This is to Certify that Vainbuck Samil Goo-
mastah in the Office of the Collector of the Districts
of Madura is in my opinion unfit for further service
in consequence of Infirmities of old age (he having
attained that of 70 Years) which will physically and
permanently disqualify him for further active
employ, and that these have not been occasioned by
intemperate or other irregular habits.

Report of the Civil Auditor

The Civil Auditor has the honor to report, that the authorized official allowance of Vembiah, late a Goornastah on the Establishment of the Collector of Madras, for the last five years of his service, is Rupees 25-15-3 per Mensem and that his service under the Government embraces a period of 27 years and 7 months: Viz^t from 1st October 1828 to 30th April 1856, up to which date only returns from the Collector of Madras have been received

The service rendered previously to October 1828 cannot be traced on the Books of the Audit Office but it is evident from the nature of the situation held by him viz as Tarum & Cotha Goornastah that the service thus rendered is inadmissible. Mr. Sullivan it is observed, afford no explanation regarding the long interval of nearly one year that has elapsed between the date of retirement of the applicant and that of the application for pension.
