ordered accordingly that the following servants of the Public, &c. Departments of the Government Office be transferred to the Pension Establishment from the 1st April 1857 on one-half and one-third respectively of the amount of their present salaries.

4. The cost of printing the Proceedings of Government in the Public and Judicial Departments was during the past month Rupees 437-4-10.
