2 The grounds on which each
applicant has preferred his application
and other particulars are so fully
explained in the Register, that it is

hardly necessary for me to enter into any details here, beyond reporting that all the five individuals are old and worn out (their age ranging from 60 to 68 years) and incapacitated for further service, as will appear from the enclosed Certificate of the Civil Surgeon of Coimbatore.

3 The period of service of 5 of the applicants varies from 33⁺ to 41 years, or ^{* as ascertained from the record office} more than the standard prescribed to entitle an uncovenanted servant to the benefit of a pension of half his average salary - the only individual, who has not passed the limit of 30 years, is Vencata Row Deputy Peishcar of Coimbatore.

4 Each of the applicants bears a good

Average salary of 3 months - Amount of pension to be paid -

Ramiah Amastah in the Revenue Taluk	16-7-2	8-1-

character, and is a proper object of the bounty of Government - I should therefore

recommend that a pension to each individual to the amount shown in the margin, may be granted from the 10th of January 1857, the date on which the applicants were relieved from their duties.

5 Six lists of the services of the applicants are herein enclosed.

2. The Collector having explained that the breaks in the services of Panniah of 1 year and 9 months in 1819 & 1820, and of 5 years from June 1821 to May 1826, were caused, as regards the first interval, by his temporary dismissal or suspension from Office pending an enquiry into what were afterwards found to be groundless charges; and as regards the second, by the abolition of his Office; the Civil Auditor is of opinion that the period of 2 years, 6 months and 20 days, from 12th July 1816 to 31st January 1819, is admissible as service towards a pension: the period from November 1820 to 12th June 1821 is not admissible as his salary during that time was only Rs. 5 1/4. Panniah's total service therefore will amount to 33-2-25.

3. The Civil Auditor would also bring to notice that from 17th March to 15th October 1855, or a period of 7 months, Panniah was acting for the Serishtadar of his talook during that Officer's temporary incumbency of the Office of Tahsildar of the Talook during the Tahsildar's temporary absence on leave or duty, it does not appear which. Under the orders of the Govt. of India of 11th Jan'y 1856 and

15
and the construction of the Government, the higher salary drawn for this period is not admissible in calculation, till the cause of the Tahsildar's absence is known. Should this salary be refused, the average salary for the last five years will then be Rs. 11 and not Rs. 11 1/4.

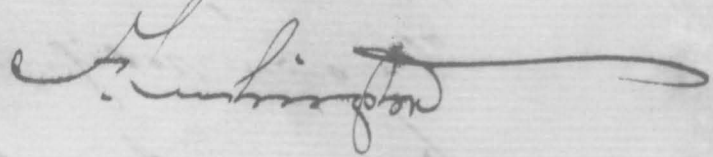

4. In the case of Venkatachelliah, the service rendered by him from 7th September 1821 to 31st May 1829, a period of 7 years, 8 months & 24 days, is inadmissible in consequence of his salary during that period being below the prescribed limit.

5. With reference to the service rendered by Krishniah from 12th October 1812 to 31st July 1827, of 11 years, 9 months and 11 days, the Civil Auditor observes that it is ineligible for calculation, as this person's salary during that period, with the exception of 19 days, is below the prescribed limit. The period of 19 days, admissible on other grounds, has been included in consequence of there occurring a break of 1 year caused, as Mr. Thomas reports, by "his own resignation of Office."

6. As regards Venkata Per, the Civil Auditor begs to state, that as out of the entire period of his service, viz: 27 years, 8 months & 27 days verified by

by the books of the Audit Office,
only 14 years, 1 month and 12 days
are admissible as service towards
a pension, the remaining period
of 8 years, 6 months & 27 days
being excluded owing to Venkata
Row's Salary during that time
being only Rs. 3 1/2. But as this
circumstance is not held to
disqualify this period from
counting in the service towards
a gratuity, he is in consequence
entitled to the maximum amount
of gratuity allowable, i.e. of 18 months
Salary, or Rs. 260, his Salary at the
date of his retirement being
reported to be Rs. 20.

7 In the case of Venkata Pun-
fiah, the Civil Auditor observes,
that the period of service anterior
to 12th October 1826 is inadmis-
sible in consequence of his
pay during that time being
Rs. 5 and 1/2.

- For, on Rs 100/- per mensem
- only will be granted to
- Venkatachelliah, to take ef-
- fect from the 10th January last.

No IV. Krishniah. He is a
- dar in the Pullachon Talook.

In his case, 29 years and a
fraction have been certified by
the Civil Auditor, as service
entitling to pension, for the same
reasons as in Case No III above.

Resolved therefore to grant to
- Krishniah also a one kind
- pension, amounting to Rs 100/-
per mensem - payable
from the 10th January last.

No V. Venant Row. Deputy
- Postkar in the Comislabore Ta-
- look. For the same reasons as
in the two preceding cases, the
period of service counting towards
pension is limited, in the case
of Venant Row, to 19 years only.
This man, consequently, is not
eligible to a Pension at all. As,
however, he is well spoken of by the
Collection, the Gov^t resolve to grant
him the maximum amount of
gratuity, on Rs 260, as calculated
by the Civil Auditor.

No. 11. Verdict Punishment -

Prigasm in the Colligant Talook.
 here again, by the operation of
 the rule for the fourth time
 overlooked by the collector, the
 service entitling to pension has
 been reduced by the Civil Auditor
 to a period of 26 years and a
 quarter; but Thomas having given it
 as taken more than 38 years.

A one kind pension is combined
 in this man's case also. This will
 amount under the rules to Rs. 9
 per mensem. It will be
 payable, as in the foregoing cases,
 from the 10th January last.
